ASSIGNMENT

This Assignment is entered into in Delaware, Ohio this 5th day of August, 2016, by and between Earth Minded LLC, a Delaware limited liability company, having a principal place of business at 425 Winter Road, Delaware, Ohio 43015 ("Assignor"), and Greif Packaging LLC, a Delaware limited liability company, having a principal place of business at 1209 Orange Street, Wilmington, Delaware, Ohio 19801 ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in and to the trademarks, service marks, and domain names (collectively, the "Trademarks"), set forth on the attached Schedule 1, whether registered, unregistered or arising by any applicable law of any jurisdiction throughout the world and all registrations and applications for registration, together with the goodwill of the business connected with the use of, and symbolized by the Trademarks; and,

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as set forth below.

Assignor hereby sells, assigns, transfers and conveys to Assignee, Assignor's entire right, title, and interest in, and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with the use of, and symbolized by, the Trademarks, including,

- a) All rights of any kind whatsoever of Assignor accruing under any of the Trademarks provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world, including the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks, the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made;
- b) All licenses and similar contractual rights with respect to any of the Trademarks granted by Assignor to any third party, including those listed on Schedule 2;
- c) Any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and,
- d) Any and all claims and causes of action, with respect to any of the foregoing, whether accruing before, on and/or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse,

breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

Assignor hereby authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Schedule 1 to Assignee as assignee of Assignor's entire right, title, and interest therein. Assignor agrees to cooperate in taking such steps and actions, and to further execute any documents Assignee determines reasonably necessary to effect, evidence or perfect the assignment of the Trademarks to Assignee, or any assignee or successor thereto.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each signed counterpart may be delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an originally executed document.

This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

This Assignment and any claim, controversy, dispute or cause of action (whether in contract, tort or otherwise) based upon, arising out of or relating to this Assignment and the transactions contemplated hereby shall be governed by, and construed in accordance with the laws of the United States and the State of Ohio without giving effect to any choice or conflict of law provision or rule (whether of the State of Ohio or any other jurisdiction).
