## TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment"), made this 27th day of October, 2014 (the "Execution Date"), is by and between Motorola Solutions, Inc., a Delaware corporation having a place of business at 1303 East Algonquin Road, Schaumburg, Illinois 60196 ("Assignor") and AirDefense, Inc., a Georgia corporation having a place of business at 4800 North Point Parkway, Suite 100, Alpharetta, Georgia 30022 ("Assignee").

WHEREAS, Assignor and Zebra Technologies Corporation ("Purchaser") are parties to a Master Acquisition Purchase Agreement dated as of April 14, 2014, as amended (the "Acquisition Agreement") and an Intellectual Property Agreement dated as of April 14, 2014, as amended (the "IP Agreement"), providing, subject to the terms and conditions set forth therein, for the sale, transfer, assignment, conveyance and delivery by Assignor to Assignee of all of Assignor's right, title and interest in and to all Assigned IP (as such term is defined in the IP Agreement) and all Ancillary IP Rights (as such term is defined in the IP Agreement) with respect thereto, as set forth in the IP Agreement;

WHEREAS, the Assigned IP includes the Assigned Trademark identified on the attached Schedule A;

WHEREAS, Assignor is the owner of all legal title and interest in and to such Assigned Trademark; and

WHEREAS, in accordance with the IP Agreement, effective as of immediately following the Merger, Assignor desires to sell, assign, transfer, convey and deliver to Assignee, and Assignee desires to purchase, acquire and accept the Assigned Trademark identified on Schedule A; and

WHEREAS, this Assignment is executed pursuant to the Acquisition Agreement.

NOW, THEREFORE, for good and valuable consideration provided for in the Acquisition Agreement and the IP Agreement, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Definitions. Capitalized terms used in this Assignment but not otherwise defined herein have the meanings ascribed to them in the IP Agreement or the Acquisition Agreement, as applicable.

2. Assignment. Effective as of immediately following the Merger, Assignor hereby irrevocably sells, conveys, transfers, delivers and assigns to Assignee all of Assignor's worldwide right, title and interest in and to the Assigned Trademark identified on Schedule A (together with all goodwill symbolized thereby) and all Ancillary IP Rights with respect thereto.

3. Further Assurances. Assignor agrees that from time to time, at the reasonable request and expense of Assignee, it shall execute and deliver such other documents and take such other actions as Assignee may reasonably request to effectuate the transactions contemplated by this Assignment (including any documentation to perfect or record the rights granted hereunder

in the Assigned Trademark in any jurisdiction throughout the world). Assignor acknowledges and agrees (including on behalf of the other Seller Parties) that Assignee or any of its Affiliates may record and perfect this Assignment or such documentation in any jurisdiction throughout the world, and the Assignor shall (and shall cause the other Seller Parties to) cooperate therewith, at the Assignee's expense. The Assignee hereby requests and the Assignor hereby grants (and shall cause the other Seller Parties to grant) to the Assignee and its Affiliates, all rights necessary to record this Assignment or such documentation with the United States Patent and Trademark Office and any equivalent office or agency in any jurisdiction in the world.

4. General.

(a) Entire Agreement; Conflicting Provisions. This Assignment, together with the IP Agreement and the other Transaction Agreements and any side letters executed by the parties in connection therewith, and all of the exhibits and schedules appended hereto and thereto, constitute the final, complete and exclusive statement of the parties' agreement on the matters contained herein and therein. In the event of a conflict between any specific provision of this Assignment and the provisions of the IP Agreement with respect to the subject matter hereof, the provisions of the IP Agreement will control.

(b) Successors. This Assignment shall be binding upon and inure to the benefit of Assignee and Assignor and their respective successors and permitted assigns.

(c) Counterparts. The parties may execute this Assignment in multiple counterparts, each of which constitutes an original as against the party that signed it, and all of which together constitute one agreement. The signatures of all parties need not appear on the same counterpart. The delivery of signed counterparts by facsimile or email transmission which includes a copy of the sending party's signature(s) is as effective as signing and delivering the counterpart in person.

(d) Governing Law. The Laws of the State of Delaware (without reference to its principles of conflicts of law) shall govern the construction, interpretation and other matters arising out of or in connection with this Assignment and its schedules (whether arising in contract, tort, equity or otherwise).
