Ladies and Gentlemen:

Please be advised that pursuant to that certain Junior Intellectual Property Security Agreement dated as of July 21, 2016 (the "Agreement") by and between REMINGTON DESIGNS, LLC, a California limited liability company ("Pledgor") and CHRIS MALETIS AND ED MALETIS (collectively, "Lenders"), the undersigned Pledgor has transferred, conveyed and granted to Lenders a continuing security interest in and to Pledgor's entire right, title and interest in, to and under the following (collectively, the "Trademark and Patent Collateral"):

1. All patents, patent applications, and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, and including those domestic patents set forth on Exhibit A attached hereto and those foreign patents set forth on Exhibit B attached hereto; all inventions claimed therein; and all domestic and foreign rights corresponding to any of the foregoing (collectively, the "Patents");

2. Any trademark, service mark, trade names, trade dress, and logos, slogans and other similar indicia of origin, including those set forth on Exhibit C attached hereto, whether registered or not, and applications to register and registrations of the same and like protections, and the entire goodwill of the business of Pledgor connected with and symbolized by the foregoing; all renewals of the foregoing; and all domestic and foreign rights corresponding to any of the foregoing; except for those trademarks filed on an intent-to-use basis until such time as use of such marks is declared (collectively, the "Trademarks");

3. Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for the use or infringement of the intellectual property rights identified above;

4. All licenses or other rights to use any of the Patents or Trademarks and all income, license fees, royalties and payments now or hereafter due or payable arising from such licenses or other right to use to the extent permitted by such license or rights;

5. All amendments, renewals and extensions of any of the Trademarks or Patents; and

6. All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

Pledgor and Lenders hereby acknowledge and agree that the security interest in the Trademark and Patent Collateral (1) may only be terminated in accordance with the terms of the Agreement, and (2) is not to be construed as an assignment of any of the Trademark and Patent Collateral.

Very truly yours,

PLEDGOR:
