CONFIRMATORY GRANT OF SECURITY INTEREST IN TRADEMARKS

THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Confirmatory Grant") is made effective as of September 16, 2016, by and from DaySmart Software, LLC, a Delaware limited liability company (successor in interest to DaySmart Blocker, Inc.) (the "Grantor"), to and in favor of U.S. BANK NATIONAL ASSOCIATION, a national banking association (the "Secured Party") for itself and as administrative agent for the Lenders (as defined in the Credit Agreement referenced below).

WHEREAS, DaySmart Blocker, Inc., a Delaware corporation, the Grantor (as successor in interest to DaySmart Blocker, Inc.), the Lenders, the Administrative Agent, and the LC Issuer, have entered into a Credit Agreement dated as of September 16, 2016 (as the same may hereafter be amended, supplemented, extended, restated or otherwise modified from time to time, the "Credit Agreement") pursuant to which the Lenders have agreed to extend to the Grantor certain credit accommodations;

WHEREAS, the Grantor has granted security interests to the Secured Party under the Pledge and Security Agreement and Irrevocable Proxy of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, the Grantor owns the trademarks (the "Trademarks") listed on Exhibit A, which are registered or applied for with the United States Patent and Trademark Office; and

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted to the Secured Party under the Security Agreement. The rights and remedies of the Secured Party with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. If any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement.

2) The Security Interest.

(a) This Confirmatory Grant is made to secure the performance and payment of all the Obligations. Upon the payment in full of all Obligations (other than contingent indemnification obligations), the Secured Party shall promptly, upon such satisfaction, execute, acknowledge, and deliver to the Grantor (at the Grantor's expense) all reasonably requested instruments releasing the security interest in the Trademarks acquired under this Confirmatory Grant.

(b) The Grantor hereby grants to the Secured Party a security interest in all of the Trademarks set forth in Exhibit A now owned or from time to time after the date hereof owned or acquired by the Grantor.

(c) Unless and until an Event of Default occurs and is continuing, the Grantor shall retain the legal and equitable title to the Trademarks, and shall have the right to use and register the Trademarks in the ordinary course of the business of the Grantor.

(d) Notwithstanding the foregoing, this Confirmatory Grant will not relate to or affect Grantor's trademark applications based on intent-to-use trademarks—which are identified in Exhibit A—until after such time as a verified amendment to allege use or statement of use is filed and accepted by the U.S. Patent and Trademark Office for such trademark applications and the marks are actually used in commerce.

[The remainder of this page has been intentionally left blank]

IN WITNESS WHEREOF, the Grantor has executed this Confirmatory Grant of Security Interest in Trademarks effective as of the date first written above.
