Deliverex Acquisition Corp. was merged into SourceHOV Healthcare Inc. in 2014. The Deliverex trademark/tradename will move to SOURCECORP BPS, Inc. with the rest of the Deliverex assets and business.

Thanks, Karen. I've copied in our intellectual property colleague, Kim Walker here.

In addition, we noticed that Deliverex Acquisition Corp is the owner of the Deliverex trademark. Is the Deliverex trademark being transferred to MCP? Is there a relationship between Deliverex Acquisition Corp. and SourceHOV Healthcare?

If the trademark will be transferred we will need to prepare a separate transfer document that will be filed with the PTO.

Thanks,

Laura

Laura,

Also, neither Deliverex or MCP owns any real property.

SourceHOV Healthcare Inc. does not have any subsidiaries, so there is no equity in subs.

Intellectual property that will be transferred includes:

- Deliverex Developed Technology
- Reimbursement Integrity Intelligence Technology for MCP

Question: The "SourceHOV" tradename has value associated with it and is used by all the business units. How should this tradename be handled under this agreement?

Regards,

Karen Emerick

Karen and Andrej,

We just wanted to follow up on the below questions. Please let us know your thoughts when you get a chance.

In addition, please let us know if there is a list of the assets that are being transferred (specifically whether there is any real estate, intellectual property or equity in subsidiaries) as we may need to make certain recordings under the credit agreement if there are transfers of certain types of assets.

Lastly, please confirm whether any third party consents (if any were needed) still need to be obtained for the separation.

Best regards,
Laura

All,

Attached please find an updated separation agreement, clean and marked against the version that was uploaded into the data room. There are a few highlighted items that we had questions on:

1. Schedule 1.3(k) in Excluded Assets – is there anything specific that should be added to this schedule? This would be specific assets that Healthcare retains.
2. Section 4.6 – please provide us with a list of the employees that will be transferred.
3. Section 8.1 – please provide us the address information for MCP and Deliverex.
4. Section 8.18 Definition of “Intellectual Property” – please let us know if there is a name to include in this definition.

We will also prepare an instrument of transfer and an assignment agreement as contemplated by Section 2.2.

Please let us know if you have any comments or questions.

Thanks,
Laura
