If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Secured Obligations shall not have been Paid in Full, such amount shall be held by such Guarantor in trust for Lender, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be promptly turned over to Lender in the exact form received by such Guarantor (duly indorsed (but without any representation or warranty) by such Guarantor to Lender, if required), to be applied against the Secured Obligations, whether matured or unmatured.

2.4. Amendments, etc, with Respect to the Secured Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of

the Secured Obligations made by Lender may be rescinded by Lender and any of the Secured Obligations continued, and the Secured Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by Lender, and the Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part, as Lender may deem advisable from time to time (provided that any such amendment, modification, supplement or termination complies with the relevant provisions of the Loan Documents, this Agreement and/or such Loan Document), and any collateral security, guarantee or right of offset at any time held by Lender for the payment of the Secured Obligations may be sold, exchanged, waived, surrendered or released to the extent permitted by this Agreement and the Loan Documents. Lender shall have no obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Secured Obligations or for the guarantee contained in this Section 2 or any property subject thereto.

2.5. Guarantee Absolute and Unconditional; Waivers.

(a) Each Guarantor agrees that this Guaranty is a guaranty of payment and performance when due and not of collectability. The liability of Guarantor under this Guaranty shall be absolute, irrevocable and unconditional irrespective of:

- (i) any lack of validity, regularity or enforceability of any Loan Document;
- (ii) any lack of validity, regularity or enforceability of this Agreement;
- (iii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to departure from any Loan Document;
- (iv) any exchange, release or non-perfection of any security interest in any Collateral, or any release or amendment or waiver of or consent to departure from any other guaranty, for all or any of the Secured Obligations;
- (v) any failure on the part of Lender or any other Person to exercise, or any delay in exercising, any right under any Loan Document; and
- (vi) any other circumstance which might otherwise constitute a defense available to, or a discharge of, Borrowers, any Guarantor or any other guarantor with respect to the Secured Obligations (including, without limitation, all defenses based on suretyship or impairment of collateral, and all defenses that Borrowers may assert to the repayment of the Secured Obligations, including, without limitation, failure of consideration, breach of warranty, payment, statute of frauds, bankruptcy, lack of legal capacity, lender liability, accord and satisfaction, and usury), this Agreement and the obligations of Guarantor under this Agreement, other than payment in full of the Guarantor Obligations.

(b) Each Guarantor hereby agrees that if Borrowers or any other guarantor of all or a portion of the Secured Obligations is the subject of a bankruptcy or insolvency case under applicable law, it will not assert the pendency of such case or any order entered therein as a defense to the timely payment of the Secured Obligations. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Secured Obligations and notice of or proof of reliance by Lender upon the guarantee contained in this Section 2 or acceptance of the guarantee contained in this Section 2; the Secured Obligations, and any of them, shall conclusively be deemed to have been created, contracted or

incurred, or renewed, extended, amended or waived, in reliance upon the guarantee contained in this Section 2, and all dealings between Borrowers and any of the Guarantors, on the one hand, and Lender, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guarantee contained in this Section 2. Each Guarantor waives (i) diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon Borrowers or any of the Guarantors with respect to the Secured Obligations; (ii) notice of the existence or creation or renewal or non-payment of all or any of the Secured Obligations; (iii) all diligence in collection or protection of or realization upon any Secured Obligations or any security for or guaranty of any Secured Obligations; (iv) any right to require Lender, as a condition of payment or performance by Guarantor, to (A) proceed against Borrowers, any other guarantor of the Guarantor Obligations or any other Person, (B) proceed against or exhaust any security held from Borrowers, any such other guarantor or any other Person, (C) proceed against or have resort to any balance of any deposit account or credit on the books of Lender in favor of Borrowers or any other Person or (D) pursue any other remedy in the power of Lender whatsoever; (v) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrowers or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guarantor Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrowers or any other Guarantor from any cause other than payment in full of the Guarantor Obligations; (vi) any defense based upon Lender's errors or omissions in the administration of the Guarantor Obligations, except errors and omissions resulting from Lender's negligence, bad faith, or willful misconduct and (vii)(A) any legal or equitable discharge of Guarantor's obligations hereunder and (B) any rights to set-offs, recoupments and counterclaims.

(c) When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, Lender may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against Borrowers, any other Guarantor or any other Person or against any collateral security or guarantee for the Secured Obligations or any right of offset with respect thereto, and any failure by Lender to make any such demand, to pursue such other rights or remedies or to collect any payments from Borrowers, any other Guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of Borrowers, any other Guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of Lender against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings. Each Guarantor agrees that it is not a surety for purposes of any state statutes providing defenses for sureties, and each Guarantor waives any right that it may have under such statutes to assert the applicability thereof to the provisions of this Agreement to require that Lender commence action against Borrowers or any other Person or against any of the Collateral.

(d) Lender may, from time to time, at its sole discretion and without notice to any Guarantor (or any of them), take any or all of the following actions: (i) retain or obtain a security interest in any property to secure any of the Secured Obligations or any obligation hereunder, (ii) retain or obtain the primary or secondary obligation of any obligor or obligors with respect to any of the Secured Obligations, (iii) extend or renew any of the Secured Obligations for one or more periods (whether or not longer than the original period), alter or exchange any of the Secured Obligations, or release or compromise any obligation of any Guarantor or any obligation of any nature of any other obligor with respect to any of the Secured Obligations, (iv) release any guaranty or right of offset or its security interest in, or surrender, release or permit any substitution or exchange for, all or any part of any property securing any of the Secured Obligations or any obligation hereunder, or extend or renew for one or more periods (whether or not longer than the original period) or release, compromise, alter or exchange any obligations of any nature of any obligor with respect to any such property, and (v) resort to any Guarantor for payment of any of the Secured Obligations when due, whether or not Lender shall have resorted to

any property securing any of the Secured Obligations or any obligation hereunder or shall have proceeded against any other Guarantor or any other obligor primarily or secondarily obligated with respect to any of the Secured Obligations.

2.6. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to Lender without set-off or counterclaim in Dollars at the office of Lender.

3. **Grant of Security Interest.**

(a) Each Grantor hereby assigns and transfers to Lender, and hereby grants to Lender and (to the extent provided herein) its Affiliates, a security interest in all of the following:

(i) all of each Grantor's right, title and interest in and to all of such Grantor's assets, including any and all personal property, Accounts, Chattel Paper (including Electronic Chattel Paper), Deposit Accounts, Documents, Equipment, Farm Products, Fixtures, General Intangibles, Goods, Health-Care-Insurance Receivables, Instruments, Intellectual Property, Inventory, Investment Property, Letter-of-Credit Rights, Software, Money, Supporting Obligations and Identified Claims, in each case whether now owned or at any time hereafter acquired or arising,

(ii) all books and records pertaining to any of the foregoing,

(iii) all Proceeds and products of any of the foregoing, and

(iv) all collateral security and guarantees given by any Person with respect to any of the foregoing,

(all of the foregoing, collectively, the "Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations; provided, that the Collateral shall not include the Excluded Property.

(b) Each Grantor shall promptly notify Lender of any Commercial Tort Claims related to the Loans in which such Grantor has an interest arising after the Closing Date and shall provide all necessary information concerning each such Commercial Tort Claim and make all necessary filings with respect thereto to perfect Lender's first-priority security interest (subject to Permitted Liens) therein.

(c) Each Grantor has full right and power to grant to Lender, for the benefit of Lender, a perfected, first-priority security interest (subject to Permitted Liens) and Lien on the Collateral pursuant to this Agreement, subject to no transfer or other restrictions or Liens of any kind in favor of any other Person (subject to any Permitted Liens). Except with respect to any financing statement (i) securing debt to be paid off as of the Closing Date, (ii) securing Permitted Liens, or (iii) filed on behalf of Lender, no financing statement relating to any of the Collateral is on file in any public office. No Grantor is party to any agreement, document or instruction that conflicts with this Section 3.

(d) Each Grantor hereby authorizes Lender to prepare and file financing statements provided for by the Code and to take such other action as may be required, in Lender's sole discretion, to perfect and to continue the perfection of Lender's security interest in the Collateral.

(e) Irrespective of any provision in this Agreement, the prior consent of Lender shall not be required in connection with the licensing or sublicensing of Intellectual property pursuant to collaborations, licenses or other strategic transactions with third parties ("Permitted Licenses") executed in the normal course of Borrowers' business.

4. Representations and Warranties.

To induce Lender to enter into the Loan Documents and to induce Lender to extend credit to Borrowers thereunder, each Grantor jointly and severally hereby represents and warrants to Lender that:

4.1. Title; Other Liens. Except for Permitted Liens and Liens granted in favor of the Senior Agent in connection with the Senior Credit Agreement, the Grantors own each item of the Collateral that they purport to own free and clear of any and all Liens or claims of others. As of the Closing Date (or the date such Grantor joins this Agreement as it relates to such Grantor), no financing statement or other public notice with respect to all or any part of the Collateral is on file or of record in any public office, except filings evidencing Permitted Liens and filings for which termination statements have been delivered to Lender or filings evidencing the Liens granted in favor of the Senior Agent in connection with the Senior Credit Agreement.

4.2. Perfected Second Priority Liens. Each Grantor has full right and power to grant to Lender the security interests contemplated herein, and the security interests granted pursuant to this Agreement are prior to all other Liens on the Collateral in existence on the date hereof except for Permitted Liens and Liens granted in favor of the Senior Agent in connection with the Senior Credit Agreement.

(d) Schedule 1 lists all Investment Property owned by each Grantor as of the Closing Date (or the date such Grantor joins this Agreement as it relates to such Grantor) (other than the Diagnostic Company Note). 4.7. Receivables.

(a) Subject to the Intercreditor Agreement, no amount payable to such Grantor under or in connection with any Receivable is evidenced by any Instrument or Chattel Paper which has not been delivered to Lender.

(b) The amounts represented by such Grantor to Lender from time to time as owing to such Grantor in respect of the Receivables (to the extent such representations are required by any of the Loan Documents) will at all such times be accurate in all material respects, subject to the inability to collect Receivables in the ordinary course of business.

4.8. Intellectual Property.

(a) Schedule 5 lists all Intellectual Property owned by each Grantor in its own name (or a former name) on the Closing Date (or the date such Grantor joins this Agreement as it relates to such Grantor).

5. Covenants.

Each Grantor covenants and agrees with Lender that, from and after the date of this Agreement until the Secured Obligations shall have been Paid in Full:

5.1. Delivery of Instruments, Certificated Securities and Chattel Paper. If any amount payable under or in connection with any of the Collateral shall be or become evidenced by any Instrument (other than the Diagnostic Company Note) (other than, for greater certainty, a license agreement), Certificated Security or Chattel Paper, such Instrument, Certificated Security or Chattel Paper shall, subject to the Intercreditor Agreement, be promptly delivered to Lender, duly indorsed in a manner reasonably satisfactory to Lender, to be held as Collateral pursuant to this Agreement and in the case of Electronic Chattel Paper, the applicable Grantor shall cause Lender to have control thereof within the meaning set forth in Section 9-105 of the Code. In the event that an Event of Default shall have occurred and be continuing, upon the request of Lender, any Instrument, Certificated Security or Chattel Paper not theretofore delivered to Lender and at such time being held by any Grantor shall, subject to the Intercreditor Agreement, be immediately delivered to Lender, duly indorsed in a manner satisfactory to Lender, to be held as Collateral pursuant to this Agreement and in the case of Electronic Chattel Paper, the applicable Grantor shall cause Lender to have control thereof within the meaning set forth in Section 9-105 of the Code.

5.2. Maintenance of Perfected Security Interest; Further Documentation.

(a) Except as expressly permitted by this Agreement, such Grantor shall maintain the security interest created by this Agreement as a perfected security interest having at least the priority described in Section 4.2 and shall defend such security interest against the claims and demands of all Persons whomsoever, provided that, unless otherwise required by Lender in writing at any time following the occurrence and continuance of an Event of Default, such security interest need not be perfected in property of the Grantor in which a security interest may not be perfected by filing a financing statement under the Code, having a value less than \$100,000 individually or \$350,000 in the aggregate.

(b) Such Grantor will furnish to Lender from time to time statements and schedules further identifying and describing the assets and property of such Grantor and such other reports in connection therewith as Lender may reasonably request, all in reasonable detail.

(c) At any time and from time to time, upon the reasonable written request of Lender, and at the sole expense of such Grantor, such Grantor will promptly and duly execute and deliver, and have recorded, such further instruments and documents and take such further actions as Lender may reasonably request for the purpose of obtaining or preserving the full benefits of this Agreement and of the rights and powers herein granted, including (i) filing any financing or continuation statements under the Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created hereby, (ii) in the case of Investment Property, Deposit Accounts, Electronic Chattel Paper and Letter of Credit Rights and any other relevant Collateral, taking any actions necessary to enable Lender to obtain "control" (within the meaning of Code) with respect thereto, in each case pursuant to documents in form and substance reasonably satisfactory to Lender, provided that so long as no Event of Default has occurred and is continuing, no Grantor shall be required to cause the Lender to have control over such Investment Property, Electronic Chattel Paper, Letter of Credit Rights or other relevant Collateral (other than any Deposit Account) having a value less than \$100,000 individually or \$350,000 in the aggregate and (iii) during the continuance of an Event of Default, if requested by Lender, subject to the Intercreditor Agreement, delivering, to the extent permitted by law, any original motor vehicle certificates of title received by such Grantor from the applicable secretary of state or other Governmental Authority after information reflecting Lender's security interest has been recorded therein.

(d) Such Grantor authorizes Lender to, at any time and from time to time, file financing statements, continuation statements, and amendments thereto that describe the Collateral (including describing the Collateral as "all assets" of each Grantor, or words of similar effect), and which contain any other information required pursuant to the Code for the sufficiency of filing office acceptance of any financing statement, continuation statement, or amendment, and each Grantor agrees to furnish any such information to Lender promptly upon request. Any such financing statement, continuation statement, or amendment may be signed (to the extent signature of a Grantor is required under applicable law) by Lender on behalf of any Grantor and may be filed at any time in any jurisdiction.

(e) Such Grantor shall, subject to the Intercreditor Agreement, at any time and from time to time, take such steps as Lender may reasonably request for Lender (i) to obtain an acknowledgement, in form and substance reasonably satisfactory to Lender, of any bailee having possession of any of the Collateral (provided that such Grantor shall not be required to obtain any such acknowledgement as it relates to Collateral having a value less than \$100,000 individually or \$350,000 in the aggregate (unless otherwise required by Lender in writing at any time following the occurrence and continuance of an Event of Default), stating that the bailee holds such Collateral for Lender, (ii) to obtain "control" of any Letter-of-Credit Rights, or Electronic Chattel Paper (within the meaning of the code) with any agreements establishing control to be in form and substance reasonably satisfactory to Lender (provided that such Grantor shall not be required to ensure Lender has "control" over any such Collateral described in this clause (ii) having a value less than \$100,000 individually or \$350,000 in the aggregate unless otherwise required by Lender in writing at any time following the occurrence and continuance of an Event of Default) and (iii) otherwise to insure the continued perfection and priority of Lender's security interest in any of the Collateral and of the preservation of its rights therein to the extent required in this Agreement and the Loan Documents.

(f) Without limiting the generality of the foregoing, if such Grantor at any time holds or acquires an interest in any Electronic Chattel Paper or any "transferable record", as that term is defined in Section 201 of the federal Electronic Signatures in Global and National Commerce Act, or in §16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, such Grantor shall, subject to the Intercreditor Agreement, promptly notify Lender thereof and, at the request of Lender, shall take such action as Lender may reasonably request to vest in Lender "control" under Section 9-105 of the Code of such electronic chattel paper or control under Section 201 of the federal Electronic Signatures in Global and National Commerce Act or, as the case may be, §16 of the Uniform Electronic Transactions

Act, as so in effect in such jurisdiction, of such transferable record. Lender agrees with the Grantors that Lender will arrange, pursuant to procedures reasonably satisfactory to Lender and so long as such procedures will not result in Lender's loss of control, for the Grantors to make alterations to such electronic chattel paper or transferable record permitted under Section 9-105 of the Code or, as the case may be, Section 201 of the federal Electronic Signatures in Global and National Commerce Act or §16 of the Uniform Electronic Transactions Act for a party in control to make without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by any Grantor with respect to such electronic chattel paper or transferable record.

5.3. Changes in Locations, Name, etc. Grantor shall not, except upon 30 days' prior written notice to Lender and delivery to Lender of (a) all additional financing statements and other documents reasonably requested by Lender as to the validity, perfection and priority of the security interests provided for herein and (b) if applicable, a written supplement to Schedule 4 showing any additional location at which Inventory or Equipment having a value greater than \$100,000 at any single location:

(ii) change the location of its chief executive office from that specified on Schedule 3 or in any subsequent notice delivered pursuant to this Section 5.3; or

(iii) change its name, identity or corporate structure (including without limitation, the merger into or with any other Person).

Such Grantor shall not change its jurisdiction of organization without the prior written consent of Lender, which consent will not be unreasonably withheld or delayed.

5.4. Notices. Such Grantor will advise Lender promptly, in reasonable detail, of:

(a) any Lien (other than Permitted Liens) or Liens granted in favor of the Senior Agent in connection with the Senior Credit Agreement on any of the Collateral; and

(b) the occurrence of any other event which could reasonably be expected to have a material and adverse effect on the aggregate value of the Collateral or on the Liens created hereby.

5.5. Investment Property.

(a) If such Grantor shall become entitled to receive or shall receive any certificate, option or rights in respect of the equity interests of any Issuer, whether in addition to, in substitution of, as a conversion of, or in exchange for, any of the Pledged Equity, or otherwise in respect thereof, such Grantor shall accept the same as the agent of Lender, hold the same in trust for Lender and, subject to the Intercreditor Agreement, deliver the same forthwith to Lender in the exact form received, duly indorsed (but without any representation or warranty) by such Grantor to Lender, if required, together with an undated instrument of transfer covering such certificate duly executed in blank by such Grantor, to be held by Lender, subject to the terms hereof, as additional Collateral for the Secured Obligations. Upon the occurrence and during the continuance of an Event of Default, (i) any sums paid upon or in respect of the Investment Property upon the liquidation or dissolution of any Issuer shall be paid over to Lender to be held, at Lender's option, either by it hereunder as additional Collateral for the Secured Obligations or applied to the Secured Obligations as provided in Section 6.5, and (ii) in case any distribution of capital

shall be made on or in respect of the Investment Property or any property shall be distributed upon or with respect to the Investment Property pursuant to the recapitalization or reclassification of the capital of any Issuer or pursuant to the reorganization thereof, the property so distributed shall, unless otherwise subject to a perfected Lien in favor of Lender and subject to the Intercreditor Agreement, be delivered to Lender to be held, at Lender's option, either by it hereunder as additional Collateral for the Secured Obligations or applied to the Secured Obligations as provided in Section 6.5. Upon the occurrence and during the continuance of an Event of Default, if any sums of money or property so paid or distributed in respect of the Investment Property shall be received by such Grantor, such Grantor shall, until such money or property is paid or delivered to Lender, hold such money or property in trust for Lender, segregated from other funds of such Grantor, as additional Collateral for the Secured Obligations.

(b) Without the prior written consent of Lender, such Grantor will not, so long as an Event of Default has occurred and is continuing, (i) vote to enable, or take any other action to permit, any Issuer to issue any equity interests of any nature or to issue any other securities or interests convertible into or granting the right to purchase or exchange for any equity interests of any nature of any Issuer, (ii) sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Investment Property or Proceeds thereof (except pursuant to a transaction expressly permitted by the Senior Credit Agreement as in effect as of the Closing) other than, with respect to Investment Property not constituting Pledged Equity or Pledged Notes, and such action which is not prohibited by the Senior Credit Agreement, (iii) create, incur or permit to exist any Lien or option in favor of, or any claim of any Person with respect to, any of the Investment Property or Proceeds thereof, or any interest therein, except for Permitted Liens and Liens granted in favor of the Senior Agent in connection with the Senior Credit Agreement, or (iv) enter into any agreement or undertaking restricting the right or ability of such Grantor or Lender to sell, assign or transfer any of the Investment Property or Proceeds thereof, except, with respect to such Investment Property, shareholders' agreements entered into by such Grantor with respect to Persons in which such Grantor maintains an ownership interest of 50% or less.

(c) In the case of each Grantor which is an Issuer, such Issuer agrees that (i) it will be bound by the terms of this Agreement relating to the Investment Property issued by it and will comply with such terms insofar as such terms are applicable to it, (ii) it will notify Lender promptly in writing of the occurrence of any of the events described in Section 5.5(a) with respect to the Investment Property issued by it and (iii) the terms of Sections 6.3(c) shall apply to such Grantor with respect to all actions that may be required of it pursuant to Section 6.3(c) regarding the Investment Property issued by it.

5.6. Receivables.

(a) Other than in the ordinary course of business, without the prior written consent of Lender, such Grantor will not (i) grant any extension of the time of payment of any Receivable, (ii) compromise or settle any Receivable for less than the full amount thereof, (iii) release, wholly or partially, any Person liable for the payment of any Receivable, (iv) allow any credit or discount whatsoever on any Receivable or (v) amend, supplement or modify any Receivable in any manner that could materially adversely affect the value thereof, to the extent that any action in clauses (i) - (iv) above could reasonably be expected to have a Material Adverse Effect

(b) Such Grantor will deliver to Lender a copy of each material demand, notice or document received by it that questions or calls into doubt the validity or enforceability of more than 10% of the aggregate amount of the then outstanding Receivables for all Grantors.

5.7. Intellectual Property.

(a) Such Grantor (either itself or through licensees) will (i) continue to use each Trademark on each and every trademark class of goods applicable to its current line as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (ii) maintain as in the past the quality of products and services offered under such Trademark, (iii) use such Trademark with the appropriate notice of registration and all other notices and legends required by applicable law, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless Lender shall obtain a perfected security interest in such mark pursuant to this Agreement and the IP Security Agreement, and (v) not (and not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby such Trademark may become invalidated or impaired in any way, to the extent that any action in clauses (i) - (v) could reasonably be expected to have a Material Adverse Effect.

(b) Such Grantor (either itself or through licensees) will not do any act, or omit to do any act, whereby any Patent may become forfeited, abandoned or dedicated to the public, to the extent such act or omission could reasonably be expected to have a Material Adverse Effect.

(c) Such Grantor (either itself or through licensees) (i) will employ each Copyright and (ii) will not (and will not permit any licensee or sublicensee thereof to) do any act or knowingly omit to do any act whereby any material portion of the Copyrights may become invalidated or otherwise impaired and which could reasonably be expected to have a Material Adverse Effect. Such Grantor will not (either itself or through licensees) do any act whereby any material portion of the Copyrights may fall into the public domain and which could reasonably be expected to have a Material Adverse Effect.

(d) Such Grantor (either itself or through licensees) will not do any act that knowingly uses any Intellectual Property to infringe the intellectual property rights of any other Person.

(e) Such Grantor will notify Lender promptly if it knows, or has reason to know, that any application or registration relating to any Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, the United States Copyright Office, or any court or tribunal in any country) regarding, such Grantor's ownership of, or the validity of, any Intellectual Property or such Grantor's right to register the same or to own and maintain the same, except to the extent that such forfeiture, abandonment or dedication, or adverse determination or development would not reasonably be expected to have a Material Adverse Effect.

(f) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for the registration of any Intellectual Property with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall promptly report such filing to Lender. Upon the request of Lender, such Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents, and papers as Lender may reasonably request to evidence Lender's security interest in any Copyright, Patent or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby.

(g) Such Grantor will take all reasonable and necessary steps to maintain and pursue each application referred to in Section 5.17(f), (and to obtain the relevant registration), except to the extent the failure to maintain and pursue such application would not reasonably be expected to have a Material Adverse Effect, and to maintain each registration of all Intellectual Property owned by it, except to the extent that the failure to maintain registration of all Intellectual Property owned by it would not reasonably be expected to have a Material Adverse Effect.

(h) In the event that any Intellectual Property is infringed upon or misappropriated or diluted by a third party, such Grantor shall (i) take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Intellectual Property and (ii) if such Intellectual Property is of material economic value, promptly notify Lender after it learns thereof and, to the extent, in its reasonable judgment, such Grantor determines it appropriate under the circumstances, sue for infringement, misappropriation or dilution, to seek injunctive relief where appropriate and to recover any and all damages for such infringement, misappropriation or dilution.

5.8. Deposit Accounts and Other Accounts. Such Grantor hereby authorizes the financial institutions at which such Grantor maintains a Deposit Account, other bank account, securities account or other account to provide Lender with such information with respect to such account as Lender may from time to time reasonably request, and each Grantor hereby consents to such information being provided to Lender. Such Grantor will cause each financial institution at which such Grantor maintains a Deposit Account or other account to enter into a control agreement or other similar agreement with Lender and such Grantor, in form and substance reasonably satisfactory to Lender, in order to give Lender "control" (within the meaning set forth in Section 9-104 of the Code) of such account, except for Exempt Accounts.

5.9. Other Matters. Such Grantor shall cause to be delivered to Lender, at Lender's request, a Collateral Access Agreement with respect to (a) each bailee with which such Grantor keeps Inventory or other assets as of the Closing Date having a value in excess of \$50,000 and (b) each landlord which leases real property (and the accompanying facilities) to such Grantor as of the Closing Date at which it maintains its chief executive office or a substantial amount of its books or records. If such Grantor shall (x) cause to be delivered Inventory or other property having a value in excess of \$50,000 to any bailee after the Closing Date, such Grantor shall on or prior to such delivery cause such bailee to sign a Collateral Access Agreement or (y) enter into any lease for real property after the Closing Date at which it maintains its chief executive office or a substantial amount of its books and records, such Grantor shall on or prior to the first day of the term of such lease cause the landlord to sign a Collateral Access Agreement.

5.10. Commercial Tort Claims. If such Grantor shall at any time acquire any Commercial Tort Claim, such Grantor shall promptly notify Lender thereof in writing, therein providing a reasonable description and summary thereof, and upon delivery thereof to Lender, such Grantor shall be deemed to thereby grant to Lender (and such Grantor hereby grants to Agent) a security interest in such Commercial Tort Claim and all proceeds thereof, and such Grantor shall execute such documentation as Lender shall require in order to document and effectuate such grant of a security interest.

5.11. Further Assurances; Subsidiary Joinder. The Borrowers shall take, and cause each other Loan Party to take, such actions as are necessary or as Lender may reasonably request from time to time to ensure that the Secured Obligations are secured by a perfected Lien in favor Lender (subject only to Permitted Liens and Liens granted to the Senior Agent in connection with the Senior Credit Agreement) on substantially all of the assets of the Borrowers and each Subsidiary of the Borrowers (as well as equity interests of each Subsidiary any Borrower) and guaranteed by all of the Subsidiaries of Borrowers (including, promptly upon the acquisition or creation thereof, any Subsidiary of Borrowers acquired or created after the Closing Date), in each case including (a) the execution and delivery of guaranties, security agreements, pledge agreements, mortgages, deeds of trust, financing statements and other documents, and the filing or recording of any of the foregoing and (b) the delivery of certificated securities (if any) and other Collateral with respect to which perfection is obtained by possession but excluding (a) the requirement for the Loan Parties to execute and deliver leasehold mortgages, and (b) any other Excluded Collateral as defined in this Agreement.

6. Remedial Provisions.

6.1. Certain Matters Relating to Receivables.

(a) At any time and from time to time after the occurrence and during the continuance of an Event of Default, Lender shall have the right to make test verifications of the Receivables in any manner and through any medium that it reasonably considers advisable, and each Grantor shall furnish all such assistance and information Lender may reasonably require in connection with such test verifications. At any time and from time to time after the occurrence and during the continuance of an Event of Default, upon Lender's reasonable request and at the expense of the relevant Grantor, such Grantor shall cause independent public accountants or others reasonably satisfactory to Lender to furnish to Lender reports showing reconciliations, agings and test verifications of, and trial balances for, the Receivables.

(b) If required by Lender at any time after the occurrence and during the continuance of an Event of Default, any payments of Receivables, when collected or received by or on behalf of any Grantor, subject to the Intercreditor Agreement (i) shall be forthwith (and, in any event, within 2 Business Days) deposited by such Grantor in the exact form received, duly indorsed (but without any representation or warranty) by such Grantor to Lender if required, in a collateral account maintained under the sole dominion and control of Lender, for application to the Secured Obligations in accordance with Section 6.5, and (ii) until so turned over, shall be held by such Grantor in trust for Lender, segregated from other funds of such Grantor. Each such deposit of Proceeds of Receivables shall be accompanied by a report identifying in reasonable detail the nature and source of the payments included in the deposit.

(c) At any time and from time to time after the occurrence and during the continuance of an Event of Default, subject to the Intercreditor Agreement, at Lender's request, each Grantor shall deliver to Lender all original and other documents evidencing, and relating to, the agreements and transactions which gave rise to the Receivables, including all original orders, invoices and shipping receipts.

6.2. Communications with Obligors; Grantors Remain Liable.

(a) Lender in its own name or in the name of others may at any time after the occurrence and during the continuance of an Event of Default communicate with obligors under the Receivables to verify with them to Lender's reasonable satisfaction the existence, amount and terms of any Receivables.

(b) Upon the request of Lender at any time after the occurrence and during the continuance of an Event of Default, each Grantor shall notify obligors on the Receivables that the Receivables have been assigned to Lender and that payments in respect thereof shall be made directly to Lender.

(c) Anything herein to the contrary notwithstanding, each Grantor shall remain liable in respect of each of the Receivables to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise thereto. No Lender shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by Lender of any payment relating thereto, nor shall Lender be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to

enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

(d) For the purpose of enabling Lender to exercise rights and remedies under this Agreement, each Grantor hereby grants to Lender, an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any Intellectual Property that constitutes part of the Collateral now owned or hereafter acquired by such Grantor, to the extent such Intellectual Property may be so licensed or sublicensed, and wherever the same may be located, and including in such license access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof.

6.3. Investment Property.

(a) Unless an Event of Default shall have occurred and be continuing and Lender shall have given notice to the relevant Grantor of Lender's intent to exercise its corresponding rights pursuant to Section 6.3(b), each Grantor shall be permitted to receive all cash dividends and distributions, payments and Proceeds paid in respect of the Pledged Equity, the Pledged Notes and all other Investment Property that constitutes Collateral, to the extent permitted in the Senior Credit Agreement, and to exercise all voting and other rights and any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Pledged Equity, Pledged Notes and Investment Property (including the right to exchange at its discretion any and all of the Investment Property upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other structure of any Issuer, or upon the exercise by such Grantor of any right, privilege or option pertaining to such Pledged Equity, Pledged Notes or Investment Property, and in connection therewith, the right to deposit and deliver any and all of such Pledged Equity, Pledged Notes and Investment Property with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as such Grantor may determine); provided, that no vote shall be cast or other right exercised or action taken which would be inconsistent with or result in any violation of any provision of the Senior Credit Agreement or this Agreement.

(b) If an Event of Default shall occur and be continuing, upon notice to the relevant Grantor, subject to the Intercreditor Agreement, Lender shall have the right to (i) receive any and all cash dividends and distributions, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Secured Obligations in accordance with Section 6.5, (ii) register any or all of the Investment Property in the name of Lender or its nominee, (iii) exercise, or permit its nominee to exercise, all voting and other rights pertaining to such Investment Property, and (iv) exercise, or permit its nominee to exercise, any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Investment Property as if it were the absolute owner thereof (including the right to exchange at its discretion any and all of the Investment Property upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate or other structure of any Issuer, or upon the exercise by any Grantor or Lender of any right, privilege or option pertaining to such Investment Property, and in connection therewith, the right to deposit and deliver any and all of the Investment Property with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as Lender may determine), all without liability except to account for property actually received by it, but Lender shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Investment Property pledged by such Grantor hereunder to (i) comply with any instruction received by it from Lender in

writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement and the Loan Documents, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends, distributions or other payments with respect to the Investment Property directly to Lender.

6.4. Proceeds to be Turned Over To Lender. In addition to the rights of Lender specified in Section 6.1 with respect to payments of Receivables, if an Event of Default shall occur and be continuing, all such Proceeds of Collateral received by or on behalf of any Grantor consisting of cash, checks and other cash equivalent items shall be held by such Grantor in trust for Lender, segregated from other funds of such Grantor, and shall, at the written request of Lender and subject to the Intercreditor Agreement, forthwith upon receipt by such Grantor, be turned over to Lender in the exact form received by such Grantor (duly indorsed (but without any representation or warranty) by such Grantor to Lender, if required). All Proceeds received by Lender hereunder shall be applied to the Secured Obligations as provided in Section 6.5.

6.5. Application of Proceeds. If an Event of Default shall have occurred and be continuing, Lender shall apply all or any part of Proceeds held in any collateral account established pursuant hereto or otherwise received by Lender to the payment of the Secured Obligations.

6.6. Code and Other Remedies. If an Event of Default shall occur and be continuing, Lender, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the Code, or any other applicable foreign or domestic law. Without limiting the generality of the foregoing, if an Event of Default shall occur or be continuing, Lender, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, assign, give options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of Lender or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery with assumption of any credit risk. Lender may disclaim any warranties that might arise in connection with any such lease, assignment, grant of option or other disposition of Collateral and have no obligation to provide any warranties at such time. Lender shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Such sales may be adjourned and continued from time to time with or without notice. Lender shall have the right to conduct such sales on any Grantor's premises or elsewhere and shall have the right to use any Grantor's premises without charge for such time or times as Lender deems necessary or advisable. Each Grantor further agrees after an Event of Default has occurred and is continuing, at Lender's request, to assemble the Collateral and make it available to Lender at places which Lender shall reasonably select, whether at such Grantor's premises or elsewhere. Lender shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of Lender hereunder, including reasonable attorneys' fees and disbursements, to the payment of the Secured Obligations. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against Lender arising out of the exercise by them of any rights hereunder, except to the extent such claims, damages or demands arise from the gross negligence,

willful misconduct or bad faith of the Lender. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper so long as (a) it is given at least 15 days before such sale or other disposition, and (b) contains such information as may be prescribed by applicable law.

6.7. Pledged Equity. Each Grantor recognizes that Lender may be unable to effect a public sale of any or all the Pledged Equity, by reason of certain prohibitions contained in the Securities Act and other applicable securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers which will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. Lender shall be under no obligation to delay a sale of any of the Pledged Equity for the period of time necessary to permit the Issuer thereof to register such securities or other interests for public sale under the Securities Act, or other applicable state securities laws, even if such Issuer would agree to do so.

6.8. Deficiency. Each Grantor shall remain liable for any deficiency if the proceeds of any sale or other disposition of the Collateral are insufficient for the Secured Obligations to be Paid in Full and the fees and disbursements of any attorneys employed by Lender to collect such deficiency.

6.9. Permitted Licenses. Lender covenants and agrees that in connection with any foreclosure or other exercises of Lender's rights with respect to Permitted Licenses, Lender shall not terminate, limit or otherwise adversely affect the rights of licensees or sublicensees under such Permitted Licenses, so long as such licensee or sublicensee is not then otherwise in default, under the applicable Permitted License in a way that would permit the applicable licensor to terminate such Permitted License.

7. Agent.

7.1. Lender's Appointment as Attorney-in-Fact, etc.

(a) Each Grantor hereby irrevocably constitutes and appoints Lender and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact and proxy with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of strictly carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives Lender the power and right, on behalf of and at the expense of such Grantor, without notice to or assent by such Grantor, to do any or all of the following to the extent otherwise expressly permitted by the terms of this Agreement and the Loan Documents (including the satisfaction of any requirement to give notice to such Grantor prior to doing any of the following):

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse (but without any representation or warranty) and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise reasonably deemed appropriate by Lender for the purpose of collecting any and all such moneys due under any Receivable or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Lender may reasonably request to evidence Lender's security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) discharge Liens levied or placed on or threatened against the Collateral, and effect any repairs or insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7, any indorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to Lender or as Lender shall direct; (B) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) sign and indorse (but without any representation or warranty) any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (E) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (F) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as Lender may deem appropriate; (G) assign any Copyright, Patent or Trademark, throughout the world for such term or terms, on such conditions, and in such manner, as Lender shall in its sole discretion determine; (H) vote any right or interest with respect to any Investment Property; (I) order good standing certificates and conduct lien searches in respect of such jurisdictions or offices as Lender may deem appropriate; and (J) generally sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Lender were the absolute owner thereof for all purposes, and do, at Lender's option and such Grantor's expense, at any time, or from time to time, all acts and things which Lender deems necessary to protect, preserve or realize upon the Collateral and Lender's security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

(b) THE POWER-OF-ATTORNEY AND PROXY GRANTED HEREBY IS COUPLED WITH AN INTEREST AND SHALL BE IRREVOCABLE TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW. SUCH PROXY SHALL BE EFFECTIVE AUTOMATICALLY AND WITHOUT THE NECESSITY OF ANY ACTION (INCLUDING ANY TRANSFER OF ANY INVESTMENT PROPERTY ON THE RECORD BOOKS OF THE ISSUER THEREOF) BY ANY PERSON (INCLUDING THE ISSUER OF THE INVESTMENT PROPERTY OR ANY OFFICER OR LENDER THEREOF). Each Grantor acknowledges and agrees that in any event such power-of-attorney and proxy is intended to and shall, to the fullest extent permitted by applicable law, be valid and irrevocable until (x) the Secured Obligations have been Paid in Full and (y) Lender has no further obligations under the Loan Documents. Such power-of-attorney and proxy shall be valid and irrevocable as provided herein notwithstanding any limitations to the contrary set forth in the charter, bylaws or other organizational documents of the relevant entities.

(c) Upon exercise of the proxy set forth herein, all prior proxies given by any Grantor with respect to any of the Investment Property (other than to Lender or otherwise pursuant to the Loan

Documents) are hereby revoked, and until the Secured Obligations are Paid in Full no subsequent proxies (other than to Lender or otherwise under the Loan Documents) will be given with respect to any of the Investment Property. To the extent permitted by this Agreement, Lender, as proxy, will be empowered and may exercise the irrevocable proxy to vote the Investment Property at any and all times, including but not limited to, at any meeting of shareholders, partners or members, as the case may be, however called, and at any adjournment thereof, or in any action by written consent, and may waive any notice otherwise required in connection therewith. To the fullest extent permitted by applicable law, Lender shall have no agency, fiduciary or other implied duties to any Grantor or any other party when acting in its capacity as such attorney-in-fact or proxy. Each Grantor hereby waives and releases any claims that it may otherwise have against Lender with respect to any breach or alleged breach of any such agency, fiduciary or other duty, other than claims resulting from the gross negligence, bad faith or willful misconduct of Lender. Notwithstanding the foregoing grant of a power of attorney and proxy, Lender shall have no duty to exercise any such right or to preserve the same and shall not be liable for any failure to do so or for any delay in doing so.

(d) Anything in Section 7.1(a) to the contrary notwithstanding, Lender agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(e) If any Grantor fails to perform or comply with any of its agreements contained herein, Lender, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement at such Grantor's sole cost and expense.

(f) Each Grantor hereby ratifies all that such attorneys shall be authorized hereunder to lawfully do or cause to be done by virtue hereof. All powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2. Duty of Agent. Lender's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession shall be to deal with it in the same manner as Lender deals with similar property for its own account. Lender nor any of its respective officers, directors, employees or agents shall not be (i) liable for any failure to demand, collect or realize upon any of the Collateral or for any delay in doing so (except to the extent Lender or such officers, directors, employees or agents acted with gross negligence, bad faith or in willful misconduct as determined by a court of competent jurisdiction) or (ii) under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on Lender hereunder are solely to protect Lender's interests in the Collateral and shall not impose any duty upon Lender to exercise any such powers. Lender shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither Lender nor any of its officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except to the extent Lender (or such officer, director, employee or agent) acted with gross negligence, bad faith or in willful misconduct as determined by a court of competent jurisdiction.

8.2. Notices. All notices, requests and demands to or upon Lender or any Grantor hereunder shall be in writing (including via electronic mail) and shall be sent to the applicable party at its address on Schedule 1 or at such other address as such party may, by written notice received by the other parties, have designated as its address for such purpose. Notices sent by electronic mail transmission shall be deemed to have been given when sent if sent during regular business hours on a Business Day, otherwise, such deemed delivery will be effective as of the next Business Day; notices sent by mail shall be deemed to have been given five (5) Business Days after the date when sent by registered or certified mail, first class postage prepaid; and notices sent by hand delivery or overnight courier service shall be deemed to have been given when received. Each Grantor hereby agrees, on a joint and several basis, to indemnify, exonerate and hold Lender and each of the officers, directors, employees, Affiliates and agents of Lender (each a "Lender Party" and collectively, the "Lender Parties") free and harmless from and against any and all actions, causes of action, suits, losses, liabilities, damages and expenses, including Legal Costs, but expressly excluding any consequential, special or lost profits damages (collectively, the "Indemnified Liabilities"), incurred by Lender Parties or any of them as a result of, or arising out of, or relating to any act or omission by Borrowers or Grantors or any of their officer, directors, agents, including without limitation (a) any tender offer, merger, purchase of equity interests, purchase of assets or other similar transaction financed or proposed to be financed in whole or in part, directly or indirectly, with the proceeds of any of the Loans, (b) the use, handling, release, emission, discharge, transportation, storage, treatment or disposal of any hazardous substance at any property owned or leased by any Borrower, Grantor or any Subsidiary, (c) any violation of any Environmental Laws with respect to conditions at any property owned or leased by any Borrower, Grantor or any Subsidiary or the operations conducted thereon, (d) the investigation, cleanup or remediation of offsite locations at which any Borrower, Grantor or any Subsidiary or their respective predecessors are alleged to have directly or indirectly disposed of hazardous substances, or (e) the execution, delivery, performance or enforcement of this Agreement or any other Loan Document by any Lender Party, except to the extent any such Indemnified Liabilities result from the applicable Lender Party's own gross negligence, bad faith or willful misconduct as determined by a court of competent jurisdiction. If and to the extent that the foregoing undertaking may be unenforceable for any reason, each Grantor hereby agrees to make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The agreements in this Section 8.3 shall survive repayment of the Secured Obligations, any foreclosure under, or any modification, release or discharge of, any or all of the Collateral Documents and termination of this Agreement.

8.6. Nature of Remedies. All Secured Obligations of each Grantor and rights of Lender expressed herein or in any other Loan Document shall be in addition to and not in limitation of those provided by applicable law. No failure to exercise and no delay in exercising, on the part of Lender, any right, remedy, power or privilege hereunder, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

8.7. Counterparts. This Agreement and the other Loan Documents to the extent signed and delivered by means of a facsimile machine or other electronic transmission (including ".pdf"), shall be treated in all manner and respects and for all purposes as an original agreement or amendment and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto or to any such other Loan Document shall raise the use of a facsimile machine or other electronic transmission to deliver a signature or the fact that any signature or agreement or amendment was transmitted or communicated through the use of a facsimile machine or other electronic transmission as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

8.8. Severability. The illegality or unenforceability of any provision of this Agreement or any instrument or agreement required hereunder shall not in any way affect or impair the legality or enforceability of the remaining provisions of this Agreement or any instrument or agreement required hereunder.
