ASSIGNMENT OF TRADEMARK RIGHTS

THIS ASSIGNMENT OF TRADEMARK RIGHTS (the "Agreement") is made effective as of the date of the last signature below (the "Effective Date") by and between MR Holdings (HK) Limited, a Hong Kong limited company ("Assignor"), and MR Global (HK) Limited, a Hong Kong limited company ("Assignee").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its entire right, title, and interest in and to the trademarks in Schedule A attached hereto in the United States (the "Trademarks"), including (a) the United States applications and registrations for the Trademarks in Schedule B attached hereto (the "Applications and Registrations"), (b) all related common law rights in and to the Trademarks and the goodwill pertaining thereto in the United States, and (c) all claims, demands and causes of action for the past, present, and future infringement of any or all of the Trademarks or for unfair competition in business in connection therewith in the United States, the same to be held and enjoyed by Assignee, its successors, assigns or other legal representatives as fully and entirely as the same would or could have been held and enjoyed by Assignor had this Assignment not been made. Notwithstanding the foregoing, the assignment of each intent-to-use application in the Applications and Registrations (each, an "Intent-To-Use Application") will only be effective upon the U.S. Patent and Trademark Office's acceptance of the Statements of Use or Allegations of Use for each Intent-To-Use Application.

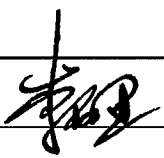

Assignor will, without additional consideration, take such further actions and execute promptly such further documents as are necessary or desirable to transfer, vest, record and

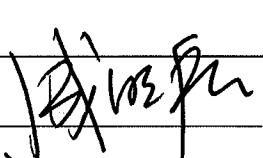

perfect good, valid and marketable title to the Trademarks, including the Applications and Registrations, in Assignee. Assignor hereby authorizes Assignee to immediately request that the U.S. Patent and Trademark Office record Assignee as the owner of the Trademarks and the Applications and Registrations (except each Intent-To-Use Application), and each Intent-To-Use Application once the Statements of Use for each Intent-To-Use Application has been accepted by the U.S. Patent and Trademark Office.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their duly authorized officers as of the Effective Date.
