THIS GRANT is made to secure the satisfactory performance and payment of all the Secured Obligations of the Grantor, as such term is defined in the Security Agreement by, among others, the Grantor and the Grantee, dated as of the date hereof (as amended, restated, supplemented or otherwise modified and in effect from time to time, the "Security Agreement"). The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference.
