NUNC PRO TUNC TRADEMARK ASSIGNMENT

This *nunc pro tunc* Trademark Assignment ("Trademark Assignment") is effective as of October 16, 2015 (the "Effective Date").

WHEREAS, on or about October 16, 2015, the members and owners of Mana Labs LLC, a California limited liability company, with a principal business address as set forth below (the "Assignor"), entered into a merger transaction by which they contributed all membership and ownership rights of Assignor to, in exchange for stock of, MetaCan, Inc., a Nevada Corporation, with a principal business address as set forth below ("the Assignee"), and in connection therewith Assignor agreed to assign to Assignee all right, title and interest in and to all of the Assignor's trademarks, registered trademarks, and applications for registration, including but not limited to METACAN, U.S. Serial No. 86547553, META, U.S. Serial No. 86497975, and XN, U.S. Serial No. 86532154, and all common law rights associated therewith, together with the goodwill arising from use of and symbolized by said trademarks (the "Trademarks") in all countries of the world, along with the then existing and ongoing business of Assignor, or portion thereof, to which the Trademarks pertain;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Assignor hereby assigns, transfers, sells, conveys and delivers to the Assignee and its successors, and assigns all right, title and interest in and to the Trademarks, including, without limitation, the goodwill of the business appurtenant thereto and which is symbolized thereby, and the existing and ongoing business, or portion thereof, to which the Trademarks pertain, including the right to license the trademark to others and the right to renew any registration for the Trademarks, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors and assignees, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor authorizes Assignee to record and/or file this Trademark Assignment in the United States Patent and Trademark office and with any other government agency where it may be required.

This Trademark Assignment shall be governed by and construed in accordance with the laws of the United States of America and the state of California, without regard to conflict of law principles.
