TRADEMARK ASSIGNMENT

WHEREAS, Novozymes A/S a company organized under the laws of Denmark, having a place of business at Krogshøjvej 36, DK-2880 Bagsvaerd, Denmark ("Assignor"), has adopted and used and is using, and is the owner of the registrations of and pending applications for the trademarks identified on Exhibit A attached hereto ("Trademarks"); and

WHEREAS, Novus International, Inc., a corporation organized and existing under the laws of the State of Delaware, having a place of business at 20 Research Park Drive, St. Charles, Missouri 63304 (the "Assignee"), is desirous of acquiring the Trademarks in their entirety;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, said Assignor does hereby assign, sell and transfer unto said Assignee all right, title and interest in and to the Trademarks throughout the world, together with (a) the registrations of and pending applications for the Trademarks, (b) the goodwill of the business symbolized by and associated with the Trademarks and the registrations thereof, and (c) the right to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with, any and all past, present or future infringements or dilution of or damage or injury to the Trademarks or the registrations thereof or such associated goodwill.

IN WITNESS WHEREOF, authorized representatives of Assignor and Assignee have executed this assignment on the dates inserted below.
