## ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment") is made as of this 4th day of August, 2016 by Hancock Fabrics, Inc., a Delaware corporation, Hancock Fabrics, LLC, a Delaware limited liability company, Hancock Fabrics of MI, Inc., a Delaware corporation, hancockfabrics.com, Inc., a Delaware corporation, HF Enterprises, Inc., a Delaware corporation, HF Merchandising, Inc., a Delaware corporation, and HF Resources, Inc., a Delaware corporation (collectively, "Assignor"), to ADMACO, INC. ("Assignee").

### WITNESSETH:

WHEREAS, Assignee and Assignor have entered into that certain Asset Purchase Agreement, dated as of July 18, 2016 (the "Purchase Agreement"), by and among Assignor, on the one hand, and Assignee, on the other hand, pursuant to which Assignor has agreed, among other things, to sell, convey, transfer, assign and deliver to Assignee all right, title and interest in and to the Acquired Assets, including, without limitation, those trademarks set forth in Schedule I attached hereto (the "Assigned Trademarks"), and Assignee has agreed, among other things, to acquire the Acquired Assets, in each case upon the terms and subject to the conditions set forth therein; and

WHEREAS, capitalized terms used, but not defined, herein shall have the respective meanings assigned to them in the Purchase Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor:

1. Assignor does hereby irrevocably and exclusively does hereby sell, convey, transfer, assign and deliver to Assignee and Assignee's successors, assigns and other legal representatives, all right, title and interest worldwide, including all common law rights, in and to the Assigned Trademarks, together with the goodwill of any business symbolized by the Assigned Trademarks, and the right to bring any action at law or in equity for the infringement of such Trademarks occurring prior to the date hereof, including the right to receive all proceeds and damages therefrom.

2. At the reasonable request of Assignee, Assignor agrees to cooperate in a reasonable manner with Assignee with respect to the documentation, transfer, recording and registration of title, and perfection of the intellectual property rights assigned to Assignee pursuant to this Assignment and the Purchase Agreement. Without limiting the generality of the foregoing, Assignor agrees at Assignee's reasonable request and at Assignee's sole expense to execute such further documents and instruments and to do such further reasonable acts as may be necessary or desirable to document, transfer, perfect or register any of Assignee's rights or interests hereunder, in whole or in part. Solely for the purposes of this Assignment with regard to the Assigned Trademarks, Assignor hereby constitutes and appoints Assignee as Assignor's true and lawful attorney in fact, with full power of substitution in Assignor's name and stead, to take any and all steps, including proceedings at law, in equity or otherwise, to execute, acknowledge, deliver, record and file any and all instruments and assurances necessary or expedient in order to vest or perfect the aforesaid rights and causes of action more effectively in

Assignee or to protect the same or to enforce any claim or right of any kind with respect thereto. Assignor hereby declares that the foregoing power is coupled with an interest and as such is irrevocable.

3. Assignee and Assignor hereby acknowledge and agree that the provisions of this Assignment shall not limit the full force and effect of the terms and provisions of the Purchase Agreement, and that in the event of a conflict between the terms and provisions of this Assignment and the terms and provisions of the Purchase Agreement, the terms and provisions of the Purchase Agreement shall prevail, govern and control in all respects without limitation.

4. This Assignment may not be amended, modified or supplemented except by (a) an instrument in writing signed by, or on behalf of, the parties hereto or (b) a waiver or extension. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition, of this Assignment. The failure of any party to assert any of its rights hereunder shall not constitute a waiver of any of such rights.

5. The parties have participated jointly in the negotiation and drafting of this Assignment. In the event an ambiguity or question of intent or interpretation arises, this Assignment shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Assignment.

6. If any term or other provision of this Assignment is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Assignment shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

7. This Assignment shall be binding on and shall inure to the benefit of, the parties hereto and their respective successors and assigns.

8. IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS ASSIGNMENT AND THE OBLIGATIONS OF EACH PARTY ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF DELAWARE APPLICABLE TO CONTRACTS EXECUTED IN AND TO BE PERFORMED ENTIRELY WITHIN SUCH STATE, WITHOUT REGARD TO THE PRINCIPLES THEREOF REGARDING CONFLICT OF LAWS.

*[Signature page follows]*

IN WITNESS WHEREOF, Assignor has caused this Assignment to be executed as of the date first written above by an officer thereof duly authorized.
