**Trademark Security Agreement**

**Trademark Security Agreement**, dated as of October 30, 2015, made by the entities listed on the signature pages hereof (each individually, a “Pledgor”, and, collectively, the “Pledgors”), in favor of MORGAN STANLEY SENIOR FUNDING, INC., in its capacity as administrative agent pursuant to the Credit Agreement (as defined below) (in such capacity, the “Agent”).

WITNESSETH:

WHEREAS, the Pledgors are party to a Security Agreement dated as of October 30, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Senior Secured Term Loan Credit Agreement, dated as of October 30, 2015 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among XPO Logistics, Inc., a Delaware corporation (“Borrower”), the other credit parties signatory thereto, the Agent and the lenders from time to time party thereto, the Pledgors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Obligations, each Pledgor hereby pledges and grants to the Agent for the benefit of the Secured Parties a Lien on all of the right, title and interest of such Pledgor in, to and under the following Collateral, wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, and, in each case, excluding any Excluded Property, the “Trademark Collateral”):

(a) (A) all trademarks, trade names, domain names, corporate names, business names, trade dress, service marks, logos, other source or business identifiers, all Registrations and recordings thereof; and all applications in connection therewith, including Registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state or territory thereof, or any other country or any political subdivision thereof, including those set forth on Schedule T to this Agreement; (B) all renewals thereof; and (C) all Goodwill associated with any of the foregoing, together with any and all (i) rights and privileges arising under applicable law with respect to such Pledgor's ownership or use of any trademarks, (iii) income, fees, royalties, damages and payments now and hereafter due and/or payable to Pledgor thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements thereof, (iv) rights corresponding thereto throughout the world and (v) rights to sue for past, present and future infringement thereof.

(b) all Goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to be inconsistent with or in conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of any executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN ANY SUCH OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. Intercreditor Agreements. Notwithstanding anything to the contrary in this Trademark Security Agreement or in any other Loan Document: (a) the Liens granted to Agent for the benefit of the Secured Parties pursuant to the Loan Documents (including this Trademark Security Agreement) and the exercise of any right related to any U.S. Collateral shall be subject, in each case, to the terms of the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement contemplated from time to time pursuant to the Credit Agreement and (b) in the event of any conflict between the express terms and provisions of this Trademark Security Agreement or any other Loan Document, on the one hand, and of the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement, on the other hand, the terms and provisions of the ABL Intercreditor Agreement or any other applicable Intercreditor Agreement shall control.
