(d) Such Grantor will advise Secured Party promptly, in reasonable detail, at its address set forth in the Loan Agreement, of the occurrence of any other event which

(ii) Such Grantor will not, except with respect to any Patent that such Grantor shall reasonably determine is of immaterial economic value to such Grantor or is not material to such Grantor's business, do any act, without the prior written consent of Secured Party, that would result in the abandonment of any pending Patent application or Patent constituting Collateral in either case if such abandonment would have a material adverse effect on the business of such Grantor.

(iii) Such Grantor will promptly notify Secured Party if it knows, or has reason to know of any adverse determination or material development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark office or any court or tribunal in any country) regarding such Grantor's ownership of any granted Patent, registered Trademark or registered Copyright (or any application for any of the foregoing) that constitutes Collateral and is material to Grantor's business, or its right to register the same or to keep and maintain the same.

(iv) Whenever such Grantor, either by itself or through any agent, employee, licensee or designee, shall file an application for any Patent or for the registration of any Trademark or Copyright with the United States Patent and Trademark Office, the United States Copyright Office, or any similar office or agency in any other country or any political subdivision thereof, such Grantor shall report such filing to Secured Party within forty-five (45) business days after the last day of the fiscal quarter in which such filing occurs, which report may be delivered as part of any Compliance and Excess Cash Flow Certificate delivered pursuant to the Loan Agreement. Upon request of Secured Party, such Grantor

shall execute and deliver any and all reasonably necessary agreements, instruments, documents, and papers as Secured Party may request to evidence Secured Party's security interest in any newly filed Patent, Copyright or Trademark and the goodwill and general intangibles of such Grantor relating thereto or represented thereby, and such Grantor hereby appoints Secured Party as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power being coupled with an interest is irrevocable until the Obligations (other than contingent obligations for which no claim has been made) are paid in full and no Additional Term Loan Commitment remains outstanding; provided, that, upon payment in full of the Obligations (other than contingent obligations for which no claims has been made) and the termination of all Lenders' Additional Term Loan Commitments, such appointment of Secured Party as attorney-in-fact shall automatically terminate.

(v) Such Grantor, except with respect to any Patent, Trademark or Copyright such Grantor shall reasonably determine is of immaterial economic value to such Grantor or is not material to such Grantor's business, will take commercially reasonable steps, including, without limitation, in any proceedings before any tribunal, office or agency in any other country or any political subdivision thereof, to maintain and pursue each application (and to obtain the relevant registration or Patent) and to maintain each Patent and each registration of Trademarks and Copyrights, including, without limitation, filing of applications, applications for reissue, renewal or extensions, the payment of maintenance fees, participation in reexamination, opposition and infringement proceedings, and the filing of renewal applications, affidavits of use and affidavits of incontestability, in each case when appropriate. Any expenses incurred in connection with such activities shall be paid by such Grantor.

(vi) In the event such Grantor knows or has reason to know that any Patent, Trademark or Copyright that is material to such Grantor's business and constitutes Collateral is infringed, misappropriated or diluted by a third party, such Grantor shall promptly notify Secured Party after it learns thereof and shall, unless such Grantor shall reasonably determine in its good faith business judgment to do otherwise, which determination such Grantor shall promptly report to Secured Party, promptly sue for infringement, misappropriation or dilution, or take such other actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Collateral.

Any such Intellectual Property shall automatically become part of the Collateral.

(f) Such Grantor agrees that it will cause each of its Subsidiaries (other than Excluded Subsidiaries) that is created or acquired after the Closing Date, within five (5) days of such Subsidiary's creation or acquisition by such Grantor, to execute and deliver a Joinder Agreement, agreeing to become a Grantor under this Agreement, together with supplements to the Schedules hereto setting forth all relevant information with respect to such party as of the date of such delivery. Upon execution of such Joinder Agreement by each such Subsidiary, such Subsidiary shall become a Grantor for all purposes of this Agreement, will become a party to, and will be bound by all the terms of, this Agreement.

(g) At any time after the date of this Agreement, one or more additional Persons may become parties hereto by executing and delivering to Secured Party a Joinder Agreement (as provided in *clause (f)* above) or a counterpart of this Agreement, together with supplements to the Schedules hereto setting forth all relevant information with respect to such party as of the date of such delivery. Immediately upon such execution and delivery (and without any further action), each such additional Person will become a party to, and will be bound by all the terms of, this Agreement.

5. Secured Party's Appointment as Attorney-in-Fact.

(a) Each Grantor hereby irrevocably constitutes and appoints Secured Party and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact (provided, that, such power of attorney shall automatically terminate upon payment in full of the Obligations (other than contingent obligations for which no claim has been made)) and termination of the Lenders' Additional Term Loan Commitments with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, from time to time after the occurrence, and during the continuation of, a Default in Secured Party's discretion, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, such Grantor hereby grants Secured Party the power and right, on behalf of such Grantor without notice to or assent by such Grantor, to do the following:

(i) at any time when any Default shall have occurred and is continuing, in the name of such Grantor or its own name, or otherwise, to take possession of and endorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under, or with respect to, any Collateral and to file any claim or to take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by Secured Party for the purpose of collecting any and all such moneys due with respect to such Collateral whenever payable;

(ii) to pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, to effect any repairs or any insurance called for by the terms of this Agreement and to pay all or part of the premiums therefor and the costs thereof; and

(b) Each Grantor also authorizes Secured Party, at any time and from time to time, to execute, in connection with the sale provided for in Section 8 hereof, any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral.

(c) The powers conferred on Secured Party hereunder are solely to protect the interests of Secured Party in the Collateral and shall not impose any duty upon Secured Party to exercise any such powers. Secured Party shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its partners, officers, directors, employees or agents shall be responsible to the Grantors for any act or failure to act hereunder, except for their own gross negligence or willful misconduct (**REGARDLESS OF WHETHER CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE OF ANY OF THE INDEMNIFIED PARTIES**) or failure to comply with mandatory provisions of applicable law.

6. Performance by Secured Party of Grantors' Obligations. If any Grantor fails to perform or comply with any of its agreements contained herein and if Secured Party, as

provided for by the terms of this Agreement, shall itself perform or comply, or otherwise cause performance or compliance, with such agreement, then the expenses of Secured Party incurred in connection with such performance or compliance, together with interest thereon at the interest rate provided for in the Loan Agreement, shall be payable by Grantors to Secured Party on demand and shall constitute Obligations secured hereby.

8. **Remedies Upon Default.** Upon the occurrence and during the continuance of a Default, Secured Party may pursue any or all of the following remedies, without any notice to any Grantor except as required below:

(a) Secured Party may give written notice of default to any Grantor, following which no Grantor shall dispose of, conceal, transfer, sell or encumber any of the Collateral (including, but not limited to, cash proceeds) without Secured Party's prior written consent, even if such disposition is otherwise permitted hereunder or under any other Loan Document in the ordinary course of business. Any such disposition, concealment, transfer or sale after the giving of such notice shall constitute a wrongful conversion of the Collateral. Secured Party may obtain a temporary restraining order or other equitable relief to enforce any Grantor's obligation to refrain from so impairing Secured Party's Collateral.

(b) Secured Party may take possession of any or all of the Collateral. Each Grantor hereby consents to Secured Party's entry into any of such Grantor's premises to repossess Collateral, and specifically consents to Secured Party's forcible entry thereto as long as Secured Party causes no significant damage to the premises in the process of entry and provided that Secured Party accomplishes such entry without a breach of the peace and subject to any applicable rights of third parties or requirements of applicable law.

9. Limitation on Duties Regarding Preservation of Collateral. Secured Party's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the UCC or otherwise, shall be to deal with it in the same manner as Secured Party would deal with similar property for its own account. Neither Secured Party nor any of its partners, directors, officers, employees or agents shall be liable for failure to demand, collect or realize upon all or any part of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or otherwise.

10. Powers Coupled with an Interest. All authorizations and agencies herein contained with respect to the Collateral are irrevocable and powers coupled with an interest.

11. Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

12. Section Headings. The section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

13. No Waiver: Cumulative Remedies. Secured Party shall not by any act (except by a written instrument pursuant to Section 14 hereof), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any default or Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege.
