- (ii.) All patents, applications, and registrations identified in the Notices of Attorney's Lien recorded with the U.S. Patent and Trademark Office at reel/frame nos. 038333/0575 and 5794/0746.
- (iii.) Any other U.S. or non-U.S. applications, patents, or registrations for which Releasor has obtained a lien or any other type of security interest, or any other right, and which applications, patents, or registrations were previously assigned to ClearPlex Corporation, having a place of business at 9466 South 670 West, Sandy, Utah 84070.
- (iv.) All applications, patents, or registrations of every country that do or will directly or indirectly claim priority to or from the above identified applications, patents, or registrations, including provisional patent applications, provisional-to-non-provisional patent application conversions, divisionals, reissues, continuations and expansions thereof, and all rights of priority resulting from said applications, patents, or registrations. The applications, patents, and registrations set forth in sections (i), (ii), and (iii) are collectively referred to herein as the "IP."

This Release does not waive or release any liens or any other rights or interests Releasor obtains in the IP subsequent to the Releasor's execution of this Release. Releasor agrees to execute in connection with said IP all papers reasonably required to evidence Releasor's waiver and release of any liens and any other right or interest that Releasor might have in the IP.
