## RELEASE OF INTELLECTUAL PROPERTY SECURITY INTEREST

This Release of Intellectual Property Security Interest (the "**Release**") is made and effective as of November 30, 2016 and granted by Balance Point Capital Partners, L.P., a Delaware limited partnership (the "**Secured Party**"), in favor of Halo Innovations, Inc., a Minnesota corporation (the "**Grantor**").

WHEREAS, pursuant to that certain Subordinated Credit and Security Agreement dated as of June 9, 2014 (the "**Credit and Security Agreement**") the Grantor executed and delivered to the Secured Party that certain Grant of Security Interest In Trademarks and Patents by and between the Grantor and the Secured Party dated as of June 9, 2014 (the "**IP Security Agreement**") and, together with the Credit and Security Agreement, the "**Agreements**");

WHEREAS, pursuant to the Agreements, the Grantor pledged and granted to the Secured Party a security interest in and to all of the right, title and interest of such Grantor in, to and under the IP Collateral (as defined below);

WHEREAS, the IP Security Agreement was recorded with the United States Patent and Trademark Office at Reel/Frame 5314/0648 on July 2, 2014 and Reel/Frame 033265/0958 on July 2, 2014, and with the Canadian Intellectual Property Office on July 15, 2014; and

WHEREAS, the Grantor has requested that the Secured Party enter into this Release in order to effectuate, evidence and record the release and reassignment to the Grantor of any and all right, title and interest the Secured Party may have in the IP Collateral pursuant to the IP Security Agreement.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Secured Party hereby states as follows:

1. Release of Security Interest. The Secured Party, on behalf of itself and its successors, legal representatives and assigns, hereby terminates the IP Security Agreement and terminates, releases and discharges any and all security interests that it has pursuant to the IP Security Agreement in any and all right, title and interest of the Grantor, and reassigns to the Grantor any and all right, title and interest that it may have, in, to and under the following (collectively, the "**IP Collateral**");

(a) any and all patents, patent applications and other patent rights and any other governmental authority-issued indicia of invention ownership, including the patents and patent applications listed in Schedule 1 hereto, together with any patents that may issue from these patents, as well as all reissues, divisions, continuations, continuations-in-part, renewals, extensions and reexaminations thereof and amendments thereto;

(b) any and all trademarks, service marks, trade names, brand names, logos, trade dress, design rights and other similar designations of source, whether registered or unregistered, including the trademark registrations, applications, and common law marks set forth in Schedule 2 hereto, together with the goodwill connected with the use thereof and symbolized thereby and all extensions and renewals thereof;

(c) all rights of any kind whatsoever of such Grantor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(d) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(e) any and all claims and causes of action with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Further Assurances. The Secured Party agrees to take, at Grantor's sole cost and expense, all further actions, and provide to the Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, the execution and delivery of any and all further documents or other instruments, as the Grantor and its successors, assigns and legal representatives may reasonably request in order to confirm, effectuate or record this Release.

3. Governing Law. This Release and any claim, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Release and the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the United States and the State of New York, without giving effect to any choice or conflict of law provision or rule (whether of the State of New York or any other jurisdiction).

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Secured Party has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
