INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (as it may be amended, restated, supplemented or otherwise modified from time to time, this “**IP Security Agreement**”) dated as of December 2, 2016 is made by and between HC1 INSIGHT LLC, an Indiana limited liability company (“**Grantor**”), in favor of SCM SPECIALTY FINANCE OPPORTUNITIES FUND, L.P., a Delaware limited partnership (“**Lender**”).

RECITALS:

WHEREAS, pursuant to that certain Credit and Security Agreement dated as of October 16, 2015 (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the “**Credit Agreement**”) by and among Grantor and certain affiliates of Grantor (collectively, “**Borrower**”) and Lender, Lender has agreed to make certain Loans to Borrower.

NOW, THEREFORE, in consideration of the premises and agreements set forth herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Grantor (intending to be legally bound) hereby agrees as follows:

1. Capitalized Terms. All capitalized terms used but not otherwise defined herein shall have the same meanings ascribed thereto in the Credit Agreement.

2. Security Interest in Intellectual Property. To secure the complete satisfaction and payment and performance when due or declared due (whether at the stated maturity, acceleration or otherwise) of all of the Obligations, Grantor hereby confirms the grant in the Credit Agreement to and in favor of Lender a first priority perfected security interest and Lien having priority over all other security interests and Liens (other than Permitted Liens), with power of sale upon the occurrence and during the continuance of an Event of Default, in and to any and all of Grantor’s right, title and interest in and to any and all Intellectual Property now owned and existing and hereafter arising, created or acquired, including, without limitation, as identified on Exhibit A attached hereto and made a part hereof (and all proceeds thereof).

To the extent that the granting of a security interest in a Trademark application filed in the United States Patent and Trademark Office (the “**USPTO**”) on the basis of the applicant’s intent to use such Trademark (pursuant to Section 1(b) of the Lanham Trademark Act (15 U.S.C. 1051(b)) (the “**Lanham Act**”) would render such Trademark (or the application therefor) invalid or unenforceable, then the security interest granted hereunder shall not attach to such Trademark application until such time as (A) an amendment is filed with the USPTO under section 1(c) of the Lanham Act to bring the application into conformity with section 1(a) of the Lanham Act, or (B) a verified statement of use is filed with the USPTO under section 1(d) of the Lanham Act.

3. Representation and Warranty. Grantor hereby represents and warrants to Lender that Exhibit A hereto identifies all Intellectual Property which is registered or for which an application for registration is pending that is owned by Grantor in its own name, other than intent-to-use Trademarks.

4. New Intellectual Property. If, before all Obligations shall have been indefeasibly paid in full in cash, Grantor shall register or apply for registration of Intellectual Property of which Grantor has not previously informed Lender, the provisions of this IP Security Agreement above shall automatically apply thereto and Grantor shall comply (without limitation) with Section 6.8 of the Credit Agreement (and the notice requirement set forth therein). Each Grantor hereby authorizes Lender to unilaterally modify this IP Security Agreement by amending Exhibit A to include any such additional Intellectual Property, and to file or refile this IP Security Agreement with the U.S. Patent and Trademark Office and U.S. Copyright Office, as applicable (at Grantor's sole cost). Upon Lender's reasonable request, Grantor agrees to duly execute and deliver any and all documents and instruments reasonably necessary or advisable to record or preserve Lender's interest in all Intellectual Property added to Exhibit A pursuant to this Section.

5. Effect on Credit Agreement. Grantor acknowledges and agrees that this IP Security Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under and pursuant to the Credit Agreement but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this IP Security Agreement and the Credit Agreement, all rights and remedies allowed by law, in equity, and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in New York. If any provision of this IP Security Agreement is deemed to conflict with the Credit Agreement, the terms of the Credit Agreement shall govern and control.

6. Further Assurances. Grantor agrees to promptly and duly execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Lender shall reasonably request from time to time in order to carry out the purpose of this IP Security Agreement and agreements set forth herein. Grantor acknowledges that a copy of this IP Security Agreement will be filed by the Lender with the USPTO and, if applicable, the United States Copyright Office, at the sole cost and expense of Grantor.

7. Modification. This IP Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 4 hereof or by a writing signed by Grantor and Lender.

8. Cumulative Remedies. All of Lender's rights and remedies with respect to the Intellectual Property, whether established hereby or by the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently.

9. Binding Effect; Benefits. This IP Security Agreement shall be binding upon Grantor and its successors and permitted assigns, and shall inure to the benefit of Lender, its successors, nominees and permitted assigns; provided, however, Grantor shall not assign this IP Security Agreement or any of Grantor's obligations hereunder without the prior written consent of Lender.

10. Governing Law. This IP Security Agreement shall be governed by, enforced and construed in accordance with the internal laws of the State of New York, without

regard to choice of law or conflict of law principles that would require the application of any other laws.

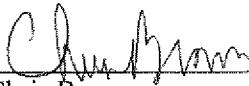

11. Headings; Counterparts. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede. This IP Security Agreement may be signed in one or more counterparts, but all of such counterparts shall constitute and be deemed to be one and the same instrument. A signature hereto sent or delivered by facsimile or other electronic transmission shall be as legally binding and enforceable as a signed original for all purposes.
