**EXHIBIT D**  
**INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT**

THIS INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT (this "IP Assignment") is made and entered into as of September 22, 2016 by and between Edwards Lifesciences LLC, a Delaware limited liability company ("ELLLC"), Edwards Lifesciences Technology Sarl, a company organized and existing under the laws of Switzerland ("ELTS"), and Edwards Lifesciences (U.S.) Inc., a Delaware corporation ("ELUSI," and together with ELLLC and ELTS, "Assignor"), and Centurion Medical Products Corporation, a Michigan corporation ("Assignee"). Capitalized terms used but not otherwise defined herein shall have the meanings given to them in that certain Termination Agreement dated of even date herewith (the "Termination Agreement"), by and between Assignor and Assignee.

Under the terms of the Termination Agreement, Assignor has conveyed, transferred and assigned to Assignee, among other assets, certain intellectual property of Assignor, and has agreed to execute and deliver this IP Assignment, for recording with national, federal and state government or regulatory authorities including, but not limited to, with respect to individual patents, registered trademarks and copyrights, applications for the foregoing and exclusive copyright licenses, the US Patent and Trademark Office and the US Copyright Office.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor agrees as follows:

1. Assignment. Assignor hereby conveys, transfers and assigns to Assignee all of Assignor's right, title and interest in and to the following (the "IP Assets"), which, for the avoidance of doubt, shall include any and all of the Access IP and the Access Product Trademarks as each are defined in that certain Collaboration, License and Supply Agreement dated September 15, 2010 by and between Assignor and Assignee:

(a) the patents and patent applications set forth in Schedule 1 hereto and all issuances, divisions, reissues, extensions, reexaminations and renewals thereof, continuations, continuations-in-part, continuing prosecution applications, priority applications and divisions of such patents, and any patents or patent applications which correspond to or claim priority to any of the foregoing (the "Patents");

(b) the trademark registrations and applications set forth in Schedule 2 hereto, together with the goodwill symbolized thereby and all issuances, extensions and renewals thereof (the "Trademarks");

(c) the copyright registrations, applications for registration and exclusive copyright licenses set forth in Schedule 3 hereto and all issuances, extensions and renewals thereof (the "Copyrights");

(d) all intellectual property rights owned or purported to be owned by a third party and that Assignor has or purports to have the right to use pursuant to the Edwards Third Party Agreements (the "Licensed IP");

(e) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions and otherwise throughout the world;

(f) all rights to apply in any or all countries of the world for patents, certificates of invention, utility models, industrial design protections, design patent protections, trademarks, service marks, copyrights or other governmental grants or statutory invention registrations of any type related to any item in the foregoing clauses (a) through (c);

(g) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(h) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. Assignor authorizes the Commissioner for Patents, the Commissioner for Trademarks and the Register of Copyrights and any other national, federal and state government or regulatory officials to record and register this IP Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including, without limitation, the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence or perfect the assignment of the IP Assets to Assignee or any successor thereto, so long as such steps and actions are in accord with the terms and provisions of the Termination Agreement

3. Prosecution of Applications. Following the date hereof, Assignor shall, with respect to any pending applications (whether currently abandoned or otherwise) included in the IP Assets (the "Applications"), take such steps and actions, and provide such cooperation and assistance as may be reasonably requested by Assignee and its successors, assigns and legal representatives in connection with the continuing prosecution and registration of the Applications.

4. Terms of the Termination Agreement. In the event of any conflict or inconsistency between the terms of the Termination Agreement and the terms hereof, the terms of the Termination Agreement shall govern.

5. Counterparts. This IP Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this IP Assignment delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this IP Assignment.

6. Governing Law. This IP Assignment, and the rights and obligations of the parties hereunder, shall be governed, construed and interpreted in accordance with the laws of the State of Delaware, without regard to any conflicts of law principles thereof.

*Remainder of this page intentionally left blank.*

IN WITNESS WHEREOF, the parties have caused this IP Assignment to be signed by their duly authorized officers as of the first date written above.
