TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is entered into as of February 19, 2016 (this "Agreement"), among Alpha Source Inc., a Wisconsin corporation (together with its successors and assigns, the "Assignor"), and U.S. Bank National Association, as administrative agent (together with its successors and assigns in such capacity, the "Agent"), for the benefit of the Lenders (as defined in the Security Agreement referred to below):

RECITALS:

The Assignor is a party to a Security Agreement, dated as of February 19, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Assignor, the other grantors named therein and the Agent, pursuant to which the Assignor has granted to the Agent, for the benefit of the Lenders, a security interest in substantially all of its assets, whether now owned or existing or hereafter acquired or arising.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby covenants and agrees with the Agent and the Lenders as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Assignment and Grant of Security Interest. As security for the prompt and complete payment and performance when due of all of the Secured Obligations, the Assignor hereby grants to the Agent, for the benefit of the Lenders, a security interest in all right, title and interest of the Assignor in and to the following, whether now existing or hereafter acquired (collectively, the "Trademark Collateral"):

- (i) any U.S. trademark, trade name, corporate name, business name, domain name, trade style, trade dress, service mark, logo, source identifier, business identifier, or design of like nature now held or hereafter acquired by the Assignor, any registration or recording of the foregoing or any thereof, and any application in connection therewith, including, without limitation, any such registration, recording, or application in the United States Patent and Trademark Office or in any similar office or agency of the United States, or any State thereof (including, without limitation, those listed on Schedule A to this Agreement);
- (ii) all extensions and renewals of any of the foregoing;
- (iii) all rights to sue for past, present or future infringements of any of the foregoing;
- (iv) all goodwill of the business of the Assignor connected with and symbolized by any of the foregoing; and
- (v) all proceeds of any and all of the foregoing.

Notwithstanding anything in this Section 2 to the contrary, the term Trademark Collateral shall not include any "intent-to-use" application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing and acceptance of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair

the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

Section 3. Reference to Separate Security Agreement. This Agreement has been entered into by the Assignor and the Agent primarily for recording purposes as contemplated by the Security Agreement. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of the Security Agreement, the terms and provisions of the Security Agreement shall govern.

Section 4. Governing Law. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH, THE INTERNAL LAWS (WITHOUT REGARD TO THE CONFLICT OF LAWS PROVISIONS) OF THE STATE OF NEW YORK, BUT GIVING EFFECT TO FEDERAL LAWS APPLICABLE TO NATIONAL BANKS.

Section 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic mail (PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.
