TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (this "Assignment") is entered into as of October 12, 2016 (the "Effective Date"), by and between Leap Forward Gaming, Inc., a Nevada corporation having its principal place of business at 10589 Double R Boulevard, Reno, Nevada 89521 ("Assignor") and IGT, a Nevada corporation having a place of business at 6355 South Buffalo Drive, Las Vegas, Nevada 89113 ("Assignee" and together with Assignor, each a "Party" and collectively the "Parties").

WHEREAS, Assignor holds ownership rights in and to the trademarks, trademark registrations, trademark registration applications, service marks, service mark registrations and service mark registration applications identified on Schedule A, and the goodwill associated therewith and symbolized thereby ("Assigned Marks");

WHEREAS, pursuant to that certain Asset Purchase Agreement, dated as of June 30, 2016, Assignor has agreed to sell, assign, transfer, convey and deliver to Assignee all of Assignor's right, title and interest in, to and under the Assigned Marks, for the consideration and upon the terms and conditions set forth in the Asset Purchase Agreement; and

WHEREAS, Assignee is desirous of obtaining Assignor's entire right, title and interest in, to and under the Assigned Marks.

NOW THEREFORE, in consideration of the covenants and agreement contained herein and in the Asset Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

1. ASSIGNMENT

- 1.1 Assignor hereby irrevocably sells, assigns, transfers, conveys and delivers to Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in, to and under the Assigned Marks together with the goodwill of the business connected with the use of the Assigned Marks, including, without limitation, Assignor's rights to (a) all income, royalties, and damages hereafter due or payable to Assignor with respect to the Assigned Marks, including without limitation, damages or payments for any all past, current or future infringements, misappropriations or other violations thereof, (b) all rights to sue for past, current and future infringement or misappropriations of the marks (c) apply for, revive and maintain all registrations, renewals and/or extensions thereof, (d) file applications,

revive abandoned applications and registrations, and make claims of priority to the Assigned Marks under the trademark laws of the United States, the International Convention for the Protection of Industrial Property, and any other international agreement or convention or the domestic laws of any county in which such application is filed, and (d) grant licenses or other interests therein; provided that, with respect to any Assigned Marks that have United States intent-to-use trademark applications for which an affidavit of use has not yet been filed, the transfer and assignment of such applications shall not be effective until the expiration of any period during which the assignment thereof would impair, under applicable federal law, the registrability of such applications or the validity or enforceability of registrations issuing from such applications.

1.2 Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States (including any official empowered or authorized by international agreement or convention to issue patents pursuant to such agreement or convention), whose duty it is to issue trademarks on applications as aforesaid, to record Assignee as the owner of the Assigned Marks. Assignee shall have the right to record this Assignment with all applicable governmental authorities and registrars so as to perfect its ownership of the Assigned Marks.

2. GENERAL PROVISIONS

2.1 Assistance. Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents as its agent and attorney in fact, which appointment is coupled with an interest, to act for and in its behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by the Assignor.

2.2 Governing Law. This Assignment and any dispute hereunder shall be governed by and construed in accordance with the domestic laws of the State of Nevada, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Nevada or any other jurisdiction) that would cause the application of laws of any jurisdiction other than those of the State of Nevada.

2.3 Counterparts. This Assignment may be executed in multiple counterparts (including by means of telecopied signature pages), any of which need not contain the signature of more than one Party, but all such counterparts taken together shall constitute one and the same instrument.

(Signature Page Follows)

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their respective duly authorized officers or managers, as of the date first written above.
