INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this “**IP Security Agreement**”) dated as of December 1, 2016, is made by (i) Edge Systems Intermediate Corporation, a Delaware corporation (“**Edge Intermediate**”) and (ii) Edge Systems LLC, a California limited liability company (f/k/a Edge Systems Corporation) (together with Edge Intermediate, individually sometimes referred to herein as a “**Company**” and collectively with Edge Intermediate as the “**Companies**”), in favor of Silver Point Finance, LLC, as administrative agent (in such capacity, the “**Agent**”) for itself and all of the other financial institutions (“**Lenders**”) party to the Credit Agreement identified below.

RECITALS:

WHEREAS, pursuant to that certain Credit Agreement dated as of the date hereof (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the “**Credit Agreement**”) by and among LCP Edge Merger Sub, Inc., a Delaware corporation, as Initial Borrower, the other Borrowers party thereto (including by succession and/or joinder on or after the Closing Date), LCP Edge Intermediate, Inc., Agent, and the financial institutions from time to time party thereto from time to time as Lenders, the Lenders have agreed to make certain Loans to the Borrowers.

NOW, THEREFORE, in consideration of the premises and agreements set forth herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each Company (intending to be legally bound) hereby agrees as follows:

1. Incorporation of Certain Documents. The Credit Agreement and the Guarantee and Collateral Agreement (as defined therein) and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All capitalized terms used but not otherwise defined herein shall have the same meanings herein as in the Credit Agreement; provided, however, that the following terms shall have the meanings given them in the Guarantee and Collateral Agreement: “Copyrights,” “Excluded Property,” “Intellectual Property,” “Patents,” “Secured Obligations,” and “Trademarks.”

2. Security Interest in Intellectual Property. To secure the complete satisfaction and payment and performance when due or declared due of all of the Secured Obligations, each Company hereby grants to and in favor of Agent (for the benefit of Agent and Lenders) a lien on, security interest in, and right of set-off against any and all of each Company’s right, title and interest in and to any and all Intellectual Property now owned and existing and hereafter arising, created or acquired, including, without limitation, the issued and applied for Patents, registered and applied for Trademarks, and registered and applied for Copyrights identified on Exhibit A attached hereto and made a part hereof (and all proceeds thereof). Notwithstanding the foregoing, the grant provided herein shall not extend to, and no security interest, lien, or right of set-off shall attach to, any Trademark applications constituting Excluded Property.

3. Effect on Credit Agreement. Each Company acknowledges and agrees that this IP Security Agreement is not intended to limit or restrict in any way the rights and remedies

of Agent (or, if and as applicable, Lenders) under and pursuant to the Credit Agreement (or the Guarantee and Collateral Agreement identified therein) but rather is intended to facilitate the exercise of such rights and remedies. Agent shall have, in addition to all other rights and remedies given it by the terms of this IP Security Agreement and the Credit Agreement (and the Guarantee and Collateral Agreement), all rights and remedies allowed by law, in equity, and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of New York. If any provision of this IP Security Agreement is deemed to conflict with the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern and control.

4. Further Assurances. Each Company agrees to promptly and duly execute and deliver such further agreements, instruments and documents, and to perform such further acts, as Agent shall reasonably request from time to time in order to carry out the purpose of this IP Security Agreement and agreements set forth herein. Each Company acknowledges that a copy of this IP Security Agreement will be filed by the Agent with the United States Patent and Trademark Office and, if applicable, the United States Copyright Office or Library of Congress, at the sole cost and expense of Companies.

5. Modification. This IP Security Agreement cannot be altered, amended or modified in any way, except by a writing signed by Companies and Agent.

6. Binding Effect; Benefits. This IP Security Agreement shall be binding upon each Company and its respective successors and permitted assigns, and shall inure to the benefit of Agent, its successors, nominees and assigns; provided, however, no Company shall assign this IP Security Agreement or any of such Company's obligations hereunder without the prior written consent of Agent.

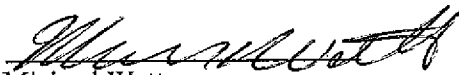

7. Governing Law. This IP Security Agreement shall be governed by, enforced and construed in accordance with the internal laws of the State of New York, without regard to choice of law or conflict of law principles.

8. Headings; Counterparts. Paragraph headings used herein are for convenience only and shall not modify the provisions which they precede. This IP Security Agreement may be signed in one or more counterparts, but all of such counterparts shall constitute and be deemed to be one and the same instrument. A signature hereto sent or delivered by facsimile or other electronic transmission shall be as legally binding and enforceable as a signed original for all purposes.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned have duly executed this Intellectual Property Security Agreement as of the date first written above.

EDGE SYSTEMS INTERMEDIATE CORPORATION, a Delaware corporation

By: 
Name: Michael Watts
Its: Chief Financial Officer

EDGE SYSTEMS LLC, a California limited liability company

By: 
Name: Michael Watts
Its: Chief Financial Officer
