**TRADEMARK SECURITY AGREEMENT**

THIS TRADEMARK SECURITY AGREEMENT (as it may be amended or modified from time to time, the "Agreement"), dated as of December 1, 2016, between GABRIELLE STUDIO, INC., a New York corporation (the "Grantor"), and BARCLAYS BANK PLC, acting in its capacity as Administrative Agent (the "Administrative Agent") for the benefit of itself and the other lenders party to the Credit Agreement referred to below.

WITNESSETH:

WHEREAS pursuant to the terms of that certain Credit Agreement, dated as of the date hereof, (as it may be further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Grantor, the Borrower, the loan guarantors from time to time party thereto (the "Loan Guarantors"; and together with the Borrower, the "Loan Parties"), the lenders from time to time party thereto (the "Lenders"), and the Administrative Agent, the Lenders have agreed to extend credit and make certain financial accommodations to the Loan Parties;

WHEREAS pursuant to that certain Pledge and Security Agreement, dated as of the date hereof, (as it may be further amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Grantor, the other Loan Parties from time to time party thereto and the Administrative Agent, the Grantor has granted to the Administrative Agent a security interest and continuing lien on all of the Grantor's right, title and interest in, to and under all Collateral, including the Trademark Collateral (as defined below), and all Collateral in each case whether now owned or existing or hereafter acquired or arising to secure the prompt and complete payment and performance of all Secured Obligations (as defined in the Credit Agreement) including the Secured Obligations of the Grantor, as Guarantor, under the Credit Agreement;

WHEREAS the parties to the Credit Agreement contemplate and intend that the Administrative Agent shall have all rights of a secured party in and to the Trademark Collateral and any proceeds thereof, including, without limitation, if an Event of Default (as defined in the Credit Agreement) shall occur and be continuing, the right to exercise its remedies under the Credit Agreement and the Security Agreement in connection with all of the Grantor's right, title and interest in such Trademark Collateral; and

WHEREAS pursuant to the Credit Agreement and the Security Agreement, the Grantor is required to execute and deliver this Agreement.

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, the Grantor agrees as follows:

***Section 1. Defined Terms***

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

***Section 2. Grant of Security Interest in Trademarks***

The Grantor hereby pledges, assigns, and grants to the Administrative Agent, on behalf of and for the ratable benefit of the Secured Parties, a security interest in all of its right, title and interest in, to and under the Trademarks, including (a) the Trademarks listed in Schedule A, in each case whether now owned or hereafter acquired, and the goodwill of the business symbolized by the foregoing; (b) all

licenses of the foregoing, whether as licensee or licensor; (c) all renewals of the foregoing; (d) all income, royalties, damages, and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof; (e) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing; and (f) all rights corresponding to any of the foregoing throughout the world (collectively, the "Trademark Collateral"). Notwithstanding the foregoing, the Trademark Collateral does not include any "intent-to-use" trademark or service mark applications filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

***Section 3. Security for Obligations***

This Agreement secures, and the Trademark Collateral is collateral security for, the prompt and complete payment or performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise of all Secured Obligations.

***Section 4. Security Agreement***

The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to the Administrative Agent pursuant to the Security Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any irreconcilable conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

***Section 5. Recordation***

The Grantor hereby authorizes and requests that the Commissioner for Trademarks and any other applicable United States government officer record this Agreement.

***Section 6. Miscellaneous***

This Agreement shall be governed by, and construed in accordance with the laws of the State of New York.

This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.
