- ii. The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

2. Grant of Security Interest. To secure the prompt and complete payment and performance of the Obligations (whether at state maturity, by acceleration or otherwise), each Grantor hereby grants to Agent, for the benefit of Lenders, a lien on and security interest in all right, title and interest of such Grantor in, to and under the following, in each case whether now owned or hereafter arising or otherwise acquired: (i) all Intellectual Property and all proprietary rights relating to or arising from any Intellectual Property (including, without limitation, all Intellectual Property and proprietary rights identified on Schedule I attached hereto and made a part hereof), and (ii) the right to sue for past, present and future infringements and dilutions, and all rights corresponding thereto throughout the world, and the entire goodwill of such Grantor’s business connected with and symbolized by, such Intellectual Property and (iii) all income, fees, royalties, proceeds and other payments at any time due or payable with respect to any of the foregoing (all of the foregoing is referred to collectively as the “IP Collateral”); provided, that the IP Collateral shall not include the Excluded Property (as defined in the Collateral Agreement).

3. Protection of Intellectual Property by Grantor. Each Grantor shall, at its sole cost, expense and risk, in connection with the operation of its business, comply with the requirements set forth in Section 4.7 of the Collateral Agreement in respect to the Intellectual Property.

4. **Representations and Warranties.** Each Grantor represents and warrants that:

- (a) Schedule I is a true, correct and complete list of all registered or applied-for Intellectual Property in which such Grantor has or purports to have an ownership interest.
- (b) Such Grantor has the legal right and authority to enter into this Agreement and perform its obligations hereunder.
- (c) If such Grantor amends its name, such Grantor shall provide copies of such amendment documentation to Agent and shall re-register such Grantor's Intellectual Property with the appropriate Governmental Authority and shall execute and deliver such agreements or documentation as Agent shall request to maintain a perfected first priority security interest in such Intellectual Property subject to Permitted Liens.

5. **No Modification of Credit Agreement.** The representations, warranties or covenants contained herein are supplemental to those representations, warranties and covenants contained in the other Loan Documents, and shall not be deemed to modify any such representation, warranty or covenant contained in any other Loan Document.

6. **Agreement Applies to Future Intellectual Property.**

- (a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 2 above, all of which shall be deemed to be and treated as "IP Collateral" within the meaning of this Agreement.
- (b) Upon the request of Agent, each Grantor shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Agent may reasonably request to evidence Agent's security interest in any IP Collateral and the goodwill of each Grantor relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office in any foreign or domestic jurisdiction), and each Grantor hereby constitutes Agent as its attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; provided, however, that Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. **Grantor's Rights to Enforce Intellectual Property.** Prior to Agent's giving of notice to the applicable Grantor following the occurrence and during the continuance of an Event of Default, each Grantor shall have the exclusive right to sue for past, present and future infringement of the IP Collateral, including the right to seek injunctions and/or money damages, in an effort by such Grantor to protect the IP Collateral against encroachment by third parties, provided, however, that:

- (a) Any money damages awarded or received by any Grantor on account of such suit (or the threat of such suit) shall constitute IP Collateral and shall constitute Aggregate Revenue and be subject to the Revenue-Based Payment as set forth in Section 2.9.1(a) of the Credit Agreement.
- (b) Following the occurrence and during the continuance of any Event of Default, Agent, by notice to any Grantor, may terminate or limit such Grantor's rights under this Section 7, and any damages recovered in any action pursuant to this Section 7, net of costs and attorneys' fees reasonably incurred, shall be applied in accordance with the Credit Agreement and the Collateral Agreement.

8. Agent's Actions to Protect Intellectual Property. Following the occurrence and during the continuance of an Event of Default, Agent, acting in its own name or in that of any Grantor, may (but shall not be required to) act in such Grantor's place and stead and/or in Agent's own right with respect to the rights and obligations of Grantors under Section 3, Section 6 and Section 7 hereof.

9. Rights Upon Default. Upon the occurrence and during the continuance of any Event of Default, Agent may exercise all rights and remedies as provided for in the Credit Agreement, the Collateral Agreement and each other Loan Document.

10. Agent as Attorney In Fact.

- (a) Each Grantor hereby irrevocably constitutes and designates Agent as its attorney-in-fact to:
 - i. Supplement and amend from time to time Schedule I of this Agreement to include any new or additional Intellectual Property of such Grantor.
 - ii. Exercise any of the rights and powers referenced herein in accordance with this Agreement.
- (b) The grant of a power of attorney, being coupled with an interest, shall be irrevocable until the Obligations are indefeasibly paid and/or performed in full and all obligations of Agent and Lender to extend credit under the Credit Agreement have terminated.
- (c) Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 7, Section 8, Section 9 or Section 10, but if Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to such Grantor for any act or omission to act, except to the extent Agent acted with gross negligence or willful misconduct as determined by a final order of a court of competent jurisdiction.

11. Agent's Rights. Upon an Event of Default and during the continuance thereof, any use by Agent of the IP Collateral in connection with the exercise of Agent's rights and remedies

under this Agreement and under the Credit Agreement and the other Loan Documents shall be coextensive with each Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges.

12. No Limitation; Loan Documents. This Agreement has been executed and delivered by each Grantor for the purpose of recording the security interest granted to Agent with respect to the IP Collateral with the United States Patent and Trademark Office, the United States Copyright Office, as well as with any similar office or department of any other foreign or domestic Governmental Authority. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Agent, for the benefit of Lender, under the Collateral Agreement and the other Loan Documents. The other Loan Documents (and all rights and remedies of each Grantor, Agent, and Lenders thereunder) shall remain in full force and effect in accordance with its terms.

Notwithstanding anything to the contrary set forth herein, (a) the covenants set forth in this Agreement shall not apply to any IP Collateral to the extent such IP Collateral consists of rights arising under any registration or application under the laws of the Commonwealth of Australia (or any State thereof) (the "Australian IP Collateral"), and all Australian IP Collateral shall instead be subject to the covenants set forth in the All Property Agreement; and (b) all of the terms of this Agreement shall apply to all IP Collateral other than the Australian IP Collateral, including, without limitation, any IP Collateral consisting of rights arising under any registration or application under the laws of the United States of America (or any State thereof).

13. Termination; Release of Trademark Collateral. This Agreement and all obligations of each Grantor and Agent hereunder shall terminate on the date upon which the Obligations are indefeasibly paid and/or performed in full and paid in full and all obligations of Agent and Lenders to extend credit to Borrower under the Credit Agreement have terminated. Upon termination of this Agreement, Agent shall, at the expense of the Grantors, take such actions required by the Credit Agreement or the Collateral Agreement or as otherwise reasonably requested by Grantors to release its security interest in the IP Collateral.

14. Binding Effect; Benefits. This Agreement shall be binding upon each Grantor and its successors and assigns, and shall inure to the benefit of Agent, Lenders and their respective successors and assigns. No Grantor may transfer or assign any of its rights or obligations hereunder without the prior written consent of Agent.

15. GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO ITS CHOICE OF LAW PROVISIONS THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION.
