TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement"), dated as of November 22, 2016, among the Persons listed on the signature pages hereof (the "Grantors"), and WELLS FARGO BANK, NATIONAL ASSOCIATION, as notes collateral agent for the Secured Parties (in such capacity, together with its successors in such capacity, the "Notes Collateral Agent").

A. Capitalized terms used herein and not otherwise defined herein (including terms used in the preamble and the recitals) shall have the meanings assigned to such terms in the NOTES SECURITY AGREEMENT, dated as of November 22, 2016 (the "Notes Security Agreement"), by and among ASSOCIATED MATERIALS, LLC, a Delaware limited liability company (the "Company"), each of the subsidiaries of the Company listed on Annex A thereto, and the Notes Collateral Agent.

B. The rules of construction and other interpretive provisions specified in the Indenture shall apply to this Trademark Security Agreement, including terms defined in the preamble and recitals hereto.

C. Pursuant to Section 4.4(e) of the Notes Security Agreement, the Grantors have agreed to execute or otherwise authenticate this Trademark Security Agreement for recording the Security Interest granted under the Notes Security Agreement to the Notes Collateral Agent in the Grantors' United States Trademarks with the United States Patent and Trademark Office and any other Governmental Authorities located in the United States necessary to perfect the Security Interest hereunder in such Trademarks.

Accordingly, the Notes Collateral Agent and the Grantors agree as follows:

SECTION 1. Grant of Security. The Grantors hereby grant to the Notes Collateral Agent for the benefit of the Secured Parties a Security Interest and continuing lien in all of each Grantor's right, title and interest in and to the United States Trademark registrations and applications set forth in Schedule A hereto (collectively, the "Trademark Collateral").

SECTION 2. Security for Obligations. The grant of a Security Interest in the Trademark Collateral by the Grantors under this Trademark Security Agreement secures the payment of all amounts that constitute part of the Secured Obligations and would be owed to the Notes Collateral Agent or the Secured Parties but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving the Grantors.

SECTION 3. Recordation. The Grantors authorize and request that the Commissioner for Trademarks and any other applicable governmental officer located in the United States record this Trademark Security Agreement.

SECTION 4. Grants, Rights and Remedies. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Notes Security Agreement. The Grantors do hereby acknowledge and confirm that the grant of the Security Interest hereunder to, and the rights and remedies of, the Notes Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Notes Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Notes Security Agreement, the terms of the Notes Security Agreement shall govern.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed by one or more of the parties to this Trademark Security Agreement on any number of separate counterparts (including by facsimile or other electronic transmission (i.e., a “pdf” or “tif”)), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

SECTION 6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

SECTION 7. Severability. Any provision of this Trademark Security Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof and in the Notes Security Agreement, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. Notices. All notices, requests and demands pursuant hereto shall be made in accordance with Section 13.02 of the Indenture.

SECTION 9. Expenses. The Grantors agree to reimburse the Notes Collateral Agent for its reasonable and documented out-of-pocket expenses in connection with this Trademark Security Agreement, including the reasonable and documented fees, other charges and disbursements of counsel for the Notes Collateral Agent.

IN WITNESS WHEREOF, Grantor and the Notes Collateral Agent have duly executed this IP Security Agreement as of the day and year first above written.
