EXECUTION COPY

NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, PERFORMANCE LACROSSE GROUP INC. (f/k/a BAUER PERFORMANCE LACROSSE INC.), a Delaware corporation (the “Grantor”), with principal offices at 100 Domain Drive, Exeter, New Hampshire, 03833, hereby pledges, assigns, mortgages, charges and grants to BANK OF AMERICA, N.A., as Collateral Agent, with principal offices at 225 Franklin Street – MA 1-225-02-05, Boston, Massachusetts, 02110, (the “Grantee”), for the benefit of the Secured Parties (as such term is defined in the Credit Agreement referred to below), as and by way of a fixed and specific mortgage and charge, and grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of the right, title and interest of such Grantor in, to and under: (a) all trademarks, service marks, certification marks, domain names, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, slogans, other source or business identifiers, all registrations and recordings thereof, and all registrations and recording applications filed in connection therewith in any jurisdiction throughout the world, including registrations and registration applications in the United States Patent and Trademark Office, as set forth in Schedule A hereto, (b) all extensions or renewals of any of the foregoing, (c) goodwill associated therewith or symbolized thereby, (d) rights and privileges arising under applicable law with respect to the use of any of the foregoing, and (e) all Proceeds (as such term is defined in the Credit Agreement referred to below) and products of any and all of the foregoing, including property in any form derived directly or indirectly from any dealing with such property (collectively, the “Trademark Collateral”); provided that the Trademark Collateral shall not include any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable United States federal law.

THIS GRANT is made to secure the prompt and complete payment and performance when due of all the Obligations of the Grantor, as such term is defined in the Superpriority Debtor-In-Possession ABL Credit Agreement among the Grantor, the other grantors from time to time party thereto and the Grantee, dated as of October 31, 2016 (as amended, modified, restated and/or supplemented from time to time, the "Credit Agreement"). Upon the termination of the Credit Agreement, the Grantee shall execute, acknowledge, and deliver to the Grantor an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Grant.

This Grant has been granted in conjunction with the security interest granted to the Grantee under the Credit Agreement and is expressly subject to the terms and conditions thereof. The rights and remedies of the Grantee with respect to the security interest granted herein are as set forth in the Credit Agreement, all terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event that any provisions of this Grant are deemed to conflict with the Credit Agreement, the provisions of the Credit Agreement shall govern.
