AMENDMENT NO. 1 TO TRADEMARK SECURITY AGREEMENT

AMENDMENT NO. 1 TO TRADEMARK SECURITY AGREEMENT (this "*Amendment*"), made as of November 30, 2016, by and between PERFORMIX LLC, a Colorado limited liability company ("*Grantor*"), and ISRAEL DISCOUNT BANK OF NEW YORK ("*Bank*"). Capitalized terms used and not defined in this Amendment shall have the respective meanings given them in the Trademark Security Agreement (as defined below).

WITNESSETH:

WHEREAS, Grantor and Bank are parties to the Trademark Collateral Assignment and Security Agreement, dated May 21, 2015 (as amended hereby and as the same may hereafter be further amended, modified, supplemented, extended, renewed, restated or replaced, the "*Trademark Security Agreement*") and recorded with the United States Patent and Trademark Office on June 4, 2015 at Reel/Frame 5546/0454;

WHEREAS, pursuant to the Trademark Security Agreement, Grantor has, among other things, granted to Bank a security interest in all present and future Trademarks and Trademark applications of Grantor, together with certain related assets, and has agreed to execute and deliver to Bank all agreements and documents as requested by Bank to evidence the security interests of Bank therein;

WHEREAS, Grantor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the additional trademarks, trade names, trade styles, terms, service marks, designs and applications therefor and internet domain names registered or filed with the United States Patent and Trademark Office described in Schedule 1 hereto and made a part hereof (collectively, the "*Additional Trademarks*"); and

WHEREAS, Grantor is obligated to grant a security interest in and pledge all such Additional Trademarks and Additional Collateral (as hereinafter defined) to Bank, as provided by the terms and conditions of the Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Bank hereby agree as follows:

I. Amendment to Trademark Security Agreement.

(a) Without limiting any of the Collateral otherwise described in the Trademark Security Agreement, Exhibit A to the Trademark Security Agreement is hereby amended to include, in addition and not by way of limitation, the additional Collateral consisting of the Additional Trademarks and other Collateral related thereto (such Additional Trademarks and Collateral related thereto being referred to herein as the "*Additional Collateral*").

(b) All references to the term "Collateral" in the Trademark Security Agreement shall be deemed and each such reference is hereby amended to include, in addition

and not in limitation, all of the Additional Collateral and the other assets described in Section 2 of this Amendment.

2. Confirmation of Grant of Security Interest. Without limiting the grant of the security interest to Bank set forth in Section 2 of the Trademark Security Agreement or any other provisions thereof, Grantor hereby confirms, reaffirms and restates its prior grant of Collateral to Bank, and hereby grants to Bank a continuing security interest in and a general lien upon the Additional Collateral.

3. Representations, Warranties and Covenants. All of the representations, warranties and covenants with respect to the Collateral set forth in the Trademark Security Agreement shall apply to the Additional Collateral and other assets described in Section 2 of this Amendment.

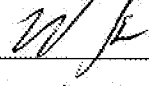

4. Effect of this Amendment. Except as expressly amended pursuant hereto, no other changes or modifications to the Trademark Security Agreement or waivers of or consents under any provisions thereof are intended or implied, and in all other respects the Trademark Security Agreement is hereby specifically ratified, restated, and confirmed by all parties hereto as of the effective date hereof. To the extent any term or provision of this Amendment conflicts with any term or provision of the Trademark Security Agreement, the term or provision of this Amendment shall control. This Amendment and the Trademark Security Agreement shall be read and construed as one agreement.

5. Counterparts. This Amendment may be executed in any number of counterparts, but all of such counterparts shall together constitute but one and the same agreement. In making proof of this Amendment, it shall not be necessary to produce or account for more than one counterpart thereof signed by each of the parties hereto. This Amendment may be delivered by telecopier or other method of electronic transmission with the same force and effect as if it were a manually executed and delivered counterpart.

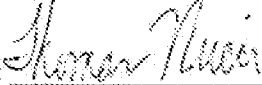

[Signature page follows]

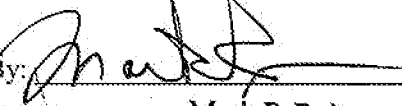

IN WITNESS WHEREOF, Grantor and Bank have executed this Amendment as of the day and year first above written.
