**INTELLECTUAL PROPERTY ASSIGNMENT**

This INTELLECTUAL PROPERTY ASSIGNMENT (this “Assignment”) is entered into as of entered into as of November 9, 2016, by and between (i) DLR Restaurants, LLC, a Delaware limited liability company and DLR Licensing, LLC a Delaware limited liability company (DLR Restaurants, LLC and DLR Licensing, LLC are each an “Assignor” and collectively referred to as “Assignors”), and (ii) MCC Resorts Licensing, LLC, a Delaware limited liability company (“Assignee”).

A. In connection with the foreclosure of assets owned by DLR Restaurants, LLC, Medley Capital Corporation (“MCC”), a Delaware limited liability company in its capacity as agent under the Credit Documents (as defined in the Purchase Agreement) and MCC Resorts Holdings, LLC (“Purchaser”), a Delaware limited liability company have entered into that certain Asset Purchase Agreement dated as of November 9, 2016 (as amended, restated, supplemented or otherwise modified from time to time, the “Purchase Agreement”), providing, subject to the terms and conditions set forth therein, for the sale, transfer, assignment, conveyance and delivery by Assignors to Assignee, an affiliate of Assignee, of all of each Assignor’s right, title and interest in and to the Assets (as defined in the Purchase Agreement).

B. In accordance with the Purchase Agreement, each Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of the intellectual property and all other intangible rights of the Assignor and all goodwill associated therewith relating to the Assets, including without limitation: (i) all patents and patent applications, all inventions described therein and all provisionals, divisions, renewals, reissues, reexaminations, continuations, extensions and continuations-in-part of the foregoing patents and counterparts thereof throughout the world that may be based on or correspond to the patents and patent applications; (ii) all trademarks, service marks, trade dress, trade names, other indicia of origin and domain names, including those set forth in Schedule A, all applications and registrations therefor and all goodwill associated with any of the foregoing, (iii) all copyright registrations and applications, including those set forth on Schedule A, and all works of authorship, including literary works and all forms of software and databases (whether in source code, object code, firmware, development tools, files, records, or data) and website content, trade secrets, technology, inventions, discoveries, improvements, know-how and other Intellectual Property and other intangible rights and all moral rights associated with any of the foregoing that are Assets (all of the foregoing, collectively, the “Assigned IP”).

NOW, THEREFORE, in consideration of the mutual agreements contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors and Assignee hereby agree as follows:

1. Definitions. Unless otherwise defined herein, each capitalized term used herein shall have the meaning assigned thereto in the Purchase Agreement.

2. Assignment. Each Assignor does hereby irrevocably sell, transfer, assign, convey and deliver to Assignee, its successors and assigns all of Assignor’s right, title and interest throughout the world in the Assigned IP, including all common law rights therein and all goodwill of the business associated therewith and all moral rights associated therewith. Each

Assignor further assigns to Assignee all of the following in any jurisdiction throughout the world: (i) all income, royalties, damages and payments due or payable to the Assignor with respect to the Assigned IP, including, without limitation, unpaid damages and payments for past, present and future infringements of any Assigned IP; (ii) all rights to sue and recover damages and payments for past, present and future infringements or other violations of any of the Assigned IP, including the right to fully and entirely replace the Assignor in all related matters; and (iii) to apply in any or all countries of the world for patent, trademark, copyright, or other protection for or registration of the Assigned IP.

3. Further Assurances. Each Assignor agrees that from time to time, at the reasonable request and expense of Assignee, it shall execute and deliver such other documents and take such other actions as Assignee may reasonably request to effectuate the transactions contemplated by this Assignment (including any documentation to record the rights granted hereunder in the Assigned IP in any jurisdiction throughout the world). Each Assignor acknowledges and agrees that Assignee or any of its affiliates may record and perfect this Assignment or such documentation in any jurisdiction throughout the world, and the Assignor shall cooperate therewith, at the Assignee's expense. Each Assignor will do all things necessary, proper or advisable to reasonably assist Assignee in transferring all domain names that are Assigned IP, including as applicable, placing each of the domain names in "unlocked" status and provide to Assignee the Internet domain name registrars' transfer authorization codes for each of the domain names and any other information required to effectuate the transfer of Assignor's right, title and interest in the domain names to Assignee.

4. Amendment. No supplement, modification, amendment or waiver of this Assignment shall be binding unless executed in writing by the Assignee and the Company Representative.

5. Successors and Assigns. This Assignment shall inure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

6. Counterparts. This Assignment may be executed in one or more counterparts, including electronically transmitted counterparts, each of which shall be deemed an original, but all such counterparts together shall constitute but one and the same agreement.

7. Governing Law. This Assignment shall be governed by and construed in accordance with the internal laws of the State of New York, without reference to the choice of law principles thereof.

8. Severability. The invalidity of any portion hereof shall not affect the validity, force or effect of the remaining portions hereof.

9. Purchase Agreement. Notwithstanding anything in this Assignment to the contrary, the sale, transfer, assignment, conveyance and delivery effectuated hereby are subject in all respects to the terms and conditions of the Purchase Agreement and nothing in this Assignment, express or implied, is intended or shall be construed to expand or defeat, impair or limit in any way the rights, obligations, claims or remedies of Assignors or Assignee as set forth in the Purchase Agreement.

IN WITNESS WHEREOF, Assignors and Assignee have caused their duly authorized officers to execute this Assignment as of the date written above.
