INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement is entered into as of December 29, 2016 by and between NH EXPANSION CREDIT FUND HOLDINGS LP, a Delaware limited partnership ("Holder") and MOJO NETWORKS, INC. (formerly known as Airtight Networks, Inc.), a California corporation ("Grantor").

RECITALS

A. Grantor has issued to Holder that certain Secured Promissory Note, dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Secured Note"; capitalized terms used herein are used as defined in the Secured Note).

B. Pursuant to the terms of the Secured Note, Grantor has granted to Holder a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Secured Note and all other agreements now existing or hereafter arising between Grantor and Holder, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Secured Note and under any other agreement now existing or hereafter arising between Grantor and Holder, Grantor grants and pledges to Holder a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property Collateral (including without limitation those Copyrights, Patents and Trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

This security interest is granted in conjunction with the security interest granted to Holder under the Secured Note. The rights and remedies of Holder with respect to the security interest granted hereby are in addition to those set forth in the Secured Note and the other Note Documents, and those which are now or hereafter available to Holder as a matter of law or equity. Each right, power and remedy of Holder provided for herein or in the Secured Note or any of the Note Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Holder of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Secured Note or any of the other Note Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Holder, of any or all other rights, powers or remedies.

Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.
