DECLARATION

מנצי ברזום, ע"ז ועורך פטנטים
מג' (ש"ד) 15074
מג' (ע"כ) 165

I, Mike W. Mihm, being the Assistant Secretary of Deere & Company, a company incorporated in the state of Delaware and having its registered office at One John Deere Place, Moline, IL 61265, do solemnly declare:

1. I make this declaration based upon personal knowledge of matters, details and/or business records of Deere & Company, and if sworn as a witness could testify competently thereto.
2. I have knowledge that subject to a Master Purchase Agreement between Deere & Company ("Deere") and FIMI Irrigation Ltd ("FIMI"), executed on February 26, 2014, Deere and its Affiliates, sold, assigned and transferred certain intellectual property assets related to its irrigation business to FIMI.
3. I declare that **Exhibit A** is a true, correct and complete copy of Schedule 1- Seller Affiliates of the Seller Disclosures to the Master Purchase Agreement, which identifies the Affiliates.
4. I declare that **Exhibit B** is a true, correct and complete copy of the updated Schedule 2.11(a)-Owned Intellectual Property to the Master Purchase Agreement identifying all intellectual property assets transferred to FIMI.
5. I have some knowledge that although Deere intended to divest itself of its former irrigation business and transfer such assets to FIMI, some of the marks identified in Schedule 2.11(a) inadvertently remained in the name of previously acquired entities namely, Hydromatic Ltd., Israriego CIA Ltda, Plastro Irrigation Systems, Ltd, Roberts Irrigation Products, Inc., and T-Systems International, Inc., that were later merged into certain Affiliates identified in **Exhibit A**.

Signed this 11 day of May, 2015.

Michael W. Mihm

AGREEMENT AND PLAN OF MERGER

MAY - 7 2009

THIS AGREEMENT AND PLAN OF MERGER (this "Agreement"), dated as of this 4th day of May 2009, is entered into by and between Roberts Irrigation Products, Inc. (hereinafter referred to as "Roberts"), a California corporation, and T-Systems International, Inc. (hereinafter referred to as "T-Systems"), a California corporation. Roberts and T-Systems, collectively, are hereinafter referred to as "Constituent Corporations."

WITNESSETH:

WHEREAS, Roberts is a corporation duly organized and existing under the laws of the State of California;

WHEREAS, T-Systems is a corporation duly organized and existing under the laws of the State of California;

WHEREAS, the respective Board of Directors of both Roberts and T-Systems have resolved by unanimous written consent that it is in the best interest of each such corporation and its respective stockholders that Roberts merge with and into T-Systems upon the terms and subject to the conditions set forth in this Agreement; and

WHEREAS, the respective stockholders of both Roberts and T-Systems have approved this Agreement, by execution of a written consent.

NOW, THEREFORE, in consideration of the mutual agreements and covenants herein contained, Roberts and T-Systems, intending to be legally bound, hereby agree as follows:

1. Merger. Roberts shall be merged with and into T-Systems (the "Merger") such that T-Systems shall be the surviving corporation (hereinafter referred to as "Surviving Corporation"). Appropriate documents necessary to effectuate the Merger shall be filed with the Secretary of State of the State of California, and the Merger shall become effective the 7th day of May 2009 (the "Effective Time").

2. Governing Documents. The Articles of Incorporation of T-Systems, as in effect immediately prior to the Effective Time, shall be the Articles of Incorporation of the Surviving Corporation without change or amendment and the By-laws of T-Systems, as in effect immediately prior to the Effective Time, shall be the By-laws of the Surviving Corporation without change or amendment.

3. Officers and Directors. The persons who are officers and directors of T-Systems immediately prior to the Effective Time shall, immediately after the Effective Time, be the officers and directors of the Surviving Corporation, without change, until their respective successors have been duly elected and qualified in accordance with the Articles of Incorporation and By-laws of the Surviving Corporation.

4. Effect of the Merger. At the Effective Time, the existence of Roberts as a separate legal entity shall cease.

5. Further Assurances. From time to time, as and when required by the Surviving Corporation or by its successors or assigns, there shall be executed and delivered on behalf of Roberts such deeds and other instruments, and there shall be taken or caused to be taken by it all such further and other action, as shall be appropriate, advisable or necessary in order to vest, perfect or confirm, of record or otherwise, in the Surviving Corporation the title to and possession of all property, interests, assets, rights, privileges, immunities, powers, franchises and authority of Roberts, and otherwise to carry out the purposes of this Agreement. The Surviving Corporation shall be deemed to have full ownership of all such property, interests, assets, obligations, rights, privileges, immunities, and powers owned by Roberts prior to the Effective Time. The officers and directors of the Surviving Corporation are fully authorized in the name and on behalf of Roberts or otherwise, to take any and all such action and to execute and deliver any and all such deeds and other instruments.

6. Intellectual Property. All rights, title and interest in and to all patents, trademarks, tradenames, service names, service marks, copyrights, internet domain names and logos (collectively referred to as "Intellectual Property") owned by Roberts prior to the Effective Time, together with all goodwill associated with the Intellectual Property prior to the Effective Time, is hereby transferred and assigned to T-Systems upon the execution of this Merger. The attached Exhibit A, which may or may not be all-inclusive, lists Intellectual Property owned or used by Roberts which shall be assigned as part of this merger. Roberts further agrees that it will execute all documents, papers, forms and authorizations and take all other actions that may be necessary for securing, completing or vesting in T-Systems full right, title, and interest in and to the Intellectual Property.

7. Conversion of Shares. At the Effective Time, by virtue of the Merger and without any action on the part of the holder thereof, all of the shares of Roberts ("Roberts Common Stock"), issued and outstanding immediately prior to the Effective Time shall be changed and converted into and shall be one thousand five hundred (1,500) fully paid and non-assessable shares of common stock, par value \$1.00 per share, of T-Systems ("T-Systems Common Stock"). Thus, at the Effective Time, each share of Roberts Common Stock shall be converted into 1.364 shares of T-Systems Common Stock. Each share of Roberts Common Stock issued and outstanding immediately prior to the Effective Time shall remain issued and outstanding following the Effective Time.

8. Ownership Certificates. Upon the conversion of all issued and outstanding shares of Roberts Common Stock to one thousand five hundred (1,500) shares of T-Systems Common Stock, the Surviving Corporation shall issue one certificate evidencing one thousand five hundred (1,500) shares of T-Systems Common Stock to Deere & Company, a Delaware corporation.

9. Amendment. The parties hereto, by mutual consent of their respective Board of Directors, may amend, modify or supplement this Agreement at any time prior to the Effective Time pursuant to a written instrument.

10. Termination. This Agreement may be terminated and the Merger and other transactions herein provided for may be abandoned at any time prior to the Effective Time, if either the Board of Directors of Roberts or T-Systems determines that the consummation of the transactions contemplated hereby would not, for any reason be in the best interests of the corporation and its respective stockholders. In the event of such termination and abandonment, this Agreement shall become void and neither of the Constituent Corporations nor their respective stockholders, directors or officers shall have any liability with respect to such termination and abandonment.

11. Descriptive Headings. The descriptive headings herein are inserted for convenience of reference only and are not intended to be part of or to affect the meaning or interpretation of this Agreement.

12. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto regarding the subject matter hereof, and supersedes all prior agreements and undertakings, both written and oral, between the parties hereto regarding such subject matter.

13. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of California.

14. Counterparts. This Agreement may be executed in one or more counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all such counterparts together shall constitute one agreement.

IN WITNESS WHEREOF, Roberts and T-Systems have caused this Agreement to be executed and delivered as of the date first written above.
