RELEASE OF SECURITY INTEREST
IN TRADEMARKS

J-B Weld Company, LLC, a Colorado limited liability company (the “Grantor”) executed and delivered a Trademark Security Agreement (the “Agreement”) in favor of Caltius Partners IV, LP, a Delaware limited partnership (as agent on behalf of itself and certain other parties, the “Agent”), pursuant to which the Grantor granted to the Agent a security interest in and to all of the Grantor’s right, title and interest in and to the trademarks and trademark applications and all proceeds thereof, including the specific trademarks listed on Exhibit A attached hereto (the “Released Marks”), and the goodwill associated therewith. The Agreement was recorded in the United States Patent and Trademark Office (“USPTO”) at Trademark Reel/Frame Number 4942/0449 (recorded on January 14, 2013).

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Agent, on behalf of itself, its successors, legal representatives and assigns, hereby (i) terminates, releases, and discharges fully its security interest in and to the Released Marks, and the goodwill associated therewith, (ii) waives and relinquishes all its rights, powers, privileges and remedies with respect to the Released Marks, and the goodwill associated therewith, and (iii) reassigns, grants, and conveys to the Grantor any and all right, title and interest it has in the Released Marks, and the goodwill associated therewith.

The Agent agrees, at the Grantor’s expense, to cooperate with the Grantor and to provide the Grantor with the information and additional authorization reasonably required or desirable to effect the release of the Agent’s security interest in the Released Marks.

Grantor, or its designee, may record this Release of Security Interests in Trademarks in the USPTO and in any other offices as may be necessary to carry out the intention of this release, and to the extent applicable, the parties hereto authorize and request that the USPTO record this release of security interest.

Delivery of an executed signature page to this Release of Security Interest in Trademarks by facsimile or electronic transmission (including .pdf file) shall be effective as delivery of an original signature.

{Signature appears on following page.}

IN WITNESS WHEREOF, the Agent has executed this Release of Security Interest in Trademarks as of December 30, 2016.
