Welcome to California

Congratulations on the registration of your limited liability company with the California Secretary of State. Please see below for important information.

Required Statement of Information

California law requires limited liability companies to keep their public record updated by filing a Statement of Information with the California Secretary of State.

Limited liability companies must file a complete Statement of Information (Form LLC-12) within the first 90 days of filing the Articles of Organization or Application to Register, and then every 2 years after that before the end of the month of the registration date.

Statements of Information for limited liability companies must be submitted on paper to the California Secretary of State, and can be mailed or delivered in person (drop off) to the Sacramento office. Additional information regarding Statements of Information, including forms, instructions and current fees is available at www.sos.ca.gov/business-programs/business-entities/statements.

Current processing times for Statements of Information may be found at www.sos.ca.gov/business-programs/business-entities/processing-times.
