WHEREAS, pursuant to the Term Loan Credit Agreement, dated as of July 31, 2014, as amended and restated on September 8, 2014, Borrower, Holdings, the other Debtors, as guarantors, the financial institutions party thereto as lenders and the Collateral Agent (as it may be amended, amended and restated, replaced, refinanced, supplemented or otherwise modified from time to time, the “Term Loan Credit Agreement”), the Lenders have agreed to extend credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor has executed and delivered that certain Security Agreement, dated as of July 31, 2014, in favor of the Collateral Agent (as it may be amended, amended and restated, replaced, refinanced, supplemented or otherwise modified from time to time, the “Security Agreement”) pursuant to which the Grantor has granted to the Collateral Agent, for the benefit of the Secured Creditors, a security interest in all of Grantor’s right, title, and interest in and to the Trademark Collateral (as defined below);

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor and the Collateral Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms not otherwise defined herein have the meanings set forth in the Term Loan Credit Agreement or Security Agreement, as applicable.

SECTION 2. Grant of Security Interest. Subject to the terms of, and limitations contained in, the Security Agreement, Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in and to, and a pledge of, all of the following and all of Grantor’s right, title and interest therein, whether now owned or existing or hereafter acquired or arising and wherever located (collectively, but excluding any Excluded Property, the “Trademark Collateral”), as collateral security for the prompt and complete payment and performance when due of the Obligations of Grantor:

(i) all United States federally registered and applied for Trademarks, including that certain Trademark set forth on Exhibit A, (ii) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, (iv) all rights corresponding thereto throughout the world, (v) the goodwill of the business of Grantor symbolized by the Trademarks, and (vi) any and all products and proceeds of any and all of the foregoing, now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title or interest; provided, however, that the foregoing grant of security interest and pledge will not cover any applications for any Trademarks that have been filed with the United States Patent and Trademark Office on the basis of an “intent-to-use” with respect to such trademarks until an appropriate amendment to allege use or statement of use is filed in and accepted by the United States Patent and Trademark Office.

SECTION 3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Collateral Agent for the Secured Creditors pursuant to the Security Agreement, and Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.
