**TRADEMARK ASSIGNMENT
NUNC PRO TUNC**

WHEREAS, EVOQUA WATER TECHNOLOGIES LLC (formerly known as Siemens Water Technologies LLC) ("Assignor"), a limited liability company organized under the laws of Delaware, was the owner of the entire right, title, and interest in and to the trademark CLEARLOGX ("Trademark") set forth in United States Trademark Registration No. 4444358, registered on December 3, 2013 which it acquired from SIEMENS INDUSTRY, INC., a Delaware corporation, in an assignment dated July 1, 2013; and

WHEREAS, CLEARLOGX, INC. ("Assignee"), a corporation organized under the laws of Colorado, acquired the aforesaid Trademark and the aforesaid United States Trademark Registration together with the goodwill of the business symbolized by said Trademark on November 21, 2014; and

WHEREAS, the Assignor previously executed a document attempting to assign the aforesaid Trademark and the aforesaid United States trademark registration to Assignee, however, that document inadvertently identified Assignor as a corporation rather than as a limited liability company.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign *nunc pro tunc* as of November 21, 2014, to Assignee, its successors, assigns and legal representatives, the entire, full and exclusive right, title and interest in and to the Trademark, together with the good will of the business symbolized by the Trademark and any applications and/or registrations therefor, and the right (but not the obligation) to assert the Trademark and to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any past and future acts of infringement that have occurred or may occur.

Assignor further authorizes the Commissioner of Trademarks of the United States Patent and Trademark Office to record the assignment of the Trademark and United States Trademark Registration No. 4444358 and title thereto as the property of Assignee, its successors, legal representatives and assigns in accordance with the terms of this instrument.
