OBJECT : Vantrix Corporation – Discharge of the security interests
O/F : 1306-4

To whom it may concern,

We represent the interests of the company Vantrix Corporation (hereinafter the “Borrower”) which has contracted mortgage’s obligations (hereinafter the “Loan and Security Agreement”) with the company NXT Capital, LLC (hereinafter the “Lender”) as of March 20, 2013.

To give effect to the Loan and Security Agreement between the parties, the Lender registered at the United States Patent and Trademark Office a security interest on the Borrower’s trademark, the details of such trademark are filed in support of this letter as Appendix I.

As a result of the full refund by the Borrower of the amount due under the Loan and Security Agreement, the Lender mandated us to proceed with the discharge of the security interest on the trademark, the whole as appear from the document entitled “Pay-Off of Obligations of Vantrix Corporation” dated December 6th, 2016 filed in support of this present letter as Appendix II.

We therefore formally require the United States Patent and Trademark Office to cancel the registered security on the trademark mentioned in the attached Appendix I.

Dear Mr. Daher:

Reference is made to that certain Loan and Security Agreement, dated as of March 20, 2013 (as the same may have been amended, restated, or otherwise modified from time to time, the "Loan Agreement"), by and between Vantrix Corporation ("Borrower") and NXT Capital, LLC ("Lender"). Capitalized terms used but not defined in this pay-off letter shall have the meanings ascribed to such terms in the Loan Agreement.

Borrower has advised Lender that, pursuant to Section 2.01(c) of the Loan Agreement, Borrower intends to repay all amounts due and owing under the Loan Agreement and has requested that Lender provide Borrower with appropriate pay-off amounts for the principal, interest, and other amounts owing by Borrower to Lender. The pay-off amounts for Borrower as of December 19, 2016 (the "Computation Date") under the Loan Documents are as follows (collectively, the "Pay-Off Amount") (collectively, together with any additional interest and/or fees accruing after the Computation Date that must be repaid by Borrower, the "Pay-Off Amount"):

Unpaid Principal	\$	
Accrued Interest	\$	
Deferred Closing Fee	\$	
Miscellaneous Expenses	\$	
Total Pay-Off Amount Owing	\$	

The foregoing unpaid principal amount of the Loan assumes that (i) no additional credit extensions are made under the Loan Agreement during the period between the Computation Date and the Pay-Off Date, and Borrower and Lender hereby acknowledge and agree that no such additional credit extensions shall be made during such period, and (ii) all required payments of principal, interest and other amounts due and owing from time to time under the Loan Agreement prior to the Pay-Off Date are timely paid in full as and when due. This pay-off letter shall expire if the Pay-Off Amount, plus any applicable Per Diem Amount, has not been paid, as aforesaid, on or before December 30, 2016.

If the Payoff Amount is not received by the Lender by 2:00 p.m. Chicago, Illinois time on the Computation Date, the Borrower shall pay, in addition to the Pay-Off Amount, a per diem of \$98.61 (the "Per Diem Amount") to the Lender for each day after the Computation Date until the Pay-Off Amount plus all applicable Per Diem Amount is received by the Lender.

The Pay-Off Amount should be wire-transferred in same day immediately available funds to Lender as follows:

Bank	Wells Fargo Bank

Contact:	Maribel Martinez -- (312) 450-8126

Effective immediately upon Lender's receipt of payment in full in cash of the Pay-Off Amount, plus any applicable Per Diem Amount, and Borrower's delivery to Lender of a then current, correct and complete capitalization table for Vantrix Corporation as of a date on or one business day prior to the Pay-Off Date (the date of Lender's receipt of such Pay-Off Amount being the "Pay-Off Date"), automatically and without further action on the part of the parties hereto: (i) all indebtedness of Borrower to Lender under the Loan Agreement and any related loan and collateral security documents shall be paid and discharged in full; (ii) all unfunded commitments to make credit extensions or financial accommodations to Borrower or any other person under the Loan Agreement shall be terminated; (iii) all security interests and other liens, encumbrances or charges (including without limitation any movable hypothec) of every type at any time granted to or held by Lender as security for such indebtedness of Borrower shall be terminated and released; (iv) all guaranties supporting the Loan Agreement shall be terminated and released; and (v) all other obligations of Borrower under the Loan Documents (other than, and expressly excluding, 10.17 and 10.19 of the Loan Agreement, all of Borrower's indemnification obligations under the Loan Documents, including without limitation Section 10.03 of the Loan Agreement, and all of Borrower's, or its affiliates' (as applicable), obligations under this letter agreement and the Warrants) shall be deemed terminated.

Lender authorizes Borrower (or Borrower's designees), at Borrower's (or Borrower's designees') sole cost and expense, upon or after the Pay-Off Date, to (i) prepare and file any UCC Financing Statement Amendments or other documents necessary to evidence the termination of Lender's security interests in any of Borrower's property or assets (or that of any third party providing collateral security for the payment and performance of the Obligations) and (ii) deliver such termination notices relating to any deposit or securities account control agreements or other notices terminating Lender's security interest to third parties. Lender shall cooperate with Borrower, at Borrower's sole cost and expense, to execute and deliver any agreements, documents, and other instruments that may be reasonably requested and prepared by Borrower on or after the Pay-Off Date to evidence the termination of Lender's security interest in any of Borrower's property or assets.

For and in consideration of the agreements of the Lender contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Borrower and its affiliates hereby forever release and discharge the Lender and each of its and their respective officers, directors, employees, agents, affiliates, representatives, attorneys, successors and assigns (collectively, the "Released Parties") from any and all claims, causes of actions, damages and liabilities of any nature whatsoever, known or unknown, which the Borrower or any of its affiliates ever had, now has or might hereafter have against one or more of the Released Parties which relates directly or indirectly, to the Loan Documents, the transactions relating thereto or any other business dealings between the Released Parties and the Borrower, to the extent that any such claim, cause of action, damage or liability shall be based, in whole or in part, upon facts, circumstances, actions or events existing on or prior to the Pay-Off Date.

This letter agreement shall be governed by the internal laws of the State of Illinois, excluding conflicts of law principles, and shall become effective only when signed by Lender and accepted by Lender and Borrower by their due execution in the spaces provided below. This letter agreement shall be binding upon the heirs, successors, and assigns of the undersigned and shall inure to the benefit of the Lender and its respective successors and assigns. This letter agreement, to the extent signed and delivered by means of a facsimile machine or an Adobe Acrobat attachment to an e-mail, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto shall raise the use of a facsimile machine or e-mail to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or e-mail as a defense to the formation or enforceability of a contract and each party hereto forever waives any such defense.
