THIS TRADEMARK ASSIGNMENT (this "Assignment") is made as of this 13th day of January, 2017 (the "Effective Date"), by and between DUTKA INTERNATIONAL (PA) INC., a Pennsylvania corporation doing business as "Echo International" ("Assignor"), and TRUSTPOINT TRANSLATIONS, LLC, a Georgia limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), pursuant to which Assignor has agreed to sell and Assignee has agreed to purchaser, among other things, certain intellectual property of Assignor;

WHEREAS, Assignor is the owner of the entire right, title, and interest in, to, and under that certain United States trademark and related trademark application described and listed on Exhibit A hereto and the goodwill associated with all of the foregoing (collectively, the "Trademark"); and

WHEREAS, Assignee, at its request and direction, wishes to acquire, and Assignor wishes to assign all of Assignor's right, title, and interest in and to, the Trademark.

NOW, THEREFORE, for good and valuable consideration (including the promises and covenants set forth in the Purchase Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Assignor hereby irrevocably sells, assigns, transfers, and sets over to Assignee all of Assignor's right, title, and interest in and to the Trademark and all registrations, renewals, and extensions of the foregoing, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment had not been made, together with all claims for damages by reason of past, present, or future infringement or other unauthorized use of the Trademark, with the right to sue for and collect the same for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Assignor authorizes and requests the United States Commissioner for Trademarks and any other similar government authority to record Assignee as owner of the Trademark and issue any and all registrations issued thereon to Assignee, as assignee of the entire right, title, and interest in, to, and under the same, for the sole use and enjoyment of Assignee and its successors, assigns, or other legal representatives.

Assignor shall do such things as may be reasonably requested Assignee in order to more effectively consummate or document the transactions contemplated by this Assignment, including but not limited to the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney, or other documentation as may be reasonably required in the implementation or perfection of this Assignment and in the preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademark.

Except to that extent that federal law preempts state law with respect to the matters covered hereby, this Assignment shall be governed by and construed in accordance with the laws of the State of Georgia without giving effect to the principles of conflicts of laws thereof.
