## ASSIGNMENT OF INTELLECTUAL PROPERTY

This Assignment of Intellectual Property ("**Assignment**"), dated as of January 3, 2017, is entered into by and among It's A 10, Inc., a Florida corporation ("**IAT**"), Miracle 7, Inc., a Florida corporation ("**M7**"), Just for Extensions Inc., a Florida corporation ("**JFE**"), [REDACTED] (IAT, M7, JFE [REDACTED]), each an "**Assignor**", and collectively, the "**Assignors**", and It's A New 10, LLC, a Delaware limited liability company ("**Assignee**"). Capitalized terms used but not otherwise defined in this Assignment shall have the respective meanings ascribed to such terms in the Purchase Agreement (as defined below).

**WHEREAS**, each Assignor owns all right, title and interest throughout the world in and to the intellectual property set forth below its name on Schedule A attached hereto (including without limitation all marks therein and the goodwill associated therewith and symbolized thereby) (collectively, the "**IP**");

**WHEREAS**, subject to the Purchase Agreement, each Assignor desires to assign, transfer, convey and deliver all of such Assignor's right, title and interest throughout the world in and to the IP to Assignee; and

**WHEREAS**, subject to the Purchase Agreement, each Assignor and Assignee are hereby effecting such assignment, transfer, conveyance and delivery of all of the right, title and interest of each Assignor throughout the world in and to the IP.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor and Assignee hereby agree as follows:

1. Each Assignor has assigned, and hereby assigns, transfers, conveys and delivers, to Assignee, subject to the Purchase Agreement, all right, title and interest of such Assignor throughout the world in and to the IP, the same to be held and enjoyed by Assignee, its successors and assigns.

2. Each Assignor further assigns to Assignee all of such Assignor's right to sue for and receive all damages and benefits accruing from past, present or future infringements of the IP.

4. This Assignment is given pursuant to that certain Asset Purchase Agreement, dated as of December 12, 2016, by and among the Assignors, the Assignee and the Shareholders party thereto (the "**Purchase Agreement**"), and is subject to the terms thereof. This Assignment shall not be construed to amend the terms of the Purchase Agreement nor limit, alter, impair, enlarge or enhance the rights thereunder of the parties thereto. This Assignment is given solely for the purpose of separately evidencing certain of the transactions contemplated by the Purchase Agreement. Without limiting the generality of the foregoing, nothing contained herein shall relieve or release the parties to the Purchase Agreement from any of their respective covenants, obligations or duties under the Purchase Agreement, it being the intention of such parties that such covenants, obligations and duties shall survive the execution and delivery of this Assignment except to the extent otherwise expressly provided in the Purchase Agreement.

5. Binding Nature of Agreement; Assignment. This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, personal representatives, successors and assigns. No Seller may assign or transfer its, his or her rights or obligations under this Assignment unless the prior written consent of the Buyer are given for such assignment. Buyer may assign or transfer its rights or obligations under this Assignment to any Affiliate of Buyer without obtaining the consent of any party, but Buyer may not assign or transfer its rights or obligations under this Assignment to any Person who is not an Affiliate of Buyer, unless the prior written consent of the Sellers is given for such assignment. Nothing in this Assignment is intended to confer any rights or benefits to any third party.

6. Controlling Law. This Assignment and all questions relating to this Assignment's validity, interpretation, performance and enforcement, shall be governed by and construed, interpreted and enforced in accordance with the laws of the State of New York, notwithstanding any conflict-of-law provisions to the contrary.

7. Consent to Jurisdiction; Venue. Buyer and each Seller (i) irrevocably submits to the exclusive jurisdiction and venue of the federal and state courts of the State of Florida in any action arising out of or in any way connected to this Assignment, (ii) agree that all claims in such action may be decided only in such courts, (iii) waive, to the fullest extent they may effectively do so, the defense of an inconvenient forum, and (iv) consent to the service of process by mail. A final judgment in any such action shall be conclusive and may be enforced in other jurisdictions. Each party agrees that for any lawsuit between or among the parties arising in whole or in part under or in connection with this Assignment, such party will bring lawsuits only in the courts of the State of Florida located in Broward County. Each party further waives any claim and will not assert that venue should properly lie in any other location within the selected jurisdiction.

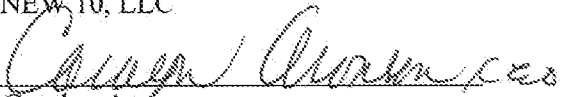

8. WAIVER OF JURY TRIAL. BUYER AND EACH SELLER KNOWINGLY, VOLUNTARILY, IRREVOCABLY, UNCONDITIONALLY AND INTENTIONALLY WAIVE THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED HEREON, ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS ASSIGNMENT OR ANY COURSE OF CONDUCT, COURSE OF DEALINGS, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PERSON OR PARTY AND RELATED TO THIS ASSIGNMENT; THIS IRREVOCABLE WAIVER OF THE RIGHT TO A JURY TRIAL BEING A MATERIAL INDUCEMENT FOR BUYER AND EACH SELLER TO ENTER INTO THIS ASSIGNMENT.

9. Execution. This Assignment may be executed in counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, and all of which shall together constitute one and the same instrument. This Assignment shall become binding when one or more counterparts hereof or thereof, individually or taken together, shall bear the signatures of all of the parties reflected here on or thereon, respectively, as the signatories. The facsimile or email transmission of a signed signature page, by any party to the other(s), shall constitute valid execution and acceptance of this Assignment by the signing/transmitting party.

IN WITNESS WHEREOF, the undersigned have executed and delivered this Assignment as of the date first above written.
