SECOND AMENDMENT TO MASTER TRADEMARK ASSIGNMENT

WHEREAS, pursuant to that certain Distribution Agreement dated effective October 31, 2014 (the "Distribution Agreement"), Kimberly-Clark Corporation ("KC") transferred to Halyard and its Affiliates substantially all of the assets and liabilities relating to KC's Healthcare Business; and

WHEREAS, pursuant to a Master Trademark Assignment Agreement ("Agreement") effective as October 30, 2014, Kimberly-Clark Worldwide, Inc., (hereinafter "**Assignor**") transferred to Avent, Inc., (hereinafter "**Assignee**") certain trademarks and goodwill of the business associated therewith, as well as certain associated trademark registrations and applications (all collectively referred to herein as the "**Intellectual Property**") related to KC's Health Care Business; and

WHEREAS, the Assignor and Assignee wish to amend the Agreement to include certain additional inadvertently omitted Intellectual Property the Assignor intended to assign and the Assignee intended to receive;

NOW THEREFORE, the Assignor and the Assignee hereby agree to amend Schedule B to the Agreement according to Amendment Appendix A, attached.

IN WITNESS WHEREOF, the Assignor and Assignee have executed this Assignment as of Jan 4, 2017.

KIMBERLY-CLARK WORLDWIDE INC.

Title: Secretary

AMENDMENT APPENDIX A

Amendment to Schedule B of the Agreement:

The following Trademark Registration is added:

Mark	Country	Application Number	Registration Number	Class and Goods Description
 SAFESKIN	USA	75011356	2033585	9 – Latex gloves for industrial protective use. 10 – Latex gloves for medical use.

MASTER TRADEMARK ASSIGNMENT

WHEREAS KIMBERLY-CLARK WORLDWIDE, INC., a corporation organized under the laws of the State of Delaware having a principal place of business in Neenah, Wisconsin ("Assignor K-C WORLDWIDE"), is the owner of certain rights, titles and interests in and to the trademarks set forth on the schedule attached hereto as Schedule A (the "Trademarks"), including but not limited to the registrations and applications for registration of certain of the Trademarks identified on the schedule attached hereto as Schedule B, and any and all goodwill of the business in connection with which the Trademarks are used and symbolized by the Trademarks (the Trademarks, such applications and registrations, and such goodwill, collectively, the "Intellectual Property"); and

WHEREAS AVENT, INC., a corporation organized under the laws of the State of Delaware having a principal place of business in Alpharetta, Georgia ("Assignee AVENT"), is desirous of acquiring the Intellectual Property from Assignor K-C WORLDWIDE; and

WHEREAS, the assignment of certain of the Intellectual Property, and registrations and applications for registration thereof including but not limited to those identified on the attached Schedule B, shall be made of record in trademark offices worldwide, as may be required by local law;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor K-C WORLDWIDE hereby assigns and transfers to Assignee AVENT, free and clear of all liens and encumbrances, all rights, titles and interests of Assignor K-C WORLDWIDE in and to the Intellectual Property, including the Trademarks, all applications and registrations identified on the attached Schedule B, and all goodwill of the

business in connection with which the Trademarks are used and symbolized by the Trademarks, whether registered or unregistered, as well as all rights to damages and profits, due or accrued, arising out of past infringements thereof, and the right to sue and recover for same.

Assignor K-C WORLDWIDE further agrees and covenants that it will execute or arrange for execution of such further assignment documents or other legal instruments as may be required from Assignor K-C WORLDWIDE, if any, to permit Assignee AVENT to obtain recordation as needed of any documents relating to the foregoing assignments from Assignor K-C WORLDWIDE to Assignee AVENT, including but not limited to country-specific or registration-specific assignment documents relating to the registrations and applications for registration identified on the attached Schedule B.

IN WITNESS WHEREOF, the parties have caused this Master Trademark Assignment to be signed by their duly authorized officers and delivered on this ____ day of _____, 2014.

KIMBERLY-CLARK WORLDWIDE, INC.

By: Jeff Doherty

COOLIEF	Japan	2013-069817	5655785	10 - Medical apparatus and instruments; Peristaltic pump apparatus for medical purposes
COOLIEF	Japan	2014-026831		10 - Medical apparatus and instruments; peristaltic apparatus for medical purposes (intended to cover cooled radio frequency pain management systems).
COOLIEF	South Africa	2014/09340		10 - Cooled radio frequency pain management systems
COOLIEF	United Arab Emirates	197773		10 - Cooled radio frequency pain management systems
COOLIEF	United States	86038013		10 - Electronic stimulation apparatus for use within the musculoskeletal system to target the nerves causing chronic back pain; high frequency electromagnetic therapy apparatus; medical devices, namely, peristaltic pump apparatus for recirculating sterile fluid in a sterile environment for medical use; medical instruments for use in radiofrequency ablation; surgical instruments for use in the musculoskeletal system, namely, cannulae, probes, and sheaths; water-cooled medical devices, namely, probes, introducers, and measuring and positioning devices to safely target the sensory nerves causing pain for medical use within the musculoskeletal system; and kits for medical purposes comprised of water-cooled components, namely probes, introducers, burettes, and measuring and positioning devices to safely target the sensory nerves causing pain, for medical use within the musculoskeletal system

Mark	Country	Application Number	Registration Number	Class and Goods Description
COOLIEF	United States	86301573		10 - Electronic stimulation apparatus for use within the musculoskeletal system to target the nerves causing chronic back pain; high frequency electromagnetic therapy apparatus; medical devices, namely, peristaltic pump apparatus for recirculating sterile fluid in a sterile environment for medical use; medical instruments for use in radiofrequency ablation; surgical instruments for use in the musculoskeletal system, namely, cannulae, probes, and sheaths; water-cooled medical devices, namely, probes, introducers, and measuring and positioning devices to safely target the sensory nerves causing pain for medical use within the musculoskeletal system; and kits for medical purposes comprised of water-cooled components, namely probes, introducers, burettes, and measuring and positioning devices to safely target the sensory nerves causing pain, for medical use within the musculoskeletal system
C-SERIES	Canada	1588876	872,261	10 - Infusion pumps for intravenously dispensing medications into patients
C-SERIES	European Community	009925777	009925777	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	Israel	237371	237371	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	Jamaica	58025	58025	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	Mexico	1171570	1238542	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	Panama	199600	199600	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	United Arab Emirates	158815		10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously administering chemotherapy to patients in an outpatient setting
C-SERIES	United States	85403726	4422380	10 - Surgical and medical apparatus for dispensing liquid medication under pressure for intravenously infusing into a patient

Mark	Country	Application Number	Registration Number	Class and Goods Description
CVARTS	Israel	89792	89792	10 - Disposable products for use during surgical procedures,surgical packs designed for various types of surgery
CVARTS	Japan	5-054537	3230521	10 - Surgical drapes and towels designed to protect the operational area of the patient from contamination during surgery, and other medical machines and instruments
CVARTS	Mexico	167693	459114	10 - Disposable products for use during surgical procedures,such as sterilization wraps, table covers, surgical drapes designed to protect the operational area of the patient from contamination during surgery, towels, and other disposable surgical components sold individually or in combination as surgical packs designed for various types of surgery
CVARTS	South Africa	93/4477	93/4477	10 - Surgical apparatus, instruments and products, including disposable products for use during surgical procedures,such as sterilization wraps, table covers, surgical drapes designed to protect the operational area of the patient from contamination during surgery, towels and other disposable surgical components sold individually or in combination as surgical packs designed for various types of surgery
CVARTS	Thailand	249581	TM18377	10 - Sterilization wrap; surgical drapes designed to protect the operational area of the patient from contamination during surgery; towels, table covers, gowns, leggings, caps, shoecovers and gloves used in the surgical theater during surgery
CVARTS	United States	74348175	1790263	10 - Drape sheets for surgery
DENTASWAB	United States	73700084	1509875	5 - Disposable oral swabs for therapeutic use on teeth
DESIGN STARS AND SMILEY FACE 	Canada	1218050	652630	10 - Disposable face mask 21 - Disposable face mask
DOUBLE SCRUB	United States	73485160	1328357	10 - A surgical scrub brush
DUCKBILL	Canada	555158	327413	9 - Disposable protective face masks for filtering out dust, oil or paint particulates 10 - Surgical masks
DUCKBILL	United States	73512860	1360376	10 - Surgical masks
EASI-LAV	United States	74092045	1655483	10 - Gastric lavage kits containing gastric lavage devices, tubes, and bags, for pumping stomachs

Mark	Country	Application Number	Registration Number	Class and Goods Description
ECHOBRIGHT	United States	85718719	4324227	10 - Medical apparatus, namely, a hypodermic needle for use in anesthesia
ECHOLONG	United States	85718707	4324224	10 - Medical apparatus, namely, a nerve block kit including a hypodermic needle and a catheter
ECLIPSE	European Community	161091	161091	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ECLIPSE	Jamaica	57813	57813	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ECLIPSE	Panama	199599	199599	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ECLIPSE	Singapore	T1104296J	T11042961	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ECLIPSE	United Arab Emirates	155260	155260	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ECLIPSE	Vietnam	4-2011-05779	198302	10 - Surgical and medical apparatus, namely disposable pressurized infusion apparatus for intravenously infusing ambulatory patients in an outpatient setting
ENDO-GUARD	United States	74167201	1690024	10 - Mouthpiece to protect the endoscope and the physicians' fingers during upper gastrointestinal fiberoptic endoscopy
EVOLUTION	Australia	A320017	A320017	22 - Tents, awnings, tarpaulins, sails, sacks & all other goods included in class 22
EVOLUTION	Australia	A313545	A313545	24 - Fabric for medical drapes
EVOLUTION	Australia	741824	741824	10 - Disposable products for use during surgical procedures, namely sterilization wraps, surgical table covers, surgical drapes designed to protect the operational area of the patient from contamination during surgery, surgical gowns, surgical towels and suture bags, the foregoing being sold individually or in combination as surgical packs designed for various types of surgery, but not including gloves
EVOLUTION	Austria		139556	24 - Non-woven fabrics not included in other classes
EVOLUTION	Bahrain	11120	11120	24 - Nonwoven fabric
EVOLUTION	Benelux	378216	378216	24 - Tissues (piece goods); bed & table covers, nonwoven fabrics as well as textile articles not included in other classes

Mark	Country	Application Number	Registration Number	Class and Goods Description

Mark	Country	Application Number	Registration Number	Class and Goods Description
TRACH CARE	Italy	RM91C/001321	982724	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Japan	03-031126	2537916	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Panama	178679	178679	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Peru	122898	71673	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Saudi Arabia	178562	143303622	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Spain	1643478	1643478	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Switzerland	389963	389963	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	United Arab Emirates	169230	169230	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	United States	73485167	1328358	10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE	Venezuela	1053-2009		10 - Tracheal ventilating and aspirating medical apparatus
TRACH CARE MAC	United States	74565646	1987599	10 - Tracheal ventilating and aspirating medical apparatus
TRANSDISCAL	Australia	1418101	1418101	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	Brazil	830939997		10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	Chile	947378	955259	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	China	9290366	9290366	10 - Medical apparatus and instruments (goods to be covered: Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment)
TRANSDISCAL	Colombia	11-040669	434166	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	India	2124214	2124214	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	Japan	2011-023594	5433077	10 - Medical machines and apparatus (intended to include: Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment)
TRANSDISCAL	New Zealand	839717	839717	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	Puerto Rico	75935		10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment

Mark	Country	Application Number	Registration Number	Class and Goods Description
TRANSDISCAL	Turkey	2011/44146	2011/44146	10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
TRANSDISCAL	United States	77535960	3685099	10 - Cannulae; catheters; catheters and parts and fittings therefor; electromedical rehabilitative and pain management products for clinical and home use, namely, electrical nerve and muscle stimulators, ultrasonic stimulators, magnet therapy stimulators and laser therapy stimulators; medical electrodes; medical instruments for use in pain management; medical needles and introducers
TRANSDISCAL	Venezuela	6455-2011		10 - Probes and sensors utilizing water cooled radio frequency for pain management relating to disc treatment
	United States	77535885	3781986	10 - Cannulae; catheters; catheters and parts and fittings therefor; electromedical rehabilitative and pain management products for clinical and home use, namely, electrical nerve and muscle stimulators, ultrasonic stimulators, magnet therapy stimulators and laser therapy stimulators; medical apparatus, namely, implantable ports; medical electrodes; medical instruments for use in pain management; medical needles and introducers; ultrasound probe for medical use
U-BAR	Austria	141850	141850	10 - Disposable products for the surgical use (not included in other classes), especially surgical drapes
U-BAR	Benelux	768712	500571	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	Canada	545792	316438	10 - Disposable surgical drape packs and pack components made principally of nonwoven material
U-BAR	Denmark	6316/1991	4477/1992	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	France	307087	1692441	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	Germany (Federal Republic of)	K58627/10/WZ	2032558	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack

Mark	Country	Application Number	Registration Number	Class and Goods Description
U-BAR	Greece	105915	105915	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	Italy	91/C003292	985821	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	Mexico	118359	454659	10 - Disposable surgical drapes designated to protect the operational area of the patient from contamination during surgery
U-BAR	Switzerland	6078/1991.4	394453	10 - Disposable products for use during surgical procedures, including surgical drapes for the protection of the operational area of the patient during surgery, sold individually or in combination as a surgical pack
U-BAR	United States	73044972	1034630	5 - Disposable surgical drape packs & pack components made principally of nonwoven material
VALUESELECT	European Community	2813889	2813889	10 - Disposable products for use during medical or surgical procedures, such as disposable garments and gowns worn by either patients or medical/surgical personnel for protection from contamination or infection; surgical drapes designed to protect the operational area of the patient from contamination during surgery, and other disposable surgical components sold individually or in combination as surgical packs designed for various types of surgery; latex gloves and non-latex gloves for medical purposes 25 - Laboratory coats, coveralls, footwear, headwear, bouffant caps
VALUESELECT	Israel	158820	158820	10 - Disposable products for use during medical or surgical procedures, such as disposable garments and gowns worn by either patients or medical/surgical personnel for protection from contamination or infection; surgical drapes designed to protect the operational area of the patient from contamination during surgery, and other disposable surgical components sold individually or in combination as surgical packs designed for various types of surgery; latex gloves and non-latex gloves for medical use

Mark	Country	Application Number	Registration Number	Class and Goods Description
