## REAFFIRMATION AND AMENDMENT OF IP SECURITY AGREEMENT

January 20, 2017

Reference is made to the Amended and Restated Credit Agreement, dated on or about the date hereof (as the same may amended, restated, modified, and/or supplemented from time to time, the "A&R Credit Agreement") by and among MANUFACTURERS AND TRADERS TRUST COMPANY as the Issuing Bank, a Lender, the Swingline Lender and the Administrative Agent (together with its successors and assigns in such capacity, the "Administrative Agent"), the LENDERS party thereto, UTZ QUALITY FOODS, LLC, a Delaware limited liability company (the "Borrower"), UM-U INTERMEDIATE, LLC, a Delaware limited liability company ("UM-U Parent"), UM-R INTERMEDIATE, LLC, a Delaware limited liability company ("UM-R Parent"), and SRS LEASING, LLC, a Delaware limited liability company ("SRS Leasing Parent" and, together with UM-U Parent and UM-R Parent, the "Parents"). The A&R Credit Agreement amends and restates that certain Credit Agreement, dated as of September 20, 2016, by and among the Administrative Agent, the Borrower and the Parents (as amended, modified and/or supplemented prior to the effectiveness of the A&R Credit Agreement, the "Existing Credit Agreement"). Unless otherwise indicated, all capitalized terms used but not defined in this document shall have the meaning ascribed to such terms in the A&R Credit Agreement.

1. Reaffirmation. To induce the Administrative Agent and the Lenders to enter into the A&R Credit Agreement, each of the undersigned hereby reaffirms its obligations under the Security Agreement (as amended pursuant to paragraph 2 below, and as the same may be further amended, restated, modified, and/or supplemented from time to time, the "IP Security Agreement"), dated as of November 18, 2016, by and between the Administrative Agent, the Borrower and the Grantors (as defined therein), attached hereto as Exhibit A, including, without limitation, the grant of security interest contained therein. The IP Security Agreement, as amended pursuant to paragraph 2 below, is (x) incorporated herein by reference and (y) ratified in its entirety. Without limiting the foregoing, each of the undersigned ratifies its grant of security in the Marks, Patents and Copyrights (each as defined in the IP Security Agreement) and confirms that the same secures all of the Secured Obligations.

2. Additional Marks. Attached hereto as Exhibit B are trademarks owned by the Grantors that were not listed on Exhibit 1 (List of U.S. Trademark Applications and Registrations) to the IP Security Agreement (the "Additional Marks"). The IP Security Agreement is hereby amended to incorporate the Additional Marks into Exhibit 1 as if the Additional Marks were originally listed thereon. The Grantors hereby acknowledge that they have granted to the Administrative Agent a security interest and lien in and to the Additional Marks, the terms of such grant as set forth in the IP Security Agreement. This Reaffirmation and Amendment of IP Security Agreement (this "Reaffirmation") will be filed with the United States Patent and Trademark Office and the United States Copyright Office to, among other things, indicate that the Administrative Agent is collateral assignee with respect to the Additional Marks.

3. Representations and Warranties. Each of the undersigned persons represents and warrants to Administrative Agent and Lenders that: (a) the execution, delivery and performance of this Reaffirmation has been duly authorized by all requisite corporate, limited liability company, partnership or other action on the part of such person, (b) this Reaffirmation has been duly executed and delivered by such person and (c) this Reaffirmation constitutes a valid and binding agreement of such person, enforceable against such person in accordance with its terms, except as such enforceability may be limited by applicable Debtor Relief Laws and by general principles of equity.

4. References. Each of the undersigned agrees that the IP Security Agreement shall remain in full force and effect following the execution and delivery of the A&R Credit Agreement and that all references in the IP Security Agreement to the "Credit Agreement" shall be deemed to refer to the A&R Credit Agreement as referenced above.

5. No Novation. None of the A&R Credit Agreement, this Reaffirmation or any other instrument or agreement serves as a novation of the obligations under the Existing Credit Agreement, any collateral security provided in connection therewith or any obligations under the IP Security Agreement entered into in connection therewith.

6. Governing Law. THIS REAFFIRMATION SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

7. Counterparts and Copies. This Reaffirmation may be executed in any number of counterparts, each of which shall be an original and all of which shall constitute the same document. Signatures delivered through portable document format (PDF), facsimile or other electronic means shall be deemed to be the functional equivalent of a manually executed original for all purposes.

**Exhibit A**

**IP Security Agreement  
(see attached)**

## SECURITY AGREEMENT

This SECURITY AGREEMENT (this "**Agreement**") dated as of November 18, 2016, is made by and between Manufacturers and Traders Trust Company, as Administrative Agent for itself as a Lender and on behalf of the other Lenders, as that term is defined in the Credit Agreement referred to below (in such capacity, together with its successors and assigns, the "**Agent**"), Utz Quality Foods, LLC (the "**Borrower**") and the other signatories hereto (collectively, together with their respective successors and assigns, the "**Grantors**").

WHEREAS, this Agreement will be filed with the United States Patent and Trademark Office and the United States Copyright Office to, among other things, indicate that the Agent is collateral assignee with respect to the Marks (as defined herein) listed on Exhibit 1 hereto, the Patents (as defined herein) listed on Exhibit 2 hereto, and the Copyrights (as defined herein) listed on Exhibit 3;

WHEREAS, Grantors are the owners of certain (i) trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, logos, designs, domain names and other source or business identifiers now existing and hereafter adopted or acquired, (ii) patents, and (iii) copyrights including, without limitation, those listed on Exhibit 1, Exhibit 2, and Exhibit 3 respectively, hereto, together with pending applications therefor, all registrations and recordings thereof, whether in the United States Patent and Trademark Office, the United States Copyright Office, or in any similar office or agency of the United States or any State thereof, or in any similar office or agency of any foreign country, or otherwise, all rights to obtain any reissues, renewals or extensions of the foregoing, all common law rights related thereto with respect to the Copyrights, Marks and the Patents, the goodwill associated with the Marks, all licenses for any of the foregoing, and all causes of action arising prior to or after the date hereof for infringement, dilution, misappropriation, violation and unfair competition of or regarding the same, (collectively, the "**Marks**", the "**Patents**", and the "**Copyrights**", respectively); and

WHEREAS, the Grantors and the Agent entered into that certain Credit Agreement dated as of September 20, 2016 (as the same may be amended, restated, modified, supplemented and/or replaced from time to time, the "**Credit Agreement**"), pursuant to which the Agent and the other Lenders referred to in the Credit Agreement have made and may make certain loans and other extensions of credit to the Borrower on the terms and conditions described therein; and

WHEREAS, such loans and other extensions of credit under the Credit Agreement are secured by, among other things, a security interest in favor of the Agent in the Marks, the Patents, and the Copyrights.

NOW, THEREFORE, the Grantors hereby acknowledge that they have granted to the Agent a security interest and lien in and to the Marks and the Patents. The parties acknowledge and agree that the terms of such grant are more fully set forth in the Security Agreement entered into in connection with the Credit Agreement, and the grant referred to in this Agreement does not restrict those provisions in any way.
