THIS AMENDED AND RESTATED SECURITY AGREEMENT effective as of August 4, 2015 is made by WHEELS GROUP INC. (the “**Borrower**”), 1371482 ONTARIO INC., WHEELS MSM CANADA INC., 2062698 ONTARIO INC., ASSOCIATE CARRIERS CANADA INC., WHEELS ASSOCIATE CARRIERS INC., CLIPPER EXXPRESS COMPANY, WHEELS MSM US, INC., RADIANT GLOBAL LOGISTICS LTD., RADIANT LOGISTICS, INC., RADIANT GLOBAL LOGISTICS, INC., RADIANT TRANSPORTATION SERVICES, INC., RADIANT LOGISTICS PARTNERS LLC, ADCOM EXPRESS, INC., RADIANT CUSTOMS SERVICES, INC., DBA DISTRIBUTION SERVICES, INC., INTERNATIONAL FREIGHT SYSTEMS (OF OREGON), INC., RADIANT OFF-SHORE HOLDINGS LLC, GREEN ACQUISITION COMPANY, INC., ON TIME EXPRESS, INC., RADIANT TRADE SERVICES, INC., SERVICE BY AIR, INC., SBA CONSOLIDATORS, INC. AND HIGHWAYS & SKYWAYS, INC. (collectively, together with the Borrower and their respective successors and permitted assigns, the “**Grantors**”), in favour of INTEGRATED PRIVATE DEBT FUND IV LP, as lender (together with its successors and permitted assigns, the “**Secured Party**”).

WHEREAS each of the Grantors (other than the Borrower) has granted a guarantee in favour of the Secured Party in respect of all Indebtedness of the Borrower to the Secured Party in connection with the Loan Documents.

AND WHEREAS each of the Canadian Grantors has executed a General Security Agreement dated as of the date hereof (as amended, restated, supplemented, renewed, replaced or otherwise modified or replaced from time to time, each a “**General Security Agreement**” and collectively the “**General Security Agreements**”);

AND WHEREAS pursuant to the General Security Agreements and the Loan Agreement, each Grantor has granted a security interest in certain property, including, without limitation certain Intellectual Property Rights of the Grantor, to the Secured Party and each Grantor has agreed to execute this Agreement for recording with the Canadian Intellectual Property Office (“**CIPO**”);

AND WHEREAS effective April 16, 2015 Bluenose Finance LLC, originally a Grantor, was dissolved.

NOW THEREFORE for good and valuable consideration, the receipt and sufficiency of which is acknowledged by each of the Grantors, the Grantors agree with the Secured Party as follows:

1. All capitalized terms not otherwise defined herein shall have the meaning ascribed thereto in the General Security Agreement, which definitions are incorporated herein by reference. Capitalized terms that are not defined in this Security Agreement or the General Security Agreement, shall have the same definitions as in the Loan Agreement (as defined in the General Security Agreement), which definitions are incorporated herein by reference. In addition, in this Security Agreement, the following words and expressions shall have the meanings set forth below:
 - (a) “**Security Agreement**” means this security agreement as the same may hereafter be amended, restated, supplemented, renewed, replaced or otherwise modified or replaced from time to time.
 - (b) “**Property**” means any right, title or interest in or to property of any kind whatsoever, whether real, personal, or mixed, and whether tangible or intangible.

- (c) “IP” means all Intellectual Property Rights (whether registered or unregistered) owned solely or in part by the Grantors including without limitation the Intellectual Property listed in **Schedule “A”** attached hereto.
2. As general and continuing collateral for the prompt and complete payment when due of the Obligations, the Grantors hereby grant to the Secured Party a security interest in all of each Grantor’s now owned and hereafter acquired, created or arising Property described below:
- (a) each Grantor’s entire right, title and interest in and to the IP, in Canada and in all foreign countries, whether or not such IP is registered or has been registered prior to, on or after the date of this Security Agreement, including but not limited to the IP listed in **Schedule “A”**, and any filings, registrations and recordings of, and applications for, any thereof, together with all the goodwill associated with any of the foregoing;
 - (b) all license or other rights to use any of the IP listed in **Schedule “A”** and all license fees and royalties due or payable to the Grantor arising from such use, to the extent permitted by such license or rights; and
 - (c) all income, proceeds, royalties, damages, payments, claims, demands, and causes of action, both statutory and based upon common law, and in law or equity, that the Grantors have or might have by reason of any infringement, passing off, depreciation of goodwill or otherwise, past, present or future, of any IP prior to, on or after the date of this Security Agreement, and all rights corresponding thereto throughout the world.
3. This Agreement has been entered into in connection with the security interests granted to Secured Party under the General Security Agreements. The rights and remedies of Secured Party with respect to the security interests granted herein are without prejudice to, and are in addition to, those set forth in the General Security Agreements.
4. For the avoidance of doubt, the Secured Party and Grantors agree and confirm that the security interest referred to herein and, insofar as the security interest in the Collateral extends to IP, the security interest referred to in Section 1.1 of the General Security Agreement, is not in the nature of an absolute or partial assignment of IP but is rather in the nature of a conditional assignment of IP which is capable of becoming an absolute assignment only upon the occurrence of, and during the continuance of, an Event of Default.
5. This Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of the security interests herein with CIPO or any other comparable governmental office or agency in Canada or the United States of America. The Grantors authorize and request that the Commissioner of Patents and Trademarks record this Security Agreement.
6. Except (i) with the Secured Party’s prior written consent, (ii) for licenses of the IP in the ordinary course of the Grantors’ business consistent with past practices, or (iii) as permitted hereunder and in the Loan Documents, no Grantor shall (x) mortgage, pledge, assign, encumber, grant a security interest in, transfer or alienate any of the IP, or (y) enter into any agreement that is inconsistent with the Grantors’ obligations under this Security Agreement.
7. The Grantors jointly and severally represent and warrant to the Secured Party as follows:
- a. all Grantors are duly authorized and empowered to execute and perform this Security Agreement;

- b. no Grantor is a party to any agreements or instruments that are in conflict with this Security Agreement or which would cause any lien to be created on the IP;
 - c. **Schedule "A"** attached hereto, as amended, restated, supplemented, renewed, replaced or otherwise modified or replaced from time to time, sets forth any and all of the Grantor's IP including but not limited to any and all trademarks in connection to which the Grantors have registered or filed an application with CIPO or the United States Patent and Trademark Office ("**USPTO**");
 - d. the Grantors shall promptly advise the Secured Party of any right, title or interest any Grantor acquires in or to any IP after the date hereof;
 - e. the Grantors shall (i) consistent with Grantors' commercially reasonable judgment, protect, defend and maintain the validity and enforceability of the IP and (ii) use its commercially reasonable efforts to detect infringements of the IP and promptly advise the Secured Party in writing of infringements detected;
 - f. this Security Agreement constitutes a legal, valid and binding agreement and is enforceable against the Grantors in accordance with its terms; and
 - g. none of the execution, delivery or performance of this Security Agreement nor the consummation of the transactions contemplated hereby will violate any law, rule, regulation, or order affecting the Grantors, any of their affiliates or any of their assets or properties.
8. If, before the Obligations shall have been finally paid and satisfied in full, any Grantor shall obtain any right, title or interest in or to any other or new IP, the provisions of this Security Agreement shall automatically apply thereto and the Grantors shall promptly provide to the Secured Party notice thereof in writing and execute and deliver to the Secured Party such documents or instruments as the Secured Party may request to further implement, preserve or evidence the Secured Party's interest therein.
9. The Grantors agree that they shall do, execute, acknowledge and deliver, all commercially reasonable acts, agreements, instruments, consents, notices and assurances as may be requested by the Secured Party to further effect and evidence this Security Agreement and enforcement of the same hereunder and the transactions contemplated hereby.
10. Following the occurrence of an Event of Default which is continuing, the Grantors hereby appoint the Secured Party as the Grantors' attorney-in-fact, with full authority in the place and stead of the Grantors and in the name of the Grantors, the Secured Party or otherwise, from time to time in the Secured Party's discretion, upon the Grantors' failure or inability to do so, to take any action and to execute any instrument which the Secured Party may deem necessary or advisable to accomplish the purposes of this Security Agreement.
11. This Security Agreement may not be modified or amended unless such modification or amendment is in a writing signed by the Grantors and the Secured Party. The provisions of this Security Agreement may not be waived unless such waiver is in a writing signed by the parties.
12. If any provision of this Security Agreement shall be held invalid or unenforceable, in whole or in part, or as applied to any circumstance, under the laws of any jurisdiction which may govern for

such purpose, then such provision shall be deemed to be modified or restricted to the extent and in the manner necessary to render the same valid and enforceable, either generally or as applied to such circumstance, or shall be deemed excised from this Security Agreement, as the case may require, and this Security Agreement shall be construed and enforced to the maximum extent permitted by law as if such provision had been originally incorporated herein as so modified or restricted, or as if such provision had not been originally incorporated herein, as the case may be.

13. This Security Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Other than in connection with the Post-Closing Reorganization (as defined in the Loan Documents), the obligations of the Grantors under this Security Agreement are not assignable to any other Person without the prior written consent of the Secured Party. The Secured Party may, at any time, assign or transfer all or any of its rights and benefits hereunder to one or more Persons without the prior written consent of, but on notice to, the Grantors.
14. This Security Agreement shall be governed by, construed and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
15. This Security Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which shall constitute one agreement. All counterparts shall be construed together and shall constitute one and the same agreement. This Security Agreement, to the extent signed and delivered by means of electronic transmission (including, without limitation, facsimile and PDF transmissions), shall be treated in all manner and respects as an original agreement and should be considered to have the same binding legal effect as if it were the original signed version thereof personally delivered.
16. In the event of any inconsistency between the terms of this Security Agreement and the terms of the General Security Agreements, the terms of the General Security Agreements will prevail.

[signature pages follow]

IN WITNESS WHEREOF, and intending to be legally bound hereby, each of the Grantors has executed this Security Agreement effective as of the date first above written.
