THIS INSTRUMENT AND THE RIGHTS AND OBLIGATIONS EVIDENCED HEREBY ARE SUBORDINATE TO THE RIGHTS AND OBLIGATIONS OF THE PRIVATEBANK AND TRUST COMPANY AND ITS SUCCESSORS AND ASSIGNS PURSUANT TO THE TERMS OF A SUBORDINATION AND INTERCREDITOR AGREEMENT DATED DECEMBER 21, 2011, AS SUCH AGREEMENT MAY FROM TIME TO TIME BE AMENDED, RESTATED OR OTHERWISE MODIFIED (OR ANY SUCCESSOR AGREEMENT WHICH REPLACES AND REFERENCES SUCH AGREEMENT). PURSUANT TO THE SUBORDINATION AND INTERCREDITOR AGREEMENT THE SECURED PARTY MAY NOT RECORD THIS AGREEMENT WITH THE USPTO UNTIL THE SENIOR INDEBTEDNESS HAS BEEN PAID IN FULL.

AMENDED AND RESTATED  
INTELLECTUAL PROPERTY SECURITY AGREEMENT  
(Borrower)

This AMENDED AND RESTATED INTELLECTUAL PROPERTY SECURITY AGREEMENT (as the same may from time to time be amended, restated or otherwise modified, this "Agreement") is made effective as of the 21st day of December, 2011 by AMISTCO SEPARATION PRODUCTS, INC., a Texas corporation ("Borrower"), in favor of THE HUNTINGTON CAPITAL INVESTMENT COMPANY, an Ohio corporation ("Secured Party").

1. Recitals.

Borrower is entering into that certain Amended and Restated Senior Subordinated Note Purchase Agreement, dated as of December 21, 2011, with Secured Party (as the same may from time to time be amended, restated or otherwise modified, the "Purchase Agreement"). This Agreement amends and restates that certain Intellectual Property Security Agreement executed by Borrower in favor of Lender, dated July 1, 2011.

Borrower deems it to be in the direct pecuniary and business interests of Borrower that Borrower sell to Secured Party the Note, as defined in the Purchase Agreement.

Borrower understands that Secured Party is willing to enter into the Purchase Agreement and grant the financial accommodations provided for in the Purchase Agreement only upon certain terms and conditions, one of which is that Borrower grant to Secured Party a security interest in the Collateral, as hereinafter defined, and this Agreement is being executed and delivered in consideration of Secured Party entering into the Purchase Agreement and each financial accommodation granted to Borrower by Secured Party, and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged.

2. Definitions. Except as specifically defined herein, (a) capitalized terms used herein that are defined in the Purchase Agreement shall have their respective meanings ascribed to them in the Purchase Agreement, and (b) unless otherwise defined in the Purchase Agreement, terms that are defined in the U.C.C. are used herein as so defined. As used in this Agreement, the following terms shall have the following meanings:

“Administrative Agent” means The PrivateBank and Trust Company, an Illinois banking corporation (administrative agent for and on behalf of lenders) or any successor thereto.

“Assignment” means an Assignment in the form of Exhibit A attached hereto.

“Collateral” means, collectively, all of Borrower’s existing and future right, title and interest in, to and under (a) industrial designs, patents, patent registrations, patent applications, trademarks, trademark registrations, trademark applications, service marks, trade names and copyright registrations, and other intellectual property or registrations, whether federal, state or foreign, including, but not limited to, those federally registered patents, trademarks and copyrights listed on Schedule 1 hereto (as such Schedule 1 may from time to time be amended, supplemented or otherwise modified); (b) common law trademark rights, copyrights, rights in trade dress, publicity, works of authorship and other unregistered copyrightable material, improvements, and proprietary and confidential information, including, without limitation, personal, financial, and other sensitive data, plans, know-how, processes, formulae, algorithms and inventions; (c) renewals, continuations, extensions, reissues and divisions of any of the foregoing; (d) rights to sue for past, present and future infringements or any other commercial tort claims relating to any of the foregoing; (e) licenses and all income, revenue and royalties with respect to any licenses, whether registered or unregistered and all other payments earned under contract rights relating to any of the foregoing; (f) general intangibles and all intangible intellectual or similar property of Borrower connected with and symbolized by any of the foregoing; (g) goodwill associated with any of the foregoing; (h) all payments under insurance, including the returned premium upon any cancellation of insurance (whether or not Secured Party is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to any of the foregoing; and (i) Proceeds of any of the foregoing.

“Event of Default” means an event or condition that constitutes an Event of Default, as defined in Section 8.1 hereof.

“ITU Application” means a trademark application filed with the USPTO pursuant to 15 U.S.C. § 1051(b).

“Obligations” means, collectively, all indebtedness and other obligations evidenced by the Note Purchase Documents and any other indebtedness or other obligations now owing, or that hereafter may become owing, from Borrower or any of its affiliates, to the Secured Party, howsoever such indebtedness and other obligations may be hereafter created, extended, renewed or evidenced, and any extensions, renewals, modifications, and amendments thereof, all accrued interest thereon, and every other liability, now or hereafter owing to the Secured Party (or any affiliate of the Secured Party) by Borrower or any of its affiliates..

“Proceeds” means (a) proceeds, as that term is defined in the U.C.C., and any other proceeds, and (b) whatever is received upon the sale, exchange, collection or other disposition of Collateral or proceeds, whether cash or non-cash. arising when the right to payment is earned under a contract right, any insurance payable by reason of loss or damage to the Collateral, and any return or unearned premium upon any cancellation of insurance. Except as expressly authorized in this Agreement, the right of Secured Party to Proceeds specifically set forth herein, or indicated in any financing statement, shall never constitute an express or implied authorization on the part of Secured Party to Borrower's sale, exchange, collection, or other disposition of any or all of the Collateral.

"Related Expenses" means reasonable costs, liabilities and expenses (including, without limitation, losses, damages, penalties, claims, actions, reasonable attorneys' fees, legal expenses, judgments, suits and disbursements) (i) incurred by, imposed upon or asserted against Secured Party, in any attempt by Secured Party to (A) enforce this Agreement or any other Note Purchase Document or obtain, preserve, perfect or enforce any security interest evidenced by any Note Purchase Document; (B) obtain payment, performance or observance of any and all of the Obligations; or (C) maintain, insure, audit, collect, preserve, repossess or dispose of any of the collateral securing the Obligations or any part thereof, including, without limitation, costs and expenses for appraisals, assessments and audits of any Credit Party or any such collateral; or (ii) incidental or related to subpart (a) above, including, without limitation, interest thereupon from the date incurred, imposed or asserted until paid at the Default Interest Rate.

3. Grant of Security Interest. In consideration of and as security for the full and complete payment of all of the Obligations, Borrower hereby agrees that Secured Party shall at all times have, and hereby grants to Secured Party, a second priority security interest in all of the Collateral (second only to Senior Lender in accordance with the Subordination Agreement), including (without limitation) all of Borrower's future Collateral, irrespective of any lack of knowledge by Secured Party of the creation or acquisition thereof. Pledgor and Secured Party hereby acknowledge and agree that, with respect to any ITU Application included within the Collateral, to the extent such an ITU Application would, under the Trademark Act, be deemed to be transferred in violation of 15 U.S.C. § 1060(a) as a result of the security interest granted herein, or otherwise invalidated or made unenforceable as a result of the execution or performance of this Agreement, no security interest shall be deemed to have been granted in such ITU Application (notwithstanding the provisions of this Agreement or any other Loan Document) until such time as the circumstances that would give rise to such violation, invalidation or unenforceability no longer exist.

4. Representations and Warranties. Borrower hereby represents and warrants to Secured Party as follows:

4.1. Borrower owns or has the right to use all of the Collateral and, whether the same are registered or unregistered, no such Collateral has been adjudged invalid or unenforceable.

4.2. The Collateral is valid and enforceable.

4.3. Borrower has no knowledge of any material claim that the use of any of the Collateral does or may violate the rights of any Person.

4.4. Except for Permitted Liens, Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Collateral, free and clear of any liens, charges and encumbrances, including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by Borrower not to sue third Persons, in each case except for Permitted Liens.

4.5. Borrower has full power, authority and legal right to pledge the Collateral and enter into this Agreement and perform its terms.

4.6. Borrower has used, and shall continue to use, for the duration of this Agreement, proper statutory notice in connection with its use of the Collateral, except where the failure to do so will not have a material adverse effect on Borrower.

5. Further Assignment Prohibited. Borrower shall not enter into any agreement that is inconsistent with Borrower's obligations under this Agreement and shall not otherwise sell or assign its interest in, or, except as permitted in the Purchase Agreement, grant any license or sublicense with respect to, any of the Collateral without the prior written consent of Secured Party. Absent such prior written consent, any attempted sale or license is null and void.

6. Right to Inspect. Borrower hereby grants to Secured Party and its employees and agents the right, during regular business hours, and absent an Event of Default, with prior notice, to visit any location of Borrower or, if applicable, any other location, and to inspect the products and quality control records relating thereto at Borrower's expense.

7. Standard Patent and Trademark Use. Borrower shall not knowingly use the Collateral in any manner that would jeopardize the validity or legal status thereof. Borrower shall comply with all patent marking requirements as specified in 35 U.S.C. §287. Borrower shall use commercially reasonable efforts to conform its usage of any trademarks to standard trademark usage, including, but not limited to, using the trademark symbols ®, ™, and ™ where appropriate.

8. Events of Default and Remedies. The provisions of this Section 8 shall not apply until the Senior Indebtedness has been indefeasibly paid in full.

8.1. The occurrence of an Event of Default, as defined in the Purchase Agreement, shall constitute an Event of Default.

8.2. Borrower expressly acknowledges that Secured Party, subject to the terms of the Subordination Agreement, shall record this Agreement with the USCO and the USPTO, as appropriate. Contemporaneously herewith, Borrower shall execute and deliver to Secured Party the Assignment, which Assignment shall have no force and effect and shall be held by Secured Party in escrow until the occurrence of an Event of Default; provided, that, anything herein to the contrary notwithstanding, the security interest and collateral assignment granted herein shall be effective as of the date of this Agreement. Upon the occurrence and during the continuance of an Event of Default, and subject to the terms of the Subordination Agreement, the Assignment shall, at the option of the Secured Party, immediately take effect upon certification of such fact by an authorized officer of Secured Party in the form reflected on the face of the Assignment and Secured Party may, in its sole discretion, record the Assignment with the USCO and the USPTO, as appropriate.

8.3. If an Event of Default shall occur and be continuing, Borrower irrevocably authorizes and empowers Secured Party to terminate Borrower's use of the Collateral and to exercise such rights and remedies as allowed by law, subject to the terms of the Subordination Agreement. Without limiting the generality of the foregoing, after any delivery or taking of possession of the Collateral, or any thereof, pursuant to this Agreement, then, with or without resort to Borrower or any other Person or property, all of which Borrower hereby waives, and upon such terms and in such manner as Secured Party may deem advisable, Secured Party, in its sole discretion, may sell, assign, transfer and deliver any of the Collateral, together with the associated goodwill, or any interest that Borrower may have therein, at any time, or from time to time. No prior notice need be given to Borrower or to any other Person in the case of any sale of Collateral that Secured Party determines to be declining speedily in value or that is customarily sold in any recognized market, but in any other case Secured Party shall give Borrower no fewer than ten days prior notice of either the time and place of any public sale of the Collateral or of the time after which any private sale or other intended disposition thereof is to be made. Borrower waives advertisement of any such sale and (except to the extent specifically required by the preceding sentence) waives notice of any kind in respect of any such sale. At any such public sale, Secured Party may purchase the Collateral, or any part thereof, free from any right of redemption, all of which rights Borrower hereby waives and releases. After deducting all Related Expenses, and after paying all claims, if any, secured by liens having precedence over this Agreement, Secured Party may apply the net proceeds of each such sale to or toward the payment of the Obligations, whether or not then due, in such order and by such division as Secured Party in its sole discretion may deem advisable. Any excess, to the extent permitted by law, shall be paid to Borrower, and the obligors on the Obligations shall remain liable for any deficiency. In addition, Secured Party shall, subject to the terms of the Subordination Agreement, at all times have the right to obtain new appraisals of Borrower or the Collateral, the cost of which shall be paid by Borrower.

9. Maintaining Collateral; Attorneys' Fees, Costs and Expenses. Borrower shall have the obligation and duty to perform all acts necessary to maintain or preserve the Collateral, provided that Borrower shall not be obligated to maintain any Collateral in the event Borrower

determines, in the reasonable business judgment of Borrower, that the maintenance of such Collateral is no longer necessary in Borrower's business. Any and all fees, costs and expenses, of whatever kind or nature, including, without limitation, the attorneys' fees and legal expenses incurred by Secured Party in connection with the amendment and enforcement of this Agreement, all renewals, required affidavits and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Collateral, shall be borne and paid by Borrower, upon demand by Secured Party, and, until so paid, shall be added to the principal amount of the Obligations.

10. Borrower's Obligation to Prosecute. Except as otherwise agreed to by Secured Party in writing, Borrower shall have the duty to prosecute diligently any patent, trademark, service mark or copyright application pending as of the date of this Agreement (unless otherwise determined in the business judgment of the Borrower) or thereafter until the Obligations shall have been paid in full, to file and prosecute opposition and cancellation proceedings and to do any and all acts that are necessary or desirable to preserve and maintain all rights in the Collateral, including, but not limited to, payment of any maintenance fees, except in each case as determined to not be material to the business of the Borrower in its business judgment. Any expenses incurred in connection with the Collateral shall be borne by Borrower. Borrower shall not abandon any Collateral without the prior written consent of Secured Party, unless such abandonment will not have a material adverse effect on Borrower or such abandonment is in connection with the abandonment of a product or product line.

11. Secured Party's Right to Enforce. The provisions of this Section 11 shall not apply until the Senior Indebtedness has been indefeasibly paid in full. Borrower shall have the right to bring any opposition proceeding, cancellation proceeding or lawsuit in its own name to enforce or protect the Collateral. Secured Party shall have the right, subject to the terms of the Subordination Agreement, but shall have no obligation, to join in any such action. Borrower shall promptly, upon demand, reimburse and indemnify Secured Party for all damages, reasonable costs and expenses, including attorneys' fees incurred by Secured Party in connection with the provisions of this Section 11, in the event Secured Party elects to join in any such action commenced by Borrower.

12. Power of Attorney. Effective after the Borrower's indefeasible payment in full of the Senior Indebtedness, Borrower hereby authorizes and empowers Secured Party to make, constitute and appoint any officer or agent of Secured Party as Secured Party may select, in its exclusive discretion, as Borrower's true and lawful attorney-in-fact, with the power to endorse, after the occurrence and during the continuance of an Event of Default, and subject to the terms of the Subordination Agreement, Borrower's name on all applications, documents, papers and instruments necessary for Secured Party to use the Collateral, or to grant or issue any exclusive or nonexclusive license under the Collateral to any third party, or necessary for Secured Party to assign, pledge, convey or otherwise transfer title in or dispose of the Collateral, together with associated goodwill, to any Person or Persons. Borrower hereby ratifies all that such attorney

shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

13. Secured Party's Right to Perform Obligations. If Borrower fails to comply with any of its obligations under this Agreement Secured Party may, but is not obligated to, do so in Borrower's name or in the name of Secured Party, but at Borrower's expense, subject to the terms of the Subordination Agreement and Borrower hereby agrees to reimburse Secured Party, upon request, in full for all expenses, including reasonable attorneys' fees, incurred by Secured Party in protecting, defending and maintaining the Collateral.

14. Additional Documents. Borrower shall, upon written request of Secured Party, enter into such additional documents or instruments as may be required by Secured Party in order to effectuate, evidence or perfect Secured Party's interest in the Collateral, as evidenced by this Agreement.

15. New Collateral. If, before the Note shall have been irrevocably paid in full and the Purchase Agreement terminated, Borrower shall obtain rights to any new federally registered Collateral, the provisions of this Agreement hereby shall automatically apply thereto as if the same were identified on Schedule 1 as of the date hereof and Borrower shall give Secured Party prompt written notice thereof as provided in the Purchase Agreement.

16. Modifications for New Collateral. Borrower hereby authorizes Secured Party to modify this Agreement by amending Schedule 1 hereto to include any future Collateral as contemplated by Sections 1 and 15 hereof and, subject to terms of the Subordination Agreement, at Secured Party's request, Borrower shall execute any documents or instruments required by Secured Party in order to modify this Agreement as provided by this Section 16, provided that any such modification to Schedule 1 shall be effective without the signature of Borrower.

17. Termination. At such time as the Note shall have been irrevocably paid in full (other than contingent obligations for which no claim has been asserted), the Purchase Agreement terminated, and the Purchase Agreement terminated and not replaced by any other credit facility with Secured Party, this Agreement shall terminate. Upon written request of Borrower, Secured Party shall promptly execute and deliver to Borrower all deeds, assignments, and other instruments as may be necessary or proper to release Secured Party's security interest in and assignment of the Collateral and to re-vest in Borrower full title to the Collateral, subject to any disposition thereof that may have been made by Secured Party pursuant hereto. The Borrower will indemnify Secured Party in all respects for all costs incurred by the Administrative Agent in connection with such termination.

18. No Waiver or Course of Dealing. No course of dealing between Borrower and Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of Secured Party, any right, power or privilege hereunder or under any of the Note Purchase Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

19. Remedies Cumulative. Each right, power or privilege specified or referred to in this Agreement is in addition to any other rights, powers and privileges that Secured Party may have or acquire by operation of law, by other contract or otherwise. Each right, power or privilege may be exercised by Secured Party either independently or concurrently with other rights, powers and privileges and as often and in such order as Secured Party may deem expedient. All of the rights and remedies of Secured Party with respect to the Collateral, whether established hereby or by the Note Purchase Documents, or by any other agreements or by law shall be cumulative and may be executed singularly or concurrently.

20. Severability. The provisions of this Agreement are severable, and, if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

21. Modifications. This Agreement may be amended or modified only by a writing signed by Borrower and Secured Party. No waiver or consent granted by Secured Party in respect of this Agreement shall be binding upon Secured Party unless specifically granted in writing, which writing shall be strictly construed. In the event that any provision of this Agreement is deemed to be inconsistent with any provision of any other document, other than the Purchase Agreement, the provisions of the Purchase Agreement shall control.

22. Assignment and Successors. This Agreement shall not be assigned by Borrower without the prior written consent of Secured Party. This Agreement shall be binding upon Borrower and the successors and permitted assigns of Borrower and shall inure to the benefit of and be enforceable and exercisable by Secured Party and the successors and assigns of Secured Party. Any attempted assignment or transfer without the prior written consent of Secured Party shall be null and void.

23. Notice. All notices, requests, demands and other communications provided for hereunder shall be in writing and, if to Borrower, mailed or delivered to it, addressed to it at the address specified on the signature page of this Agreement, and, if to Secured Party, mailed or delivered to it, addressed to the address of Secured Party specified in the Purchase Agreement, or, as to each party, at such other address as shall be designated by such party in a written notice to each of the other parties. All notices, statements, requests, demands and other communications provided for hereunder shall be deemed to be given or made when delivered (if received during a Business Day, such Business Day, otherwise the following Business Day) or two Business Days after being deposited in the mails with postage prepaid by registered or certified mail, addressed as aforesaid, or sent by facsimile or electronic communication, in each case, with telephonic confirmation of receipt, except that notices from Borrower to Secured Party pursuant to any of the provisions hereof shall not be effective until received by Secured Party.

24. Entire Agreement. This Agreement integrates all of the terms and conditions with respect to the Collateral and supersedes all oral representations and negotiations and prior writings, if any, with respect to the subject matter hereof.

25. Headings; Execution. The headings and subheadings used herein are for convenience of reference only and shall be ignored in interpreting the provisions of this Agreement. This Agreement may be executed by facsimile signature, which, when so executed and delivered, shall be deemed to be an original.

26. Governing Law; Submission to Jurisdiction. The provisions of this Agreement and the respective rights and duties of Borrower and Secured Party hereunder shall be governed by and construed in accordance with Ohio law, without regard to principles of conflicts of laws that would result in the application of the law of any other state. Borrower hereby irrevocably submits to the non-exclusive jurisdiction of any Ohio state or federal court sitting in Columbus, Ohio, over any action or proceeding arising out of or relating to this Agreement, or any Note Purchase Document, and Borrower hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such Ohio state or federal court. Borrower hereby irrevocably waives, to the fullest extent permitted by law, any objection it may now or hereafter have to the laying of venue in any such action or proceeding in any such court as well as any right it may now or hereafter have to remove such action or proceeding, once commenced, to another court on the grounds of FORUM NON CONVENIENS or otherwise. Borrower agrees that a final, nonappealable judgment in any such action or proceeding in any state or federal court in the State of Ohio shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

27. Limitation on Exercise of Rights and Perfection. The Secured Party's rights hereunder are subject to the Subordination Agreement.

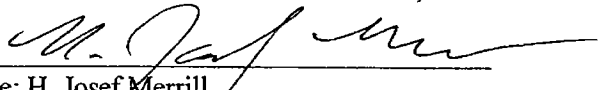

[Remainder of page intentionally left blank.]

26. JURY TRIAL WAIVER. BORROWER AND SECURED PARTY, TO THE EXTENT PERMITTED BY LAW, EACH WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, BETWEEN BORROWER AND SECURED PARTY, ARISING OUT OF, IN CONNECTION WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP ESTABLISHED BETWEEN THEM IN CONNECTION WITH THIS AGREEMENT OR ANY NOTE OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT EXECUTED OR DELIVERED IN CONNECTION HERewith OR THE TRANSACTIONS RELATED THERETO. THIS WAIVER SHALL NOT IN ANY WAY AFFECT, WAIVE, LIMIT, AMEND OR MODIFY THE ABILITY OF SECURED PARTY TO PURSUE REMEDIES PURSUANT TO ANY CONFESSION OF JUDGMENT OR COGNOVIT PROVISION CONTAINED IN ANY NOTE, OR OTHER INSTRUMENT, DOCUMENT OR AGREEMENT BETWEEN BORROWER AND SECURED PARTY.
