GRANT OF SECURITY INTEREST IN TRADEMARKS

January 12, 2017

WHEREAS, STRENGTHEN LENGTHEN TONE, LLC, a New York limited liability company (the "Grantor"), owns the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith set forth on Schedule A; and

WHEREAS, WEBSTER BANK, NATIONAL ASSOCIATION, a national banking association, as the Administrative Agent (the "Grantee"), desires to acquire a security interest in, and lien on, all of the Grantor's right, title and interest in and to the Grantor's trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith; and

WHEREAS, the Grantor is willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications and any and all goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Security Agreement, dated as of the date hereof, among the Grantor, SLT GROUP, LLC, a Delaware limited liability company, the Subsidiary Guarantors party thereto, and the Grantee (as amended and restated from time to time, the "Security Agreement"), the Grantor hereby grants to the Grantee a security interest in, and a lien upon, all of the Grantor's right, title and interest in and to (i) the trademarks, trademark registrations, trademark applications, and any and all goodwill associated therewith (the "Marks") set forth on Schedule A attached hereto, together with (ii) all Proceeds (as such term is defined in the Security Agreement) of the Marks, (iii) all of the goodwill of the businesses with which the Marks are associated and (iv) all causes of action, past, present and future, for infringement, misappropriation or dilution of any of the Marks or unfair competition regarding the same.

This Grant of Security Interest in Trademarks is made to secure the satisfactory performance and payment of all of the Obligations (as such term is defined in the Security Agreement) of the Grantor and shall be effective as of the date of the Security Agreement.

This Grant of Security Interest in Trademarks has been granted in conjunction with the security interest granted to the Grantee under the Security Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest in Trademarks are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern. This Grant of Security Interest in Trademarks may be executed in counterparts, each of which shall constitute an original, but all of which, when taken together, shall constitute but one contract.

[Signature Pages Follow]

IN WITNESS WHEREOF, the parties hereto have duly executed this Grant of Security Interest in Trademarks as of the day and year first above written.
