SECOND LIEN GRANT OF
SECURITY INTEREST IN TRADEMARKS

This SECOND LIEN GRANT OF SECURITY INTEREST IN TRADEMARKS, dated as of February 3, 2017 (this "Agreement"), is made by Innocor, Inc., a New Jersey corporation, and Innocor Foam Technologies – ACP, Inc., a Delaware corporation (the "Grantor"), in favor of Bank of America, N.A., as collateral agent (in such capacity, the "Collateral Agent") for the benefit of the Secured Parties, including those from time to time party to the Second Lien Credit Agreement, dated as of February 3, 2017 (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among BCPE INCR Purchaser, Inc., a Delaware corporation ("Holdings"), BCPE INCR Merger Sub, LLC, a Delaware limited liability company ("Merger Sub") (which on the Closing Date shall be merged with and into Comfort Holding, LLC, a Delaware limited liability company (the "Company"), with the Company surviving such merger as the Borrower), the Lenders from time to time party thereto, and Bank of America, N.A., as the Administrative Agent and the Collateral Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, each Grantor and any Subsidiaries of the Borrower that become a party thereto, have executed and delivered a Second Lien Security Agreement, dated as of February 3, 2017 in favor of the Collateral Agent for the benefit of the Secured Parties (as the same may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Grantor has pledged and granted to the Collateral Agent for the benefit of the Secured Parties a continuing security interest in all Intellectual Property, including the Trademarks, that are not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans, the Grantor hereby agrees with the Collateral Agent, for the benefit of the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement or the Security Agreement, as applicable.

2. Grant of Security Interest. Subject to the terms of the Security Agreement, the Grantor hereby grants a security interest in all of its right, title and interest in, to and under the Trademarks, to the extent owned by the Grantor, that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive all Proceeds therefrom (collectively, the

“Collateral”), to the Collateral Agent for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of Grantor’s “intent to use” such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office.

4. Termination or Release. Upon the termination of the Security Agreement or release of the Grantor in accordance with Section 6.5 thereof, the Collateral Agent shall, at the expense of the Grantor, execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the Security Interest in the Trademarks of the Grantor under this Second Lien Grant of Security Interest in Trademarks.

5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

6. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Collateral Agent.

7. Governing Law. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[Signature pages follow]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
