## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of February 7, 2017, is made by each of the entities listed on the signature pages hereof (each a “Grantor” and, collectively, the “Grantors”), in favor of MEDLEY CAPITAL LLC, a Delaware corporation, as Administrative Agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the Lenders and the other Secured Parties.

## WITNESSETH:

WHEREAS, CARDINAL CONDITIONING, INC., a Delaware corporation (the “Initial Borrower”), as the initial borrower, and after the consummation of the Merger, CARDINAL CONDITIONING, INC. (formerly known as CC FRIEDRICH HOLDINGS, INC.), a Delaware corporation (the “Holdco Borrower”) (together, the “Borrowers”), any Subsidiary of Holdco Borrower that is a Guarantor or becomes a Guarantor pursuant to Section 6.09 thereof (including the Holdco Borrower, the “Guarantors”, and, together with the Borrowers, the “Credit Parties”), the Lenders from time to time party thereto, and the Administrative Agent, have entered into a Credit Agreement, dated as of February 7, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Term Loan Credit Agreement”);

WHEREAS, all of the Grantors are party to a Pledge and Security Agreement dated as of February 7, 2017 in favor of the Administrative Agent (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”), pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Administrative Agent to enter into the Term Loan Credit Agreement and to induce the Lenders to make their respective extensions of credit to the Borrowers thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby pledges to the Administrative Agent, and hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in the following Collateral of such Grantor (the “*Trademark Collateral*”):

- (a) all of its Trademarks and all Trademark Licenses providing for the grant by or to such Grantor of any right under any Trademark, including those referred to on Schedule 1 hereto;
- (b) all renewals of the foregoing;
- (c) all goodwill associated therewith; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof. Notwithstanding the foregoing, there shall be no security interest or Lien on any U.S. Trademark application that is filed on an "intent-to-use" basis (until such time as a statement of use or amendment to allege use is filed with respect to such application and duly accepted by the United States Patent and Trademark Office) or any Intellectual Property if the grant of a Lien on or security interest in such Intellectual Property is prohibited by law or would result in the abandonment, impairment, cancellation or voiding of any right, title or interest in such Intellectual Property.

Section 3. Pledge and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Pledge and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement conflicts with any provision of the Pledge and Security Agreement, the Pledge and Security Agreement shall govern.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks subject to a security interest hereunder.

Section 5. Recordation. Each Grantor authorizes and requests that the United States Patent and Trademark Office record this Trademark Security Agreement.

Section 6. Counterparts. This Trademark Security Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

Section 7. Governing Law. **THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REFERENCE TO CONFLICTS OF LAW PROVISIONS (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW)**. In addition, the provisions of Section 14 of the Pledge and Security Agreement are incorporated herein by reference, *mutatis mutandis*.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
