## Trademark Assignment

This Trademark Assignment (the "Assignment") is dated as of August 18, 2015, and is by and between Actavis Mid Atlantic LLC, a limited liability company organized under the Laws of Delaware, ("Assignor"), and Taro Pharmaceuticals North America, Inc., a corporation organized under the laws of the Cayman Islands, ("Assignee").

WHEREAS, on December 6, 2013, Assignor and Assignee entered into a Purchase and Sale Agreement relating to the pharmaceutical product known as FEVERALL® (the "Purchase Agreement"); and

WHEREAS, as part of the Purchase Agreement, Assignor sold, assigned, transferred, conveyed and delivered to Assignee all of Seller's right, title and interest in, to and under the Assigned Trademark, which is defined in the Purchase Agreement and includes U.S. Trademark Registration Nos. 1,642,430 and 3,950,872; and

WHEREAS, Assignor and Assignee wish to confirm the sale, assignment, transfer, conveyance and delivery of the Assigned Trademark.

NOW, THEREFORE, in consideration of the mutual covenants, terms and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions. All capitalized terms used in this Trademark Assignment but not otherwise defined herein are given the meanings set forth in the Purchase Agreement.

2. Assignment. On December 6, 2013, the Effective Date of the Purchase Agreement, Assignor sold, assigned, transferred, conveyed and delivered to Assignee all right, title and interest of Seller in, to and under the Assigned Trademark (U.S. Trademark Registration Nos. 1,642,430 and 3,950,872) and the trademarks shown in the said Registrations together with the goodwill of the business symbolized by the Assigned Trademark.

3. Recordation and Further Actions. Assignor authorizes the Commissioner for Trademarks of the U.S. Trademark Office and any other national, federal and state government officials to record and register this Trademark Assignment upon request by Assignee. Assignor shall execute any and all documents and take all other further actions as reasonably requested by Assignee to transfer ownership of the Assigned Trademark including, but not limited to, assignments, transfers and related powers of attorney.

4. Terms of the Purchase Agreement. The Assignor and Assignee acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

5. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to any

choice or conflict of law provision or rule that would cause the application of laws of any jurisdiction other than those of the State of New York.

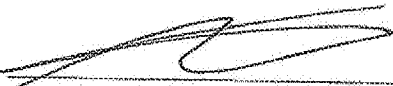

6. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Trademark Assignment to be effective as of the Effective Date.
