TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of February 10, 2017, is made by Saje Natural Business, Inc., a Canadian corporation ("Borrower"), in favor of Owl Rock Capital Corporation, a Maryland corporation, as collateral agent (in such capacity, together with its successors and permitted assigns, the "Agent") acting for itself and for the administrative agent and the lenders (the "Lenders") party to the Credit Agreement (as defined below) from time to time (collectively, the "Lender Parties").

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of February 10, 2017 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, certain affiliates of the Borrower and the Lender Parties, the Lender have agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, Borrower has agreed, pursuant to (i) a General Security Agreement, dated as of February 10, 2017, in favor of the Agent and (ii) an Intellectual Property Security Agreement, dated as of February 10, 2017, in favor of the Agent (the "IP Security Agreement"), to grant a security interest in the Collateral (as defined in the IP Security Agreement) of the Borrower, including the Trademark Collateral (as defined below), and to guarantee its Obligations (as defined in the IP Security Agreement) therein;

NOW, THEREFORE, in consideration of the premises and to induce the Lender Parties to enter into the Credit Agreement and to induce the Lender to make their respective extensions of credit to the Borrower thereunder, the Borrower hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Credit Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Borrower, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of the Borrower, hereby grants to the Agent for the benefit of the Lender Parties a lien on and security interest in, all of its right, title and interest in, to and under the following (the "Trademark Collateral"):

- (a) all of its trademarks, including those referred to on Schedule 1 hereto;
- (b) all renewals of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such trademark; and
- (d) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to

sue and recover at law or in equity for any past, present and future infringement or other violation thereof.

Notwithstanding the foregoing, no grant of any security interest shall be deemed granted under this Agreement in any intent-to-use trademark application for which a statement of use has not been filed and accepted with the U.S. Patent and Trademark Office or to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law of the United States.

Section 3. IP Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the IP Security Agreement, and the Borrower hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the IP Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 5. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Delaware.
