THIS PATENT, TRADEMARK AND LICENSE SECURITY AGREEMENT (this "Agreement") is made and entered into this 28th day of February, 2017, by CONNECTICUT ELECTRIC, INC., a Delaware corporation (f/k/a Connecticut Electric Merger Co. and successor-by-merger to Connecticut Electric Inc.) (the "Debtor"), in favor of FIFTH THIRD BANK, an Ohio banking corporation (together with its affiliates, the "Lender").

WITNESSETH:

WHEREAS, the Debtor, Tacoma Electric Supply, LLC, a Delaware limited liability company (f/k/a Tacoma Electric Supply, Inc.) WHEREAS, the Merged Borrower merged with and into the Debtor, with the Debtor surviving such merger, and the Debtor shall be joined to the Loan Agreement under the terms of the Second Amendment;

WHEREAS, as a condition precedent to the Lender entering into the Second Amendment, the Lender has required that the Debtor execute and deliver this Agreement to the Lender as additional collateral security for all of Borrowers' Obligations under the Loan Agreement and the other Transaction Documents;

WHEREAS, in order to induce the Lender to make loans to the Borrowers, to issue letters of credit for the account of the Borrowers or to make other financial accommodations for the benefit of the Borrowers pursuant to the terms of the Loan Agreement, the Debtor has agreed to execute and deliver this Agreement to the Lender; and

WHEREAS, this Agreement is being executed in connection with and in addition to the Security Agreement under which the Debtor has granted to the Lender a lien on and security interest in, among other things, all accounts, inventory, general intangibles, machinery, equipment, books, records, goodwill, patents and trademarks now owned or hereafter acquired by the Debtor and all proceeds thereof;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby covenants and agrees with the Lender as follows:

1. Grant of Security Interest. For value received, the Debtor hereby grants to the Lender a security interest in and lien on, all of the Debtor's right, title and interest in, to and under the following described property, whether now owned and existing or hereafter created, acquired or arising:

2. Representations, Warranties and Covenants of the Debtor. The Debtor hereby represents and warrants to the Lender, and covenants and agrees with the Lender, that:

(a) all of the Patents, Trademarks and Licenses are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and to the knowledge of the Debtor are not at this time the subject of any challenge to their validity or enforceability (except as otherwise specifically disclosed by the Debtor in the Loan Agreement);

(b) to the best of the Debtor's knowledge, each of the Patents, Trademarks and Licenses is valid and enforceable;

(d) except as specifically disclosed in the Loan Agreement, the Debtor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Licenses, free and clear of any and all liens, charges and encumbrances, including, without limitation, any and all pledges, assignments, licenses, registered user agreements, shop rights and covenants by the Debtor not to sue third persons, excluding only the security interest granted to the Lender;

(e) the Debtor has the unqualified right to enter into this Agreement and perform its terms;

(f) the Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Licenses;

(g) the Debtor has the exclusive, royalty-free right and license to use the Patents, Trademarks and Licenses and agrees not to transfer any rights or interest in any of the Patents, Trademarks or Licenses during the term of this Agreement; and

(h) except as specifically disclosed in the Loan Agreement, the Debtor has no notice of any suits or actions commenced or threatened with reference to any of the Patents, Trademarks or Licenses.

3. Inspection Rights; Product Quality. The Debtor will permit inspection of the Debtor's facilities which manufacture, inspect or store products sold under any of the Patents, Trademarks or Licenses and inspection of the products and records relating thereto by the Lender and only while any Default or Event of Default under the Loan Agreement has occurred and is continuing, during normal business hours and at other reasonable times. The Debtor will promptly reimburse the Lender for all costs and expenses incurred by the Lender in connection with any such inspection conducted by the Lender. A representative of the Debtor may be present during any such inspection, provided that a particular representative's availability or unavailability shall not inhibit or delay such inspection. The Debtor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices, and (ii) to provide the Lender, upon the Lender's request from time to time, with a certificate of any officer of the Debtor certifying the Debtor's compliance with the foregoing.

4. Further Assurances. The Debtor agrees that, until (i) all of the Secured Obligations shall have been paid in full, (ii) the Lender shall have no further commitments or obligations to advance funds, make loans, issue letters of credit and/or extend credit to or for the account of any of the Borrowers under the Loan Agreement, any other Transaction Document or otherwise, (iii) no Letters of Credit shall be outstanding and (iv) the Loan Agreement has expired or been terminated in accordance with its terms, it will not enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with the Debtor's obligations under this Agreement or the Loan Agreement, without the prior written consent of the Lender, and the Debtor agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Lender under this Agreement. The Debtor further agrees that at any time and from time to time, at the expense of the Debtor, the Debtor will promptly execute and deliver to the Lender any and all further instruments and documents and take any and all further action that may be necessary, or that the Lender may reasonably request, in order to perfect and protect the security interest granted hereby with respect to the Patents, Trademarks and Licenses or to enable the Lender to exercise its rights and remedies hereunder with respect to the same.

5. Additional Patents, Trademarks and Licenses. If the Debtor shall (i) become aware of any existing Patents, Trademarks or Licenses of which the Debtor has not previously informed the Lender, (ii) obtain rights to any new patentable inventions, Patents, Trademarks or Licenses or (iii) become entitled to the benefit of any Patents, Trademarks or Licenses which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and the Debtor shall give the Lender prompt written notice thereof.

6. Modification by the Lender. The Debtor authorizes the Lender to modify this Agreement by amending Schedules A, B, C, D and E to include any future patents and patent applications, any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications, and any future licenses, covered by Paragraphs 1 and 5 hereof, without the signature of the Debtor if permitted by applicable law.

7. Use of Patents, Trademarks and Licenses. So long as no Event of Default has occurred and is continuing, the Debtor may use the Patents and Trademarks and exercise its rights under the Licenses in any lawful manner not inconsistent with this Agreement on and in connection with products or services sold by the Debtor, for the Debtor's own benefit and account and for none other.

8. Default. If any Event of Default shall have occurred and be continuing, the Lender shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction

in which the Patents, Trademarks and Licenses may be located and, without limiting the generality of the foregoing, the Lender may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Debtor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents, Trademarks (together with the goodwill of the Debtor associated therewith) or Licenses, or any interest which the Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks or Licenses all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations in the order set forth in the Loan Agreement. Notice of any sale or other disposition of any of the Patents, Trademarks or Licenses shall be mailed to the Debtor at its last known address at least ten (10) Domestic Business Days before the time of any intended public or private sale or other disposition of such Patents, Trademarks and/or Licenses is to be made, which the Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Lender or any holder of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks or Licenses sold, free from any right of redemption on the part of the Debtor, which right is hereby waived and released. The Debtor agrees that upon the occurrence and continuance of any Event of Default, the use by the Lender of the Patents, Trademarks and Licenses shall be worldwide, and without any liability for royalties or other related charges from the Lender to the Debtor. If an Event of Default shall occur and be continuing, the Lender shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself, the Lender, as applicable) to enforce any and all of the Patents, Trademarks and Licenses, and, if the Lender shall commence any such suit, the Debtor shall, at the request of the Lender, do any and all lawful acts and execute any and all proper documents required by the Lender in aid of such enforcement and the Debtor shall promptly, upon demand, reimburse and indemnify the Lender for all costs and expenses incurred by the Lender in the exercise of its rights under this Agreement. All of the Lender's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby, by the Security Agreement or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time as (i) the Debtor and/or any other Borrower shall pay all of the Secured Obligations in full, (ii) the Lender shall have no further commitments or obligations to advance funds, make loans, issue letters of credit and/or extend credit to or for the account of any of the Borrowers under the Loan Agreement, any other Transaction Document or otherwise, (iii) no Letters of Credit are outstanding and (iv) the Loan Agreement shall have expired or have been terminated in accordance with its terms, this Agreement shall terminate and the Lender shall execute and deliver to the Debtor all instruments as may be necessary or proper to extinguish the Lender's security interest therein, subject to any disposition thereof which may have been made by the Lender pursuant hereto.

10. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by the Lender in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents, Trademarks and/or Licenses, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents, Trademarks and/or Licenses, shall constitute a part of the Secured Obligations and shall be borne and paid by the Debtor on demand by the Lender.

11. Preservation of Patents, Trademarks and Licenses. the Debtor shall have the duty (i) to file and prosecute diligently any material patent, trademark or service mark applications pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (iii) to preserve and maintain all rights in the Patents, Trademarks and Licenses, as commercially reasonable. Any expenses incurred in connection with the Debtor's obligations under this Section 11 shall be borne by the Debtor.

12. The Lender Appointed Attorney-In-Fact. If any Event of Default shall have occurred and be continuing, the Debtor hereby authorizes and empowers the Lender to make, constitute and appoint any officer or agent of the Lender as the Lender may select, in its sole discretion, as the Debtor's true and lawful attorney-in-fact, with the power to endorse the Debtor's name on all applications, documents, papers and instruments necessary for the Lender to use the Patents, Trademarks and Licenses, or to grant or issue any exclusive or nonexclusive license under the Patents, Trademarks and Licenses to anyone else, or necessary for the Lender to assign, pledge, convey or otherwise transfer title to or dispose of the Patents, Trademarks and Licenses to anyone else. The Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

13. No Waiver. No course of dealing between the Debtor and the Lender, nor any failure to exercise, nor any delay in exercising, on the part of the Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Amendments. This Agreement is subject to amendment or modification only by a writing signed by the Debtor and the Lender, except as provided in Paragraph 6 above.

16. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Debtor may not assign or delegate any of its rights of obligations under this Agreement.

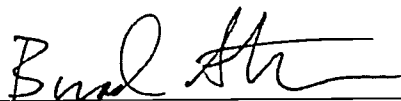

17. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Ohio (without reference to conflict of law principles).
