TRADEMARK COLLATERAL AGREEMENT

This 27th day of February, 2017, TADPOLES LLC, a Delaware limited liability company (“*Debtor*”) with its principal place of business and mailing address at 4500 East West Highway, 3rd Floor, Bethesda, Maryland 20814, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby assigns, mortgages and pledges to FIFTH STREET MANAGEMENT LLC (“*Fifth Street*”), with its mailing address at 777 West Putnam Ave., 3rd Floor, Greenwich, CT 06830, acting as administrative agent hereunder for the Secured Parties as defined in the Security Agreement referred to below, and its successors and permitted assigns (Fifth Street acting as such administrative agent and any successor(s) or assign(s) to Fifth Street acting in such capacity being hereinafter referred to as the “*Agent*”), and grants to the Agent for the benefit of the Secured Parties a continuing security interest in and to all of the right, title and interest of such Debtor in, to and under the following property, wherever located, and whether now existing or hereafter arising or acquired from time to time (the “*Trademark Collateral*”):

(i) Each trademark, trademark registration, and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration, and trademark application and all extensions and renewals thereof; and

(ii) All proceeds of the foregoing, including without limitation (x) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing and (y) any and all claims and causes of action by Debtor against third parties for damages, restitution and injunctive and other legal and equitable relief by reason of past, present or future infringement, dilution, misappropriation, violation, misuse, breach or default of any trademark, trademark registration, or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right but no obligation to sue for and collect, or otherwise recover, said damages; *provided* however that the foregoing shall exclude all property described in Section 2.1(b) of the Security Agreement;

to secure the payment and performance of all Secured Obligations of Debtor as set out in that certain Pledge and Security Agreement bearing even date herewith between Debtor, certain of Debtor’s affiliates and Agent, as the same may be amended, modified, or restated from time to time (the “*Security Agreement*”). All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Debtor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as “*Intent-to-Use Applications*”), but rather, if and so long as Debtor’s Intent-to-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral

Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-to-Use Application as collateral security for the Secured Obligations. When a Statement of Use is filed and accepted by the United States Patent and Trademark Office, then that application shall cease to be partly exempted from this Agreement. For purposes hereof, "Statement of Use" shall have the meaning prescribed to it by the United States Patent and Trademark Office.

Debtor authorizes the Commissioner for Trademarks to record and register this Trademark Collateral Agreement upon request by the Agent.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. Any reference in this Trademark Collateral Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The rights and remedies of the Agent with respect to the Trademark Collateral are as provided by the Security Agreement and related documents, and nothing in this Trademark Collateral Agreement shall be deemed to limit such rights and remedies.

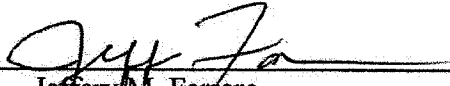

This Trademark Collateral Agreement may be executed in any number of counterparts, and by the different parties on different counterpart signature pages, all of which taken together shall constitute one and the same agreement. Any of the parties hereto may execute this Trademark Collateral Agreement by signing any such counterpart and each of such counterparts shall for all purposes be deemed to be an original. Delivery of a counterpart hereof by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart hereof. This Trademark Collateral Agreement shall be construed and determined in accordance with the laws of the United States and the State of New York without regard to conflicts of law principles that would require application of the laws of another jurisdiction. This Trademark Collateral Agreement will be binding on and shall inure to the benefit of the parties hereto and their respective successors and assigns.

Notwithstanding anything herein to the contrary, the Liens and security interests securing the Secured Obligations are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Intercreditor Agreement shall govern and control.
