All capitalized terms used herein without definition shall have the respective meanings assigned to them in the Purchase Agreement (as defined below).

RECITALS

A. In connection with that certain Asset Purchase Agreement, dated as of the Effective Date (the "Purchase Agreement"), by and between Assignor and Assignee, Assignor has agreed to assign to Assignee all right, title and interest in and to the trademarks, service marks, trademark applications and trademark registrations listed on the attached Exhibit A (collectively, the "Trademarks").

B. Assignee desires to obtain all right, title and interest in and to the Trademarks according to the terms and conditions of this Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. Assignment. Assignor hereby sells, assigns and transfers to Assignee, its successors, assigns and legal representatives, the entire world-wide right, title and interest in and to the Trademarks, the goodwill of the business symbolized by the Trademarks, and the right to sue for, settle or release any past, present or future infringement of the Trademarks.

Section 2. Assistance. From time to time, upon the reasonable request of Assignee, Assignor shall execute and deliver, or cause to be executed and delivered, all documents and instruments and shall take, or cause to be taken, all further or other actions as Assignee may reasonably deem necessary to consummate the transactions contemplated by this Assignment and the Purchase Agreement, including, in the case of Assignor, executing and delivering to Assignee such assignments, deeds, bills of sale, consents, powers of attorney, declarations, affidavits and other instruments as Assignee or its counsel may reasonably request as necessary for such purpose. Further, at Assignee's expense, Assignor and its successors and assigns shall testify in any legal proceedings, sign all lawful papers, make all lawful oaths and make commercially reasonable efforts to vest, evidence or perfect title to the Trademarks in Assignee and to aid Assignee, its successors, assigns and legal representatives to obtain and enforce proper protection for the Trademarks. Assignor and Assignee acknowledge and agree that this Assignment may be recorded with the United States Patent and Trademark Office or another public office as necessary to vest, evidence or perfect title to the Trademarks in Assignee.

Section 3. Counterparts. This Assignment may be executed in any number of original, facsimile or portable document format (pdf) counterparts, each of which when so executed and delivered shall be an original, but all of which together shall constitute one instrument.
