Intellectual Property Security Agreement (1.5 Lien)

TRADEMARK SECURITY AGREEMENT dated as of March 10, 2017 (this “*Agreement*”), made by Pinnacle Agriculture Distribution, Inc., a Mississippi corporation (the “*Pledgor*”), in favor of Wilmington Trust, National Association, as Collateral Agent.

Reference is made to the Collateral Agreement (1.5 Lien) dated as of March 10, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “*Collateral Agreement*”), among Pinnacle Operating Corporation (the “*Issuer*”), each subsidiary of the Issuer identified therein and Collateral Agent. The parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment and performance, as applicable, in full of the Secured Obligations, the Pledgor pursuant to the Collateral Agreement did, and hereby does, assign and pledge to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all of such Pledgor’s right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in, which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, but excluding any Excluded Property, the “*IP Collateral*”):

(i) (a) all trademarks, service marks, corporate names, company names, business names, trade dress, logos and taglines, all registrations thereof (if any), and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America, and all renewals thereof, including those listed on Schedule I and (b) all goodwill associated therewith or symbolized thereby;

provided, however, that the foregoing pledge assignment and grant of security interest will not cover any applications for any trademarks that have been filed with the United States Patent and Trademark Office on the basis of an “intent-to-use” with respect to such trademarks until an appropriate amendment to allege use or statement of use is filed in and accepted by the United States Patent and Trademark Office.

SECTION 3. *Collateral Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. The Pledgor hereby acknowledges

and affirms that the rights and remedies of the Collateral Agent with respect to the IP Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. *Counterparts.* This Agreement may be executed in two or more counterparts, each of which shall constitute an original but all of which when taken together shall constitute but one contract. Delivery of an executed counterpart to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed original.

SECTION 5. The Parties hereby authorize and request the Commissioner of Trademarks to record this Agreement in the United States Patent and Trademark Office with respect to the IP Collateral.

SECTION 6. *Termination.* This Agreement is made to secure the payment of the Secured Obligations. This Agreement and the security interest granted hereby shall terminate with respect to all of the Pledgor's Secured Obligations and any Lien arising therefrom shall be automatically released upon termination of the Collateral Agreement or release of such Pledgor's Secured Obligations thereunder or as otherwise provided in the Collateral Agreement. The Collateral Agent shall, in connection with any termination or release herein or under the Collateral Agreement, execute and deliver to the Pledgor as such Pledgor may request, an instrument in writing releasing the security interest in the IP Collateral acquired under this Agreement. Additionally, upon such payment (and when otherwise contemplated by the Collateral Agreement), the Collateral Agent shall reasonably cooperate with any efforts made by the Pledgor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the IP Collateral.

SECTION 7. *Governing Law.* This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to principles of conflicts of law.
