To secure its obligations under the Loan Agreement, effective as of the date hereof, Grantor hereby grants and pledges to Collateral Agent, for the ratable benefit of the Lenders, a security interest in all of Grantor’s right, title and interest in, to and under its intellectual property (all of which shall collectively be called the “**Intellectual Property Collateral**”), including, without limitation, the following:

(a) Any and all copyright rights, copyright applications, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on Exhibit A attached hereto (collectively, the “**Copyrights**”);

(h) All licenses or other rights to use any of the Copyrights, Patents, Trademarks, or Mask Works and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks, Patents, or Mask Works; and

Each right, power and remedy of Collateral Agent provided for herein or in the Loan Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Collateral Agent of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Collateral Agent, of any or all other rights, powers or remedies.

Notwithstanding the foregoing, the Liens granted by this Intellectual Property Security Agreement are subject to any and all existing licenses, rights and remedies granted by Grantor on or prior to the date hereof in accordance with the provisions of the Loan Agreement, including those set forth in Exhibit E, with respect to the Intellectual Property Collateral. Any Intellectual Property Collateral Transferred in accordance with the provisions of the Loan Agreement shall be deemed to have been Transferred free of Collateral Agent's Lien (upon consummation of the applicable Transfer in accordance with the terms of the applicable agreement(s) between the Grantor and the party(ies) to which such Transfer is made); provided, however, the proceeds of such Intellectual Property Collateral shall be, and for all purposes shall be deemed to be, automatically included in the Collateral and subject to the Lien and first priority perfected security interest of Collateral Agent.
