SENIOR FIRST LIEN TRADEMARK SECURITY AGREEMENT

This **SENIOR FIRST LIEN TRADEMARK SECURITY AGREEMENT**, dated as of January 5, 2017 (as amended, supplemented or otherwise modified from time to time, this “**Trademark Security Agreement**”), is made by the signatory hereto (the “**Grantor**”) in favor of **JPMorgan Chase Bank, N.A.**, as Collateral Agent for the Secured Parties (in such capacity and together with its permitted successors in such capacity, the “**Collateral Agent**”) (as defined in the Credit Agreement referred to below).

WHEREAS, reference is made to that certain First Lien Credit and Guaranty Agreement, dated as of April 30, 2014 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), by and among **SORENSEN COMMUNICATIONS, LLC**, a Utah limited liability company (along with its permitted successors and assigns, the “**Borrower**”), **SCI HOLDINGS, LLC**, a Delaware limited liability company (along with its permitted successors and assigns, “**Holdings**”), and **CERTAIN RESTRICTED SUBSIDIARIES OF HOLDINGS**, as Guarantors, the Lenders party thereto from time to time, **JPMORGAN CHASE BANK, N.A.**, as Administrative Agent (together with its permitted successors in such capacity, “**Administrative Agent**”) and Collateral Agent, and the other parties thereto;

WHEREAS, in order to secure the Obligations under the Credit Agreement, the Grantor shall have executed and delivered a counterpart to that certain Senior First Lien Pledge and Security Agreement, dated as of April 30, 2014, in favor of the Collateral Agent (as amended, supplemented, replaced or otherwise modified from time to time, the “**Pledge and Security Agreement**”); and

WHEREAS, under the terms of the Pledge and Security Agreement, the Grantor has granted a security interest in certain property, including, without limitation, certain Intellectual Property of the Grantor to the Collateral Agent for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees as follows:

SECTION 1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Pledge and Security Agreement, and, if not therein defined, in the Credit Agreement.

SECTION 2. Grant of Security. (a) The Grantor hereby grants to the Collateral Agent for the ratable benefit of the Secured Parties a security interest in and continuing lien on all of Grantor’s right, title and interest in, to and under the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising by or with respect to Grantor (the “**Trademark Collateral**”), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of Grantor’s Secured Obligations:

all United States trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification

marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to: (A) the registrations and applications referred to in Schedule 1 attached hereto (as such schedule may be amended or supplemented from time to time), (B) all extensions or renewals of any of the foregoing, (C) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (D) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and (E) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, the “**Trademarks**”).

(b) Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted hereunder attach to any Excluded Assets or any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

SECTION 3. Recordation. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Governing Law. This Trademark Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

SECTION 6. Conflict Provision. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Pledge and Security Agreement and the Credit Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Pledge and Security Agreement and the Credit Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Trademark Security Agreement are in conflict with the Pledge and Security Agreement or the Credit Agreement, the provisions of the Pledge and Security Agreement or the Credit Agreement, respectively, shall govern.

SECTION 7. Termination and Release. This Trademark Security Agreement shall automatically terminate and the lien on and security interest in the Trademark Collateral shall be automatically released upon the payment and performance in full of the Secured Obligations (other than any outstanding indemnification obligations) in accordance with Sections 8.4 and 9 of the Pledge and Security Agreement. Upon the termination of this Trademark Security Agreement, the Collateral Agent shall, at the Grantor’s expense, execute and deliver all documents, or otherwise authorize the filing of such documents to evidence and record the

release of the lien on and security interests in the Trademark Collateral granted herein as Grantor shall reasonably request, in each case in form and substance reasonably acceptable to the Collateral Agent.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the undersigned has caused this Trademark Security Agreement to be duly executed and delivered as of the date first above written.
